New Act

30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

Senate Committee Amendment No. 1

Deletes reference to:

New Act

Deletes reference to:

30 ILCS 540/1

from Ch. 127, par. 132.401

Adds reference to:

30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Adds reference to:
225 ILCS 650/5

from Ch. 56 1/2, par. 305

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.
