Clarendon Hills Police Department 2019 In-Car Camera Report

April 30, 2020

The Clarendon Hills Police Department is submitting its 2019 In-Car Camera Report as required by the grant: Camera Grant FY19 Report.

The Clarendon Hills Police Department purchased 4 in-car cameras from Martel Electronics using 2019 Camera Grant funds. These in-car camera systems were installed in four of our department police squads by department personnel. Two units were installed in January 2019 and two units were installed in June 2019.

The four cameras were installed in the following squad cars:

2015 Chevy Caprice (1 unit), 2017 Chevy Tahoe (1 unit), 2018 Ford Explorer (1 unit), 2018 Ford Explorer (1 unit)

The Clarendon Hills Police Department has established Policy 446 Mobile Audio/Video System (MAV) which states that Supervisors may review MAV recordings in the following situations.

- Investigating a specific act of officer conduct
- To assess officer performance
- To assess proper functioning of the MAV system
- To assess training value
- In the case of an official investigation such as a personal complaint, administrative inquiry of a criminal investigation.
- For court purposes.

Respectfully,

Paul Dalen
Chief of Police
