INDEPENDENT AUDITOR'S REPORT

Honorable Frank J. Mautino
Auditor General
State of Illinois

Report on the Audit of the Financial Statements

Opinions

As Special Assistant Auditors for the Auditor General, we have audited the accompanying cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the DeKalb County Regional Office of Education No. 16, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the DeKalb County Regional Office of Education No. 16's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the DeKalb County Regional Office of Education No. 16, as of June 30, 2023, and the respective changes in cash basis financial position thereof for the year then ended in accordance with the cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Regional Office of Education No. 16, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter-Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Regional Office of Education No. 16's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Regional Office of Education No. 16's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole that collectively comprise the DeKalb County Regional Office of Education No. 16's basic financial statements. The combining schedule of accounts, the budgetary comparison schedules, the combining fund financial statements, and the Schedule of Disbursements to Other Entities – Distributive Fund are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the cash basis combining schedule of accounts, the budgetary comparison schedules, the combining fund financial statements and the Schedule of Disbursements to Other Entities – Distributive Fund are fairly stated, in all material respects, in relation to the basic financial statements as a whole on the cash basis of accounting described in Note 1.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2024, on our consideration of the DeKalb County Regional Office of Education No. 16's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Dekalb County Regional Office of Education No. 16's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the DeKalb County Regional Office of Education No. 16's internal control over financial reporting and compliance.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Frank J. Mautino
Auditor General
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the DeKalb County Regional Office of Education No. 16, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the DeKalb County Regional Office of Education No. 16’s basic financial statements, and have issued our report thereon dated February 28, 2024.

Report on Internal Control Over Financial Reporting

Management of the DeKalb County Regional Office of Education No. 16 is responsible for establishing and maintaining effective internal control over financial reporting (internal control).

In planning and performing our audit of the financial statements, we considered the DeKalb County Regional Office of Education No. 16’s internal control as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the DeKalb County Regional Office of Education No. 16’s internal control. Accordingly, we do not express an opinion on the effectiveness of the DeKalb County Regional Office of Education No. 16’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of

deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the second paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the DeKalb County Regional Office of Education No. 16's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matter that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the DeKalb County Regional Office of Education No. 16's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the DeKalb County Regional Office of Education No. 16's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The DeKalb County Regional Office of Education No. 16 has developed criteria to determine whether outside agencies with activities which benefit the citizens of the DeKalb County Regional Office of Education No. 16, including joint agreements which serve pupils from numerous school districts, should be included within its financial reporting entity. The criteria include but are not limited to, whether the DeKalb County Regional Office of Education No. 16 exercises oversight responsibility (which includes financial interdependency,

selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters), scope of public service, and special financing relationships.

The DeKalb County Regional Office of Education No. 16 has determined that no outside agency meets the above criteria and, therefore, no agency has been included as a component unit in the Regional Office of Education No. 16's financial statements. In addition, the DeKalb County Regional Office of Education No. 16 is not aware of any entity which would exercise such oversight as to result in the DeKalb County Regional Office of Education No. 16 being considered a component unit of the entity.

As discussed further in the "Measurement Focus and Basis of Accounting" section of this note, these financial statements are presented on a cash basis of accounting. This cash basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP). Generally accepted accounting principles include all relevant Governmental Accounting Standards Board (GASB) pronouncements, which have been applied to the extent they are applicable to the cash basis of accounting. Following are the more significant of the DeKalb County Regional Office of Education No. 16's accounting policies.

B. Basis of Presentation

The DeKalb County Regional Office of Education No. 16's basic financial statements include both government-wide financial statements (reporting the DeKalb County Regional Office of Education No. 16 as a whole) and fund financial statements (reporting the DeKalb County Regional Office of Education No. 16's major and other funds).

Government-wide Financial Statements

The Cash Basis Statement of Activities and Net Position display information about the DeKalb County Regional Office of Education No. 16 as a whole. They include all funds of the DeKalb County Regional Office of Education No. 16. Fiduciary funds are excluded from the government-wide financial statements. The Cash Basis Statement of Activities and Net Position include the governmental activities. Governmental activities for the DeKalb County Regional Office of Education No. 16 include programs supported primarily by state and federal grants and other intergovernmental revenues. Internal balances and activities within the DeKalb County Regional Office of Education No. 16's governmental funds are eliminated in the government-wide financial statements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Cash Basis Statement of Activities and Net Position demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those clearly identifiable with a specific function. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function, and 2) grants, contributions and interest restricted to meeting the operational requirements of a particular function. Other items not properly included among program revenues are reported instead as general receipts. Major individual governmental funds are reported as separate columns in the fund financial statements.

The Cash Basis Statement of Activities and Net Position presents the DeKalb County Regional Office of Education No. 16's nonfiduciary net position. Net position is reported in the following categories/components:

Restricted Net Position - results when constraints placed on the use of resources are either externally imposed or imposed by law through constitutional provisions or enabling legislation

Unrestricted Net Position - consists of cash and cash equivalent balances not meeting the definition of the preceding categories. Unrestricted net position is often subject to constraints imposed by management which can be removed or modified.

