

AN ACT concerning local government.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Retailers' Occupation Tax Act is amended by changing Sections 1, 2-5, and 3 as follows:

(35 ILCS 120/1) (from Ch. 120, par. 440)

Sec. 1. Definitions. "Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced byproduct of manufacturing. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price shall be deemed to be sales.

"Sale at retail" shall be construed to include any

transfer of the ownership of or title to tangible personal property to a purchaser, for use or consumption by any other person to whom such purchaser may transfer the tangible personal property without a valuable consideration, and to include any transfer, whether made for or without a valuable consideration, for resale in any form as tangible personal property unless made in compliance with Section 2c of this Act.

Sales of tangible personal property, which property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, goes into and forms a part of tangible personal property subsequently the subject of a "Sale at retail", are not sales at retail as defined in this Act: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing.

"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant,

cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the

extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. The provisions of this paragraph shall not apply to nor subject to taxation occasional dinners, socials or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not engaged in the business of selling tangible personal property at retail with respect to such transactions.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of or title to tangible personal property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the business of selling or delivering or transferring title of motor fuel to another person other than for use or consumption. No person shall act as a reseller of motor fuel within this State without first being registered as a reseller

pursuant to Section 2c or a retailer pursuant to Section 2a.

"Selling price" or the "amount of sale" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property, other than as hereinafter provided, and services, but, prior to January 1, 2020, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds \$10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include charges that are added to prices by sellers on account of the seller's tax liability under this Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by the Use Tax Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local

use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the sellers' duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle

that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by the Use Tax Act or to pay the tax imposed by this Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with

respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this

Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Gross receipts" from the sales of tangible personal property at retail means the total selling price or the amount of such sales, as hereinbefore defined. In the case of charge and time sales, the amount thereof shall be included only as and when payments are received by the seller. Receipts or other consideration derived by a seller from the sale, transfer or assignment of accounts receivable to a wholly owned subsidiary will not be deemed payments prior to the time the purchaser makes payment on such accounts.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail, or a sale through a bulk vending machine, does not constitute engaging in a business of selling such tangible personal property at retail within the meaning of this Act; provided that any person who is engaged in a business which is not subject to the tax imposed by this Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate or a construction contract to engineer, install, and maintain an integrated system of products, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate or was not engineered and installed, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is engaged in the business of selling tangible personal

property at retail to the extent of the value of the tangible personal property so transferred. If, in such a transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purpose of this Act, shall be the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property. Construction contracts for the improvement of real estate consisting of engineering, installation, and maintenance of voice, data, video, security, and all telecommunication systems do not constitute engaging in a business of selling tangible personal property at retail within the meaning of this Act if they are sold at one specified contract price.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a person engaged in the business of selling tangible personal property at retail hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal

property that are sold at retail.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are engaged in the business of selling such property at retail and shall be liable for and shall pay the tax imposed by this Act on the basis of the retail value of the property transferred upon redemption of such stamps.

"Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a denomination not larger than \$0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

"Remote retailer" means a retailer that does not maintain within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent is located here permanently or temporarily or whether such retailer or subsidiary is licensed to do business in this State.

"Marketplace" means a physical or electronic place, forum, platform, application, or other method by which a marketplace seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to

an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third party marketplace seller by:

(1) listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Act; and

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

A person who provides advertising services, including listing products for sale, is not considered a marketplace facilitator, so long as the advertising service platform or forum does not engage, directly or indirectly through one or more affiliated persons, in the activities described in paragraph (2) of this definition of "marketplace facilitator".

"Marketplace facilitator" does not include any person licensed under the Auction License Act. This exemption does not apply to any person who is an Internet auction listing service, as defined by the Auction License Act.

"Marketplace seller" means a person that makes sales through a marketplace operated by an unrelated third party marketplace facilitator.

(1) Farm chemicals.

(2) Farm machinery and equipment, both new and used, including that manufactured on special order, certified by the purchaser to be used primarily for production agriculture or State or federal agricultural programs, including individual replacement parts for the machinery and equipment, including machinery and equipment purchased for lease, and including implements of husbandry defined in Section 1-130 of the Illinois Vehicle Code, farm machinery and agricultural chemical and fertilizer spreaders, and nurse wagons required to be registered under Section 3-809 of the Illinois Vehicle Code, but excluding other motor vehicles required to be registered under the Illinois Vehicle Code. Horticultural polyhouses or hoop houses used for propagating, growing, or overwintering plants shall be considered farm machinery and equipment under this item (2). These organizations include, but are not limited to, music and dramatic arts organizations such as symphony orchestras and theatrical groups, arts and cultural service organizations, local arts councils, visual arts organizations, and media arts organizations. On and after July 1, 2001 (the effective date of Public Act 92-35), however, an entity otherwise eligible for this exemption shall not make tax-free purchases unless it has an active identification number issued by the Department.

