105 ILCS 5/22-101 new

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

In the Criminal Code of 2012, deletes the amendatory changes to the possession of a stolen firearm and aggravated possession of stolen firearm statutes. In the firearms trafficking statute, deletes the provision that the trier of fact may, but is not required to, infer intent to transfer or deliver from transportation on an expressway in the State in a vehicle more than one stolen or converted firearm per occupants of the vehicle. In the firearms trafficking statute, includes as an element of the offense bringing, or causing to be brought, into the State, in a vehicle on an expressway in the State, more than one assault weapon that a person is prohibited from possession under the Code, per occupants of the vehicle. Changes various dates from January 1, 2026 to January 1, 2027. Provides that the report of lost or stolen firearms shall include the Firearm Owner's Identification Card number of the person making the report, if applicable. Provides that beginning January 1, 2027, the person who is not a federally license firearm dealer (rather than the Illinois State Police) shall check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm. Amends the Unified Code of Corrections. Provides that at the sentencing hearing the court shall make a finding of whether a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible stolen firearms database was used in the commission of the offense for which the defendant is being sentenced. Provides that in cases in which the court finds that a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible database was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Illinois State Police Division of Justice Services.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. In the amendatory changes to the Firearm Owners Identification Card Act, provides that the violation applies to a person who fails 2 or more times to report a loss or theft of a firearm within 48 hours after the discovery of such loss or theft to local law enforcement as required under the Criminal Code of 2012. In the amendatory changes to the Criminal Code of 2012 relating to a person who possesses a valid Firearm Owner's Identification Card and who possesses or acquires a firearm who fails to report the loss or theft of the firearm to the local law enforcement agency within 48 hours after obtaining knowledge of the loss or theft, deletes a provision which specifies that, for a second or subsequent offense, the failure to report the loss or theft of the firearm within 48 hours of the discovery of such loss or theft shall result in revocation of the person's Firearm Owner's Identification Card. Adds a severability provision to the bill.