Fund Financial Statements

Fund financial statements of the DeKalb County Regional Office of Education No. 16 are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets arising from cash and cash equivalent transactions, fund balance, receipts received, and disbursements paid. The DeKalb County Regional Office of Education No. 16's funds are organized into two major categories: governmental and fiduciary funds.

Governmental Funds

The focus of the governmental funds' measurement (in the fund financial statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the DeKalb County Regional Office of Education No. 16:

C. Measurement Focus and Basis of Accounting

The DeKalb County Regional Office of Education No. 16 maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the DeKalb County Regional Office of Education No. 16 are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. In addition, other economic assets, deferred outflow of resources, liabilities, and deferred inflow of resources that do not arise from a cash transaction or event are not reported. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with GAAP.

Under the terms of grant agreements, the DeKalb County Regional Office of Education No. 16 funds certain programs by a combination of specific cost-reimbursement grants and general receipts. Thus, when program disbursements are paid, there are both restricted and unrestricted cash basis net position available to finance the program. It is the DeKalb County Regional Office of Education No. 16's policy to first apply cost-reimbursement grant resources to such programs and then general receipts.

When a reimbursement in governmental funds can be paid using either restricted or unrestricted resources, the DeKalb County Regional Office of Education No. 16's policy is generally to first apply the disbursements toward restricted fund balance and then to unrestricted classification, committed, assigned, and then unassigned fund balances.

The DeKalb County Regional Office of Education No. 16 records on-behalf payments made by DeKalb County and the State to the Teachers' Retirement System (TRS) and Teachers' Health Insurance Security Fund (THIS) as receipts and disbursements.

The DeKalb County Regional Office of Education No. 16 is required to contribute at an actuarially determined rate. The DeKalb County Regional Office of Education No. 16 reimburses DeKalb County for the IMRF contributions made for the participating employees. Each retirement system is discussed below.

Teachers’ Retirement System of the State of Illinois

Plan Description

The DeKalb County Regional Office of Education No. 16 participates in the Teachers’ Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the City of Chicago. TRS members include all active non-annuitants who are employed by a TRS-covered employer to provide services for which teacher

licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the System's administration.

TRS issues a publicly available financial report that can be obtained at <https://www.trsil.org/financial/acfrs/fy2022>; by writing to TRS at 2815 W. Washington, PO Box 19253, Springfield, IL 62794; or by calling (888) 678-3675, option 2.

Benefits Provided

TRS provides retirement, disability, and death benefits. Tier 1 members have TRS or reciprocal system service prior to January 1, 2011. Tier 1 members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest consecutive years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service.

Tier 2 members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the highest four. Disability provisions for Tier 2 are identical to those of Tier 1. Death benefits are payable under a formula that is different from Tier 1.

Essentially all Tier 1 retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier 2 annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Public Act 100-0023, enacted in 2017, creates an optional Tier 3 hybrid retirement plan, but it has not yet gone into effect. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2026. One program allows retiring Tier 1 member to receive a partial lump-sum payment in exchange for accepting a lower, delayed annual increase.

NOTE 5 **DEFINED BENEFIT PENSION PLANS (Continued)**

The other allows inactive vested Tier 1 and 2 members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs began in 2019 and are funded by bonds issued by the State of Illinois.

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2023, was 9.0 percent of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the DeKalb County Regional Office of Education No. 16.

On-behalf contributions to TRS. The State of Illinois makes employer pension contributions on behalf of the DeKalb County Regional Office of Education No. 16. For the year ended June 30, 2023, State of Illinois contributions recognized by the DeKalb County Regional Office of Education No. 16 were based on the State's proportionate share of with the pension expense associated with the DeKalb County Regional Office of Education No. 16, and the DeKalb County Regional Office of Education No. 16 recognized revenue and expenditures of \$85,779 in pension contributions from the State of Illinois.

2.2 formula contributions. Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. Contributions for the year ended June 30, 2023 were \$2,118.

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by the DeKalb County Regional Office of Education No. 16, there is a statutory requirement for the DeKalb County Regional Office of Education No. 16 to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2018.

Notes to the Financial Statements

NOTE 5 DEFINED BENEFIT PENSION PLANS (Continued)

Previously, employer contributions for employees paid from federal and special trust funds were at the same rate as the State contribution rate to TRS and were much higher.

For the year ended June 30, 2023, the employer pension contribution was 10.49 percent of salaries paid from federal and special trust funds. Contributions for the year ended June 30, 2023 were \$2,407.

Employer retirement cost contributions. Under GASB Statement No. 68, contributions that an employer is required to pay because of a TRS member retiring are categorized as specific liability payments. The DeKalb County Regional Office of Education No. 16 is required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree’s final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2023, the DeKalb County Regional Office of Education No. 16 did not make any employer contributions to TRS for employer contributions due on salary increases in excess of 6 percent or for sick leave days granted in excess of the normal annual allotment.

Benefits Provided

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired *before* January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired *on or after* January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Contributions

As set by statute, the DeKalb County Regional Office of Education No. 16's Regular Plan Members are required to contribute 4.5% of their annual covered salary.
