

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The School Code is amended by changing Section 10-17a as follows:

(105 ILCS 5/10-17a) (from Ch. 122, par. 10-17a)

Sec. 10-17a. State, school district, and school report cards.

(1) By October 31, 2013 and October 31 of each subsequent school year, the State Board of Education, through the State Superintendent of Education, shall prepare a State report card, school district report cards, and school report cards, and shall by the most economic means provide to each school district in this State, including special charter districts and districts subject to the provisions of Article 34, the report cards for the school district and each of its schools.

(2) In addition to any information required by federal law, the State Superintendent shall determine the indicators and presentation of the school report card, which must include, at a minimum, the most current data collected and maintained by the State Board of Education related to the following:

(A) school characteristics and student demographics,

including average class size, average teaching experience, student racial/ethnic breakdown, and the percentage of students classified as low-income; the percentage of students classified as English learners; the percentage of students who have individualized education plans or 504 plans that provide for special education services; the number and percentage of all students who have been assessed for placement in a gifted education or advanced academic program and, of those students: (i) the racial and ethnic breakdown, (ii) the percentage who are classified as low-income, and (iii) the number and percentage of students who received direct instruction from a teacher who holds a gifted education endorsement and, of those students, the percentage who are classified as low-income; the percentage of students scoring at the "exceeds expectations" level on the assessments required under Section 2-3.64a-5 of this Code; the percentage of students who annually transferred in or out of the school district; average daily attendance; the per-pupil operating expenditure of the school district; and the per-pupil State average operating expenditure for the district type (elementary, high school, or unit);

(B) curriculum information, including, where applicable, Advanced Placement, International Baccalaureate or equivalent courses, dual enrollment courses, foreign language classes, computer science

courses, school personnel resources (including Career Technical Education teachers), before and after school programs, extracurricular activities, subjects in which elective classes are offered, health and wellness initiatives (including the average number of days of Physical Education per week per student), approved programs of study, awards received, community partnerships, and special programs such as programming for the gifted and talented, students with disabilities, and work-study students;

(C) student outcomes, including, where applicable, the percentage of students deemed proficient on assessments of State standards, the percentage of students in the eighth grade who pass Algebra, the percentage of students who participated in workplace learning experiences, the percentage of students enrolled in post-secondary institutions (including colleges, universities, community colleges, trade/vocational schools, and training programs leading to career certification within 2 semesters of high school graduation), the percentage of students graduating from high school who are college and career ready, and the percentage of graduates enrolled in community colleges, colleges, and universities who are in one or more courses that the community college, college, or university identifies as a developmental course;

(D) student progress, including, where applicable, the

percentage of students in the ninth grade who have earned 5 credits or more without failing more than one core class, a measure of students entering kindergarten ready to learn, a measure of growth, and the percentage of students who enter high school on track for college and career readiness;

(E) the school environment, including, where applicable, the percentage of students with less than 10 absences in a school year, the percentage of teachers with less than 10 absences in a school year for reasons other than professional development, leaves taken pursuant to the federal Family Medical Leave Act of 1993, long-term disability, or parental leaves, the 3-year average of the percentage of teachers returning to the school from the previous year, the number of different principals at the school in the last 6 years, the number of teachers who hold a gifted education endorsement, the process and criteria used by the district to determine whether a student is eligible for participation in a gifted education program or advanced academic program and the manner in which parents and guardians are made aware of the process and criteria, the number of teachers who are National Board Certified Teachers, disaggregated by race and ethnicity, 2 or more indicators from any school climate survey selected or approved by the State and administered pursuant to Section 2-3.153 of this Code, with the same or similar

indicators included on school report cards for all surveys selected or approved by the State pursuant to Section 2-3.153 of this Code, and the combined percentage of teachers rated as proficient or excellent in their most recent evaluation;

(F) a school district's and its individual schools' balanced accountability measure, in accordance with Section 2-3.25a of this Code;

