Amends the Code of Criminal Procedure of 1963. Provides that notwithstanding any provision of the Code to the contrary, forensic testing that would result in the complete consumption of an evidentiary sample shall be permitted if the forensic testing utilizes methods sufficiently established in the particular field that have gained general acceptance and the forensic testing was not conducted in bad faith. Provides that prior to conducting forensic testing that would result in the complete consumption of an evidentiary sample, a forensic scientist must take all reasonable measures to preserve a portion of the evidentiary sample for subsequent forensic testing, unless in the course of the requested forensic testing, the forensic scientist has determined that complete consumption of an evidentiary sample is required to pursue a meaningful analytical result. Amends the Criminal Code of 2012. Provides that it is unlawful for a law enforcement agency or an agent acting on behalf of the law enforcement agency to intentionally fail to comply with the provision. Provides that a violation is a Class 4 felony.

HB 01613

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt and Napoleon Harris, III-Jacqueline Y. Collins)

625 ILCS 5/11-212

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000, Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of
this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration
enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities
remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools
and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2)
State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities,
nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental
health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that
within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall
review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that
information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law
enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including
any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to
questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement
agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney
General could cover the work.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the
effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and
Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official
from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that,
notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is
deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or
receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency,
or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board,
tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for
federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service
or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides
that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any
caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the
eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest
eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)
The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students
eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding
additional recipients would either require additional appropriations or shifting dollars from other low-income students who are
currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of
undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award
Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without
additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates
estimates of the number of undocumented Illinois students, transgender students who may be required to register for
Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at
least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand
for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to
estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any
increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of
their military or veteran status.

          Senate Floor Amendment No. 1 Motion to Concur Referred to Rules Committee
          Senate Floor Amendment No. 1 Motion to Concur Rules Referred to Health Care Availability & Accessibility Committee
Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)

The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

20 ILCS 5/5-715
Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
Representative LaToya Greenwood

HB 02100     (CONTINUED)

This bill does not create a State mandate

Fiscal Note (State Board of Education)

HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school’s current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school’s accountability designation outweigh the charter school’s academic performance.

House Floor Amendment No. 4

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State’s federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board’s decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board’s decision to not renew a charter, the State Board shall act as the authorized chartering entity.

May 14 19  Senate Floor Amendment No. 1 Assignments Refers to Human Services
Amends the School Code. Requires the State Board of Education to develop child opportunity zones as a means to deliver comprehensive and coordinated social services at or near schools in this State that are related to specific community needs and that will ultimately increase student performance in schools in the community; defines "child opportunity zone". Provides that a child opportunity zone must provide a means to integrate education, health, and social services into schools and link families to school and community resources. Provides that on or before August 1, 2020, and on or before each August 1 thereafter, the State Board must submit a report to the General Assembly on the number of children and families served by a child opportunity zone program and any other outcome data for each program. Requires the State Board to adopt rules.

HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.

HB 02046 (CONTINUED)

Amends the Code of Criminal Procedure of 1963. Provides that any person incarcerated on a bailable offense who does not supply bail and against whom a fine is levied on conviction of the offense shall be allowed a credit of $30 (rather than $5) for each day incarcerated.

Fiscal Note (Admin Office of the Illinois Courts)
Based on a review of the bill it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate
Fiscal Note (State Board of Education)
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school’s current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school’s accountability designation outweigh the charter school’s academic performance.

House Floor Amendment No. 4
Representative Will Guzzardi

HB 02100 (CONTINUED)

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

Provides that provisions prohibiting the offer for sale of any bulk food in a manner other than to prevent direct handling of such items by the consumer shall not prohibit self-service by consumers provided that take-home containers, including bags, cups, and lids, provided for consumer use are stored and dispensed in a sanitary manner. Provides that take-home containers provided for consumer use must be cleaned, stored, and dispensed (rather than stored and dispensed) in a sanitary manner. Provides that personal containers filled or refilled by customers with bulk food shall be clean and sanitary. HB 02173

