Code.

(c-10) (1) An applicant, who is denied, revoked, or has his or her Firearm Owner's Identification Card seized under subsection (e) of Section 8 of this Act based upon a determination of a developmental disability or an intellectual disability may apply to the Director of State Police requesting relief.

(2) The Director shall act on the request for relief within 60 business days of receipt of written certification, in the form prescribed by the Director, from a physician or clinical psychologist, or qualified examiner, that the aggrieved party's developmental disability or intellectual disability condition is determined by a physician, clinical psychologist, or qualified to be mild. If a fact-finding conference is scheduled to obtain additional information concerning the circumstances of the denial or revocation, the 60 business days the Director has to act shall be tolled until the completion of the fact-finding conference.

(3) The Director may grant relief if the aggrieved party's developmental disability or intellectual disability is mild as determined by a physician, clinical psychologist, or qualified examiner and it is established by the applicant to the Director's satisfaction that:

(A) granting relief would not be contrary to the public interest; and

(B) granting relief would not be contrary to federal

law.

(4) The Director may not grant relief if the condition is determined by a physician, clinical psychologist, or qualified examiner to be moderate, severe, or profound.

(5) The changes made to this Section by this amendatory Act of the 99th General Assembly apply to requests for relief pending on or before the effective date of this amendatory Act, except that the 60-day period for the Director to act on requests pending before the effective date shall begin on the effective date of this amendatory Act.

(e) The court shall review the denial of an application or the revocation of a Firearm Owner's Identification Card of a person who has been adjudicated delinquent for an offense that if committed by an adult would be a felony if an application for relief has been filed at least 10 years after the adjudication of delinquency and the court determines that the applicant should be granted relief from disability to obtain a Firearm Owner's Identification Card. If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is subject to the disabilities of 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act

The Director shall grant the relief if it is established by a preponderance of the evidence that the person will not be likely to act in a manner dangerous to public safety and that granting relief would not be contrary to the public interest. In making this determination, the Director shall receive evidence concerning (i) the circumstances regarding the firearms disabilities from which relief is sought; (ii) the petitioner's mental health and criminal history records, if any; (iii) the petitioner's reputation, developed at a minimum through character witness statements, testimony, or other character evidence; and (iv) changes in the petitioner's condition or circumstances since the disqualifying events relevant to the relief sought.
