AN ACT concerning hospitality.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. This Act may be referred to as the COVID-19 Pandemic Hospitality Recovery Act.

Section 5. The Liquor Control Act of 1934 is amended by changing Sections 6-5 and 6-28.8 and by adding Section 6-37 as follows:

(235 ILCS 5/6-5) (from Ch. 43, par. 122)

Sec. 6-5. Except as otherwise provided in this Section, it is unlawful for any person having a retailer's license or any officer, associate, member, representative or agent of such licensee to accept, receive or borrow money, or anything else of value, or accept or receive credit (other than merchandising credit in the ordinary course of business for a period not to exceed 30 days) directly or indirectly from any manufacturer, importing distributor or distributor of alcoholic liquor, or from any person connected with or in any way representing, or from any member of the family of, such manufacturer, importing distributor, distributor or wholesaler, or from any stockholders in any corporation engaged in manufacturing, distributing or wholesaling of such
liquor, or from any officer, manager, agent or representative of said manufacturer. Except as provided below, it is unlawful for any manufacturer or distributor or importing distributor to give or lend money or anything of value, or otherwise loan or extend credit (except such merchandising credit) directly or indirectly to any retail licensee or to the manager, representative, agent, officer or director of such licensee. A manufacturer, distributor or importing distributor may furnish free advertising, posters, signs, brochures, hand-outs, or other promotional devices or materials to any unit of government owning or operating any auditorium, exhibition hall, recreation facility or other similar facility holding a retailer's license, provided that the primary purpose of such promotional devices or materials is to promote public events being held at such facility. A unit of government owning or operating such a facility holding a retailer's license may accept such promotional devices or materials designed primarily to promote public events held at the facility. No retail licensee delinquent beyond the 30 day period specified in this Section shall solicit, accept or receive credit, purchase or acquire alcoholic liquors, directly or indirectly from any other licensee, and no manufacturer, distributor or importing distributor shall knowingly grant or extend credit, sell, furnish or supply alcoholic liquors to any such delinquent retail licensee; provided that the purchase price of all beer sold to a retail licensee shall be paid by the
retail licensee in cash on or before delivery of the beer, and unless the purchase price payable by a retail licensee for beer sold to him in returnable bottles shall expressly include a charge for the bottles and cases, the retail licensee shall, on or before delivery of such beer, pay the seller in cash a deposit in an amount not less than the deposit required to be paid by the distributor to the brewer; but where the brewer sells direct to the retailer, the deposit shall be an amount no less than that required by the brewer from his own distributors; and provided further, that in no instance shall this deposit be less than 50 cents for each case of beer in pint or smaller bottles and 60 cents for each case of beer in quart or half-gallon bottles; and provided further, that the purchase price of all beer sold to an importing distributor or distributor shall be paid by such importing distributor or distributor in cash on or before the 15th day (Sundays and holidays excepted) after delivery of such beer to such purchaser; and unless the purchase price payable by such importing distributor or distributor for beer sold in returnable bottles and cases shall expressly include a charge for the bottles and cases, such importing distributor or distributor shall, on or before the 15th day (Sundays and holidays excepted) after delivery of such beer to such purchaser, pay the seller in cash a required amount as a deposit to assure the return of such bottles and cases. Nothing herein contained shall prohibit any licensee from
crediting or refunding to a purchaser the actual amount of money paid for bottles, cases, kegs or barrels returned by the purchaser to the seller or paid by the purchaser as a deposit on bottles, cases, kegs or barrels, when such containers or packages are returned to the seller. Nothing herein contained shall prohibit any manufacturer, importing distributor or distributor from extending usual and customary credit for alcoholic liquor sold to customers or purchasers who live in or maintain places of business outside of this State when such alcoholic liquor is actually transported and delivered to such points outside of this State.

