ARTICLE 85

Section 1. Purpose. This Act makes appropriations and reappropriations for State fiscal year 2017. Article 86 contains reappropriations of certain appropriations and reappropriations from State fiscal year 2015 as provided in Public Act 98-0679, as may have been reappropriated for State fiscal year 2016 by a Public Act of the 99th General Assembly. To the extent that such a Public Act has not been enacted, Article 87 contains appropriations of identical amounts and purposes to those in Article 86 but as new appropriations rather than as reappropriations. Section 99 of Article 999 sets forth an effective date that causes Article 86 to become effective if, and only if, an applicable Public Act of the 99th General Assembly should be enacted; should such not be enacted, the Section causes Article 87 to become effective.

Section 1. Purpose. This Act makes appropriations and reappropriations for State fiscal year 2017. Article 110 contains reappropriations of certain appropriations and reappropriations from State fiscal year 2015 as provided in Public Act 98-0681, as may have been reappropriated for State fiscal year 2016 by a Public Act of the 99th General Assembly. To the extent that such a Public Act has not been enacted, Article 111 contains appropriations of identical amounts and purposes to those in Article 110 but as new appropriations rather than as reappropriations. Section 99 of Article 999 sets forth an effective date that causes Article 110 to become effective if, and only if, an applicable Public Act of the 99th General Assembly should be enacted; should such not be enacted, the Section causes Article 111 to become effective.
