Re: Law Enforcement Camera Grant Act

The South Beloit Police Department received a total of six in-car cameras between 2018 and 2019 as part of the Law Enforcement Camera Grant Act. All six cameras have been installed and are in operation. I have attached a spreadsheet from each squad for 2019. I have also attached a copy of our policy which covers the review process used by supervisors.

Respectfully,

A handwritten signature in blue ink that reads "Adam Truman". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