(G) the total and per pupil normal cost amount the State contributed to the Teachers' Retirement System of the State of Illinois in the prior fiscal year for the school's employees, which shall be reported to the State Board of Education by the Teachers' Retirement System of the State of Illinois;

(H) for a school district organized under Article 34 of this Code only, State contributions to the Public School Teachers' Pension and Retirement Fund of Chicago and State contributions for health care for employees of that school district;

(I) a school district's Final Percent of Adequacy, as defined in paragraph (4) of subsection (f) of Section 18-8.15 of this Code;

(J) a school district's Local Capacity Target, as defined in paragraph (2) of subsection (c) of Section 18-8.15 of this Code, displayed as a percentage amount;

(K) a school district's Real Receipts, as defined in

paragraph (1) of subsection (d) of Section 18-8.15 of this Code, divided by a school district's Adequacy Target, as defined in paragraph (1) of subsection (b) of Section 18-8.15 of this Code, displayed as a percentage amount;

(L) a school district's administrative costs;

(M) whether or not the school has participated in the Illinois Youth Survey. In this paragraph (M), "Illinois Youth Survey" means a self-report survey, administered in school settings every 2 years, designed to gather information about health and social indicators, including substance abuse patterns and the attitudes of students in grades 8, 10, and 12; and

(N) whether the school offered its students career and technical education opportunities.

The school report card shall also provide information that allows for comparing the current outcome, progress, and environment data to the State average, to the school data from the past 5 years, and to the outcomes, progress, and environment of similar schools based on the type of school and enrollment of low-income students, special education students, and English learners.

As used in this subsection (2):

"Administrative costs" means costs associated with executive, administrative, or managerial functions within the school district that involve planning, organizing, managing, or directing the school district.

"Advanced academic program" means a course of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace.

"Computer science" means the study of computers and algorithms, including their principles, their hardware and software designs, their implementation, and their impact on society. "Computer science" does not include the study of everyday uses of computers and computer applications, such as keyboarding or accessing the Internet.

"Gifted education" means educational services, including differentiated curricula and instructional methods, designed to meet the needs of gifted children as defined in Article 14A of this Code.

For the purposes of paragraph (A) of this subsection (2), "average daily attendance" means the average of the actual number of attendance days during the previous school year for any enrolled student who is subject to compulsory attendance by Section 26-1 of this Code at each school and charter school.

(3) At the discretion of the State Superintendent, the school district report card shall include a subset of the information identified in paragraphs (A) through (E) of subsection (2) of this Section, as well as information relating to the operating expense per pupil and other finances

of the school district, and the State report card shall include a subset of the information identified in paragraphs (A) through (E) and paragraph (N) of subsection (2) of this Section. The school district report card shall include the average daily attendance, as that term is defined in subsection (2) of this Section, of students who have individualized education programs and students who have 504 plans that provide for special education services within the school district.

(4) Notwithstanding anything to the contrary in this Section, in consultation with key education stakeholders, the State Superintendent shall at any time have the discretion to amend or update any and all metrics on the school, district, or State report card.

(5) Annually, no more than 30 calendar days after receipt of the school district and school report cards from the State Superintendent of Education, each school district, including special charter districts and districts subject to the provisions of Article 34, shall present such report cards at a regular school board meeting subject to applicable notice requirements, post the report cards on the school district's Internet web site, if the district maintains an Internet web site, make the report cards available to a newspaper of general circulation serving the district, and, upon request, send the report cards home to a parent (unless the district does not maintain an Internet web site, in which case the

report card shall be sent home to parents without request). If the district posts the report card on its Internet web site, the district shall send a written notice home to parents stating (i) that the report card is available on the web site, (ii) the address of the web site, (iii) that a printed copy of the report card will be sent to parents upon request, and (iv) the telephone number that parents may call to request a printed copy of the report card.

(6) Nothing contained in Public Act 98-648 repeals, supersedes, invalidates, or nullifies final decisions in lawsuits pending on July 1, 2014 (the effective date of Public Act 98-648) in Illinois courts involving the interpretation of Public Act 97-8.
