State of Illinois - Governor's Office of Management and Budget Partial Statement of Revenues, Expenditures and Transfers - UNAUDITED

Fiscal Year to Date September 30, 2022 (Expressed in Thousands)

Report Purpose

The quarterly statement of revenues, expenditures, and transfers report is prepared by the Governor's Office of Management and Budget (GOMB) pursuant to 15 ILCS 20/50-5. GOMB also posts a statutorily required quarterly report containing only the State's General Funds. Both reports are compiled on a cash basis. This report does not take into account any uncleared transfers in the queue, which may cause numbers to differ between these statements.

Management Assumptions

This report is unaudited. It uses revenues and expenditures which are based on information available to GOMB from the Illinois Office of the Comptroller at the time it is prepared. Information contained in this report may differ from audited financial statements of the same period and released at a later date. Other state agencies may report financial information periodically throughout the year and at year end. This report is not intended to replace or supplement the financial reporting of any other state agencies. The data contained within this report may not correlate with the information contained in the reports of other agencies due to a variety of factors, including but not limited to, differences in timing of transactions, basis of accounting, fund inclusion or exclusion, or changes in estimates. This report was designed to capture the most significant operating activities of the state, therefore bond-financed funds were excluded.