(10) Personal property sold by a corporation, society, association, foundation, institution, or organization, other than a limited liability company, that is organized and operated as a not-for-profit service enterprise for the benefit of persons 65 years of age or older if the personal property was not purchased by the enterprise for the purpose of resale by the enterprise.

A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes. On and after July 1, 1987, however, no entity otherwise eligible for this exemption shall make tax-free purchases unless it has an active identification number issued by the Department.

(12) (Blank).

Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption

otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(13) Proceeds from sales to owners, lessors, or shippers of tangible personal property that is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(14) Machinery and equipment that will be used by the purchaser, or a lessee of the purchaser, primarily in the process of manufacturing or assembling tangible personal property for wholesale or retail sale or lease, whether the sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether the sale or lease is made apart from or as an incident to the seller's engaging in the service occupation of producing machines, tools, dies, jigs, patterns, gauges, or other similar items of no commercial value on special order for a particular purchaser. (17) Tangible personal property sold to a common

carrier by rail or motor that receives the physical possession of the property in Illinois and that transports the property, or shares with another common carrier in the transportation of the property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of the property to a destination outside Illinois, for use outside Illinois.

(20) Photoprocessing machinery and equipment, including repair and replacement parts, both new and used, including that manufactured on special order, certified by the purchaser to be used primarily for photoprocessing, and including photoprocessing machinery and equipment

purchased for lease.

(21) Until July 1, 2023, coal and aggregate exploration, mining, off-highway hauling, processing, maintenance, and reclamation equipment, including replacement parts and equipment, and including equipment purchased for lease, but excluding motor vehicles required to be registered under the Illinois Vehicle Code. The changes made to this Section by Public Act 97-767 apply on and after July 1, 2003, but no claim for credit or refund is allowed on or after August 16, 2013 (the effective date of Public Act 98-456) for such taxes paid during the period beginning July 1, 2003 and ending on August 16, 2013 (the effective date of Public Act 98-456).

(22) Until June 30, 2013, fuel and petroleum products sold to or used by an air carrier, certified by the carrier to be used for consumption, shipment, or storage in the conduct of its business as an air common carrier, for a flight destined for or returning from a location or locations outside the United States without regard to previous or subsequent domestic stopovers.

Beginning July 1, 2013, fuel and petroleum products sold to or used by an air carrier, certified by the carrier to be used for consumption, shipment, or storage in the conduct of its business as an air common carrier, for a flight that (i) is engaged in foreign trade or is engaged in trade between the United States and any of its

possessions and (ii) transports at least one individual or package for hire from the city of origination to the city of final destination on the same aircraft, without regard to a change in the flight number of that aircraft.

(23) A transaction in which the purchase order is received by a florist who is located outside Illinois, but who has a florist located in Illinois deliver the property to the purchaser or the purchaser's donee in Illinois.

(24) Fuel consumed or used in the operation of ships, barges, or vessels that are used primarily in or for the transportation of property or the conveyance of persons for hire on rivers bordering on this State if the fuel is delivered by the seller to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river.

(25) Except as provided in item (25-5) of this Section, a motor vehicle sold in this State to a nonresident even though the motor vehicle is delivered to the nonresident in this State, if the motor vehicle is not to be titled in this State, and if a drive-away permit is issued to the motor vehicle as provided in Section 3-603 of the Illinois Vehicle Code or if the nonresident purchaser has vehicle registration plates to transfer to the motor vehicle upon returning to his or her home state. The issuance of the drive-away permit or having the out-of-state registration plates to be transferred is prima facie evidence that the motor vehicle will not be

titled in this State.

(25-5) The exemption under item (25) does not apply if the state in which the motor vehicle will be titled does not allow a reciprocal exemption for a motor vehicle sold and delivered in that state to an Illinois resident but titled in Illinois. The tax collected under this Act on the sale of a motor vehicle in this State to a resident of another state that does not allow a reciprocal exemption shall be imposed at a rate equal to the state's rate of tax on taxable property in the state in which the purchaser is a resident, except that the tax shall not exceed the tax that would otherwise be imposed under this Act. At the time of the sale, the purchaser shall execute a statement, signed under penalty of perjury, of his or her intent to title the vehicle in the state in which the purchaser is a resident within 30 days after the sale and of the fact of the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this item shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles

the vehicle in his or her state of residence within 30 days after the date of sale. The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(25-7) Beginning on July 1, 2007, no tax is imposed under this Act on the sale of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, if all of the following conditions are met:

(1) the aircraft leaves this State within 15 days after the later of either the issuance of the final billing for the sale of the aircraft, or the authorized approval for return to service, completion of the maintenance record entry, and completion of the test flight and ground test for inspection, as required by 14 C.F.R. 91.407;

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

(3) the seller retains in his or her books and records and provides to the Department a signed and dated certification from the purchaser, on a form prescribed by the Department, certifying that the requirements of this item (25-7) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of

the primary physical location of the aircraft, and other information that the Department may reasonably require.

