Re: Illinois Power Agency FY2021 Minority Outreach Report

Dear Clerk Hollman and Secretary Anderson:

Pursuant to Section 1-127(d) of the Illinois Power Agency Act (20 ILCS 3855), the Illinois Power Agency ("IPA") hereby submits its FY2021 Minority Outreach Report.

While the IPA did not issue any solicitations for Professional Services during Fiscal Year 2021 the IPA is strongly committed to conducting outreach to eligible minority owned, female owned, and persons with disabilities owned businesses for the IPA's procurement of consulting services, the purchase of goods and services, and other contracting needs.

Among the IPA's objectives for the next fiscal year and beyond is to increase, where possible, access to economic opportunities for business enterprises owned by minorities, women, persons with disabilities, and U.S. military veterans—specifically by advertising as needed in periodicals, newspapers, mailings, and using other forms of media.
