In collecting and maintaining information under this Section, the Department shall give consideration to cost-effective appropriate services for individuals.

(b) This amendatory Act of the 93rd General Assembly does not create any new entitlement to a service, program, or benefit, but shall not affect any entitlement to a service, program, or benefit created by any other law. Except for a service, program, or benefit that is an entitlement, a service, program, or benefit provided as a result of the collection and maintenance of the disability database shall be subject to appropriations made by the General Assembly.

(c) The Department, consistent with applicable federal and State law, shall make general information from the disability database available to the public such as: (i) the number of individuals potentially in need of each type of service, program, or benefit and (ii) the general characteristics of those individuals. The Department shall protect the confidentiality of each individual in the database when releasing database information by not disclosing any personally identifying information.
