Greetings Governor Pritzker, members of the General Assembly, and ILETSB Board;

As recipients of an in-car video system in FY2020, the Stickney Police Department is providing our annual report pursuant to 50 ILCS 707/15.

The Stickney Police Department received grant funding for one (1) in-car video system. This system was placed in Stickney Unit 147.

Review and accessibility to recordings is limited. Patrol officers have the capability to review recordings made only by them. Deputy Chiefs have access to all recordings and provide them to supervisors upon request.

An excel spreadsheet listing cases in which recordings from Squad 147 were utilized are being forwarded for your review along with this report.

Please don't hesitate to contact me or Deputy Chief Richard Jaczak with any questions or concerns.

Respectfully submitted,
