10 head assistant attorneys, assistant director of research and
11 development, assistant director of information technology,
12 comptroller, assistant treasurer, assistant purchasing agent

15 rules of the Director as to residence, age, sex, health,
16 habits, moral character and qualifications to perform the
17 duties of the office or place to be filled, which
18 qualifications shall be prescribed in advance of such
19 examination. Such examinations shall be practical in their
20 character, and shall relate to those matters which will
21 fairly test the relative capacity of the persons examined to
22 discharge the duties of the position to which they seek to be
23 appointed, and may include tests of physical qualifications
24 and health and when appropriate, of manual skill. No
25 question in any examination shall relate to political or
26 religious opinions or affiliations. The Director shall
27 control all examinations, and may, whenever an examination is
28 to take place, designate a suitable number of persons to be
29 special examiners and it shall be the duty of such special
30 examiners to conduct such examinations as the Director may
31 direct, and to make return and report thereof to him; and he

1 may at any time substitute any other person in the place of
2 any one so selected; and he may himself, at any time, act as
3 such special examiner, and without appointing other special
4 examiners. The Director shall, by rule, provide for and
5 shall hold sufficient number of examinations to provide a
6 sufficient number of eligibles on the register for each grade
7 of position in the classified civil service, and if any place
8 in the classified civil service shall become vacant, to which
9 there is no person eligible for appointment, he shall hold an
10 examination for such position and repeat the same, if
11 necessary, until a vacancy is filled in accordance with the
12 provisions of this Act.

13 Eligible registers shall remain in force for 3 years,
14 except the eligible register for laborers which shall remain
15 in force for 4 years and except the eligible registers for
16 student programs and entry level engineering positions which,
17 in the Director's discretion, may remain in force for one
18 year.

19 Examinations for an eligible list for each position in
20 the classified service above mentioned shall be held at least
21 once in 3 years and at least annually for student programs
22 and entry level engineering positions if the Director has
23 limited the duration of the registers for those positions to
24 one year, unless the Director determines that such
25 examinations are not necessary because no vacancy exists.

26 To help defray expenses of examinations, the sanitary
27 district may, but need not, charge a fee to each applicant
28 who desires to take a civil service examination provided for
29 by this Act. The amount of such fees shall be set by the
30 corporate authority of the sanitary district. Such fees
31 shall be deposited in the corporate fund of the district.

10 addresses (a) of the five candidates standing highest upon
11 the register of eligibles for the position, or (b) of the
12 candidates within the highest ranking group upon the register
13 of eligibles if the register is by categories such as
14 excellent, well qualified, and qualified, provided, however,
15 that any certification shall consist of at least 5 names, if
16 available. The Director shall certify names from succeeding
17 categories in the order of excellence of the categories until
18 at least 5 names are provided to the appointing officer. The

12 specified by the commissioners, together with a statement of
13 the facts in each case because of which the authority was
14 granted.

15 The acceptance or refusal by an eligible person of a
16 temporary appointment does not affect his standing on the
17 register for permanent appointment.

18 All laborers shall be appointed by the General
19 Superintendent and shall be on probation for a period to be
20 fixed by the rules, not exceeding one year.

21 The deputy chief engineer, the assistant chief engineers,