A manufacturer, distributor, or importing distributor may furnish free social media advertising to a retail licensee if the social media advertisement does not contain the retail price of any alcoholic liquor and the social media advertisement complies with any applicable rules or regulations issued by the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury. A manufacturer, distributor, or importing distributor may list the names of one or more unaffiliated retailers in the advertisement of alcoholic liquor through social media. Nothing in this Section shall prohibit a retailer from communicating with a manufacturer, distributor, or importing distributor on social media or sharing media on the social media of a manufacturer, distributor, or importing distributor. A retailer may request free social media
advertising from a manufacturer, distributor, or importing distributor. Nothing in this Section shall prohibit a manufacturer, distributor, or importing distributor from sharing, reposting, or otherwise forwarding a social media post by a retail licensee, so long as the sharing, reposting, or forwarding of the social media post does not contain the retail price of any alcoholic liquor. No manufacturer, distributor, or importing distributor shall pay or reimburse a retailer, directly or indirectly, for any social media advertising services, except as specifically permitted in this Act. No retailer shall accept any payment or reimbursement, directly or indirectly, for any social media advertising services offered by a manufacturer, distributor, or importing distributor, except as specifically permitted in this Act. For the purposes of this Section, "social media" means a service, platform, or site where users communicate with one another and share media, such as pictures, videos, music, and blogs, with other users free of charge.

No right of action shall exist for the collection of any claim based upon credit extended to a distributor, importing distributor or retail licensee contrary to the provisions of this Section.

Every manufacturer, importing distributor and distributor shall submit or cause to be submitted, to the State Commission, in triplicate, not later than Thursday of each calendar week, a verified written list of the names and
respective addresses of each retail licensee purchasing spirits or wine from such manufacturer, importing distributor or distributor who, on the first business day of that calendar week, was delinquent beyond the above mentioned permissible merchandising credit period of 30 days; or, if such is the fact, a verified written statement that no retail licensee purchasing spirits or wine was then delinquent beyond such permissible merchandising credit period of 30 days.

Every manufacturer, importing distributor and distributor shall submit or cause to be submitted, to the State Commission, in triplicate, a verified written list of the names and respective addresses of each previously reported delinquent retail licensee who has cured such delinquency by payment, which list shall be submitted not later than the close of the second full business day following the day such delinquency was so cured.

Such written verified reports required to be submitted by this Section shall be posted by the State Commission in each of its offices in places available for public inspection not later than the day following receipt thereof by the Commission. The reports so posted shall constitute notice to every manufacturer, importing distributor and distributor of the information contained therein. Actual notice to manufacturers, importing distributors and distributors of the information contained in any such posted reports, however received, shall also constitute notice of such information.
The 30 day merchandising credit period allowed by this Section shall commence with the day immediately following the date of invoice and shall include all successive days including Sundays and holidays to and including the 30th successive day.

In addition to other methods allowed by law, payment by check or credit card during the period for which merchandising credit may be extended under the provisions of this Section shall be considered payment. All checks received in payment for alcoholic liquor shall be promptly deposited for collection. A post dated check or a check dishonored on presentation for payment shall not be deemed payment.

A credit card payment in dispute by a retailer shall not be deemed payment, and the debt uncured for merchandising credit shall be reported as delinquent. Nothing in this Section shall prevent a distributor, self-distributing manufacturer, or importing distributor from assessing a usual and customary transaction fee representative of the actual finance charges incurred for processing a credit card payment. This transaction fee shall be disclosed on the invoice. It shall be considered unlawful for a distributor, importing distributor, or self-distributing manufacturer to waive finance charges for retailers.

A retail licensee shall not be deemed to be delinquent in payment for any alleged sale to him of alcoholic liquor when there exists a bona fide dispute between such retailer and a
manufacturer, importing distributor or distributor with respect to the amount of indebtedness existing because of such alleged sale. A retail licensee shall not be deemed to be delinquent under this provision and 11 Ill. Adm. Code 100.90 until 30 days after the date on which the region in which the retail licensee is located enters Phase 4 of the Governor's Restore Illinois Plan as issued on May 5, 2020.

A delinquent retail licensee who engages in the retail liquor business at 2 or more locations shall be deemed to be delinquent with respect to each such location.

The license of any person who violates any provision of this Section shall be subject to suspension or revocation in the manner provided by this Act.

If any part or provision of this Article or the application thereof to any person or circumstances shall be adjudged invalid by a court of competent jurisdiction, such judgment shall be confined by its operation to the controversy in which it was mentioned and shall not affect or invalidate the remainder of this Article or the application thereof to any other person or circumstance and to this and the provisions of this Article are declared severable.
