Procurements Report

Fiscal Year 2024

August 1, 2024

Chief Procurement Office for Public
Institutions of Higher Education
State of Illinois

EXECUTIVE SUMMARY

The CPO for Higher Education (CPO-HE) works with the State's public universities and the Illinois Mathematics and Science Academy (IMSA) to meet their procurement needs free of undue influence through independent authority, oversight and approval. The CPO-HE further works with the universities and IMSA to continually improve procurement policies and to establish best practices that recognize the specific needs of the universities.

The Illinois Procurement Code (30 ILCS 500/20-25) requires that each Chief Procurement Officer issue a report on sole source contracts on a fiscal year basis. This report is for FY24 (July 1, 2023 – June 30, 2024) and is provided to the Illinois State Library, Commission on Government Forecasting and Accountability, the Governor, General Assembly, and published to the Chief Procurement Officer's website.

Most of the approximately \$10 billion in procurements conducted by the agencies and universities go through one of the competitive methods of source selection. However, the Code does allow contracting without formal competition when there is only one, or only one economically feasible, source for the needed supply or service. The universities and IMSA are required to submit substantial justification and work with the State Purchasing Officer to determine whether a particular need is appropriate for sole source treatment. If approved for this method, the Chief Procurement Office provides a 14-day public notice of intent to contract on a sole source basis and an opportunity for any interested party to request a public hearing. This process allows any vendor to dispute the sole source declaration and provide evidence to that effect. Any member of the public may also request a hearing to voice concerns with the intent.
