Marshall County Sheriff's Department received reimbursement and installed 1 In-Car Video Camera through the Illinois Law Enforcement Training and Standards Board in 2018.

In any case that video recording is used the Deputy burns the incident onto a disk from the camera in the vehicle, which he then gives to the Chief Deputy. The Chief Deputy reviews the incident and then burns additional copies of the individual incidents for the State's Attorney and the Defense Attorney. The original disk is secured in a disk file by the Chief Deputy.