For purposes of this item (25-7):

"Based in this State" means hangared, stored, or otherwise used, excluding post-sale customizations as defined in this Section, for 10 or more days in each 12-month period immediately following the date of the sale of the aircraft.

"Registered in this State" means an aircraft registered with the Department of Transportation, Aeronautics Division, or titled or registered with the Federal Aviation Administration to an address located in this State.

(27) Horses, or interests in horses, registered with and meeting the requirements of any of the Arabian Horse Club Registry of America, Appaloosa Horse Club, American Quarter Horse Association, United States Trotting Association, or Jockey Club, as appropriate, used for purposes of breeding or racing for prizes. This item (27) is exempt from the provisions of Section 2-70, and the exemption provided for under this item (27) applies for

all periods beginning May 30, 1995, but no claim for credit or refund is allowed on or after January 1, 2008 (the effective date of Public Act 95-88) for such taxes paid during the period beginning May 30, 2000 and ending on January 1, 2008 (the effective date of Public Act 95-88).

(28) Computers and communications equipment utilized for any hospital purpose and equipment used in the diagnosis, analysis, or treatment of hospital patients sold to a lessor who leases the equipment, under a lease of one year or longer executed or in effect at the time of the purchase, to a hospital that has been issued an active tax exemption identification number by the Department under Section 1g of this Act.

(29) Personal property sold to a lessor who leases the property, under a lease of one year or longer executed or in effect at the time of the purchase, to a governmental body that has been issued an active tax exemption identification number by the Department under Section 1g of this Act.

(30) Beginning with taxable years ending on or after December 31, 1995 and ending with taxable years ending on or before December 31, 2004, personal property that is donated for disaster relief to be used in a State or federally declared disaster area in Illinois or bordering Illinois by a manufacturer or retailer that is registered

in this State to a corporation, society, association, foundation, or institution that has been issued a sales tax exemption identification number by the Department that assists victims of the disaster who reside within the declared disaster area.

Data centers that would have qualified for a certificate of exemption prior to January 1, 2020 had this amendatory Act of the 101st General Assembly been in effect, may apply for and obtain an exemption for subsequent purchases of computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the original investment that would have qualified.

The Department of Commerce and Economic Opportunity

shall grant a certificate of exemption under this item (44) to qualified data centers as defined by Section 605-1025 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

qualified tangible personal property to generate, transform, transmit, distribute, or manage electricity necessary to operate qualified tangible personal property; and all other tangible personal property that is essential to the operations of a computer data center. The term "qualified tangible personal property" also includes building materials physically incorporated in to the qualifying data center. To document the exemption allowed under this Section, the retailer must obtain from the purchaser a copy of the certificate of eligibility issued by the Department of Commerce and Economic Opportunity.

This item (44) is exempt from the provisions of Section 2-70.

(45) Beginning January 1, 2020 and through December 31, 2020, sales of tangible personal property made by a marketplace seller over a marketplace for which tax is due under this Act but for which use tax has been collected and remitted to the Department by a marketplace facilitator under Section 2d of the Use Tax Act are exempt from tax under this Act. A marketplace seller claiming this exemption shall maintain books and records demonstrating that the use tax on such sales has been collected and remitted by a marketplace facilitator. Marketplace sellers that have properly remitted tax under this Act on such sales may file a claim for credit as provided in Section 6

of this Act. No claim is allowed, however, for such taxes for which a credit or refund has been issued to the marketplace facilitator under the Use Tax Act, or for which the marketplace facilitator has filed a claim for credit or refund under the Use Tax Act.

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar

month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department may require.

On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after

the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchaser Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including

any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate

aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the

month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less

than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation

and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest

whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act,

such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft,

motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such

transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft

or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure

will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before

the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly

accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. On and after January 1, 2021, a certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act

shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service

Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month

during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in

the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section,

then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to

22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the

preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the

Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall

pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the

revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of

candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed \$2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this

paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

| Fiscal Year | Annual Specified Amount |
|-------------|-------------------------|
| 1986        | \$54,800,000            |

| 1993        | \$206,520,000;          |

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for

such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall

reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

and

each fiscal year  
thereafter that bonds  
are outstanding under  
Section 13.2 of the  
Metropolitan Pier and  
Exposition Authority Act,  
but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition

Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling

price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to

fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a public-private agreement between the public agency and private entity and completion of the civic build, beginning on July 1, 2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private

