****Revised from letter dated November 20, 2024****

In order to comply with the provisions of Public Act 94-0987, Marshall County Sheriff's Department is submitting our Annual Report to the Illinois General Assembly. This report contains the statutorily required information listed below for January 1, 2023 through December 31, 2023.

1. The number of cameras received by Marshall County Sheriff's Department: 2
2. The number of cameras actually installed in our vehicles: 11
3. A brief description of the review process used by supervisors within our agency:
Video is remotely exported from the WatchGuard 4RE using the WatchGuard Evidence Library Network and stored on the WatchGuard server. The Chief Deputy removes video from the server and provides copies to the State's Attorney, Defense Attorney, other Agencies or FOIA recipients using flash drives or the cloud share method (email). The Chief Deputy maintains retention of video in accordance with Department policy and state statute.
4. A list of any criminal, traffic, ordinance, and civil cases where video recordings were used including party names, case numbers, offenses charged, and disposition of the matter: *see enclosed criminal history data for this information.*
5. Any other information relevant to the administration of the program: *there is no other relevant information.*