Partnership for Civic and Transit Infrastructure Project Act. The moneys received by the Department pursuant to this Act and required to be deposited into the Civic and Transit Infrastructure Fund are subject to the pledge, claim and charge set forth in Section 25-55 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act. As used in this paragraph, "civic build", "private entity", "public-private agreement", and "public agency" have the meanings provided in Section 25-10 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. of the Motor Fuel Tax Act, and "gasohol" has the meaning given to that term in Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the

retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions

or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the

business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 10. The Leveling the Playing Field for Illinois Retail Act is amended by changing Sections 5-5 and 5-25 as follows:

(35 ILCS 185/5-5)

Sec. 5-5. Findings. The General Assembly finds that certified service providers and certified automated systems simplify use and occupation tax compliance for remote retailers, which fosters higher levels of accurate tax collection and remittance and generates administrative savings and new marginal tax revenue for both State and local taxing jurisdictions. By making the services of certified service providers and certified automated systems available to remote

retailers ~~without charge, other than their retailer customer's retail discount,~~ as provided in this Act, the State will substantially eliminate the burden on those remote retailers to collect and remit both State and local taxing jurisdiction use and occupation taxes. While providing a means for remote retailers to collect and remit tax on an even basis with Illinois retailers, this Act also protects existing local tax revenue streams by retaining origin sourcing for all transactions by retailers maintaining a physical presence in Illinois.

Sec. 5-25. Certification.

(a) The Department shall, no later than July 1, 2020:

(1) establish uniform minimum standards that companies wishing to be designated as a certified service provider in this State must meet;

(2) establish uniform minimum standards that certified automated systems must meet;

(3) establish a certification process to review the systems of companies wishing to be designated as a certified service provider in this State or of companies wishing to use a certified automated process; this certification process shall provide that companies that meet all required standards and whose systems have been

tested and approved by the Department for properly determining the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted, shall be certified;

(4) enter into a contractual relationship with each company that qualifies as a certified service provider ~~or that will be using a certified automated system~~; those contracts shall, at a minimum, provide:

(A) that the certified service provider shall be held liable for the tax imposed under this Act and the Use Tax Act and all applicable local occupation taxes administered by the Department if the certified service provider fails to correctly remit the tax after having been provided with the tax and information by a remote retailer to correctly remit the taxes imposed under this Act and the Use Tax Act and all applicable local occupation taxes administered by the Department; if the certified service provider demonstrates to the satisfaction of the Department that its failure to correctly remit tax on a retail sale resulted from the certified service provider's good faith reliance on incorrect or insufficient information provided by the remote retailer, the certified service provider shall be relieved of liability for the tax on that retail sale; in that

case, the remote retailer is liable for any resulting tax due;

(B) the responsibilities of the certified service provider and the remote retailers that contract with the certified service provider ~~or the user of a certified automated system~~ related to record keeping and auditing consistent with requirements imposed under the Retailers' Occupation Tax Act and the Use Tax Act;

(C) for the protection and confidentiality of tax information consistent with requirements imposed under the Retailers' Occupation Tax Act and the Use Tax Act;

(D) that a certified service provider may claim the discount provided for in Section 3 of the Retailers' Occupation Tax Act for the tax dollars it collects and timely remits on returns that are timely filed with the Department on behalf of remote retailers; remote retailers using a certified service provider may not claim the discount allowed in Section 3 of the Retailers' Occupation Tax Act with respect to those collections ~~compensation equal to 1.75% of the tax dollars collected and remitted to the State by a certified service provider on a timely basis, along with a return that has been timely filed, on behalf of remote retailers; remote retailers using a certified service provider may not claim the vendor's discount~~

~~allowed under the Retailers' Occupation Tax Act or the Service Occupation Tax Act; and~~

(E) that the certified service provider shall file a separate return for each remote retailer with which it has a Tax Remittance Agreement.

The provisions of this Section shall supersede the provisions of the Illinois Procurement Code.

(b) The Department may act jointly with other states to establish the minimum standards and process for certification required by paragraphs (1), (2), and (3) of subsection (a).

(c) When the systems of a certified service provider or certified automated systems are updated or upgraded, they must be recertified by the Department. Notification of changes shall be provided to the Department prior to implementation. Upon receipt of such notification, the Department shall review and test the changes to assess whether the updated system of the certified service provider or the updated certified automated system can properly determine the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted. The Department shall recertify updated systems that meet these requirements. The certified service provider or retailer using a certified automated system shall be liable for any tax resulting from errors caused by use of an updated or upgraded system prior to recertification by the Department. In addition to these procedures, the Department

may periodically review the system of a certified service provider or the certified automated system used by a retailer to ensure that the system can properly determine the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted.