Rep. Michael Halpin  
(Sen. John G. Mulroe)
Amends the Illinois Insurance Guaranty Fund Article of the Illinois Insurance Code. Provides that a "covered claim" does not include a claim for fines and penalties paid to government authorities. Provides that the board of directors of the Illinois Insurance Guaranty Fund has the authority to assess to pay off a loan necessary to pay covered claims. Provides that if the loan is projected to be outstanding for 3 years or more, the board of directors has the authority to increase the assessment to 3% of net direct written premiums for the previous year until the loan has been paid in full. Makes changes in provisions that specify conditions under which the Fund is bound by certain settlements, releases, compromises, waivers, and final judgments. Provides that the Fund may also take legal action to recover from insurers and insureds in certain circumstances. Provides that the Fund may bring an action against certain third-party representatives of an insolvent insurer to obtain custody and control of all claim information related to the insolvent company. Provides that any person recovering under the Article and any insured whose liabilities are satisfied under the Article shall be deemed to have assigned the person's or insured's rights under the policy to the Fund to the extent of his or her recovery or satisfaction obtained from the Fund's payments. Provides that the Fund may also pay certain workers' compensation claims or any other third-party claims covered by a policy of an insolvent company on behalf of a high net worth insured and may recover from the high net worth insured through any action necessary to collect the full amount to the Fund's reimbursement. Effective immediately.

House Floor Amendment No. 2
In provisions concerning actions regarding insolvent company records, provides that the Illinois Insurance Guaranty Fund has the absolute right through emergency equitable relief to obtain custody and control of certain claims information in possession of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer (rather than the absolute right through emergency equitable relief to obtain custody and control of certain third-party administrators, agents, attorneys, or other representatives of an insolvent insurer).

House Floor Amendment No. 3
Provides that the Illinois Insurance Guaranty Fund shall recover (rather than may recover) from the high net worth insured for all amounts paid on its behalf, all allocated claim adjusted expenses related to such claims, the Fund's attorney's fees, and all court costs in any action necessary to collect the full amount to the Fund's reimbursement. Makes a grammatical change.

Amends the Housing Authorities Act. In a provision permitting a Housing Authority to refuse to certify or recertify applicants, current tenants, or other household members who have been convicted of a criminal offense relating to the sale or distribution of a controlled substance, provides that prior to refusing to certify or recertify such a person, the Authority shall make an individualized assessment and determine whether it is reasonable to conclude that the applicant, current tenant, or other household member would constitute a threat to those in the community where the applicant, current tenant, or other household member would reside; or whether it is reasonable to conclude that the applicant, current tenant, or other household member would otherwise engage in other unlawful activities in that community. Provides that during the individualized assessment, the Authority shall consider all mitigating circumstances, including, but not limited to: the nature of the crime; the time elapsed between the date of conviction and the date of certification or recertification; the applicant's, tenant's, or other household member's background; the incentive to litigate the criminal matter; and any evidence demonstrating rehabilitation. Requires the Authority to provide notice to the applicant, current tenant, or other household member that he or she may be denied certification or recertification because of a criminal conviction and that he or she has the right to an impartial hearing to demonstrate that he or she should not be denied certification or recertification because of his or her particular circumstances.
Amends the Illinois Human Rights Act. Provides that "employer" includes any person employing one (instead of 15) or more employees within Illinois during 20 or more calendar weeks within the calendar year of or preceding the alleged violation. Provides that "employer" does not include any place of worship with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by the place of worship of its activities.

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or an offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge.

Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides for the election of the Chicago Board of Education for the 2023 and 2027 consolidated primary elections only (rather than beginning with the 2020 general primary election only as a nonpartisan election on a separate ballot and each consolidated election thereafter). Provides that no later than June 30, 2029, the General Assembly must review and revise the election of members of the Chicago Board of Education and if the General Assembly has not reauthorized the election of members of the Chicago Board of Education by June 30, 2029, then, on May 13, 2031, the terms of all members elected in 2027 shall end, and a new Chicago Board of Education consisting of 7 members shall be appointed by the Mayor. HB 02400

730 ILCS 5/3-14-1.1 new

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
Representative Sonya M. Harper
HB 02400  (CONTINUED)

The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victim Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or trauma-certified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

House Floor Amendment No. 1

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

The Treasurer's Office projects that $150,000 will be needed for additional staff and related operational expenses to oversee and implement the Student Loan Investment program, the cost of which is expected to be paid for from the Treasurer's Administrative Fund, which receives revenue from investment earnings. The program should become self-sustaining when investment earnings and administrative fees are earned to cover operational and administration costs.

30 ILCS 517/25

Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Fiscal Note (Dept. of Central Management Services)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may enter into a contract with any third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits. Requires the Department to ensure coordination of care between the third-party administrator and managed care organizations as a consideration in any contracts established. Amends the Freedom of Information Act to exempt from disclosure certain information pharmacy benefits managers are required to provide under the Illinois Public Aid Code. Contains a severability provision.

House Floor Amendment No. 2
Deletes reference to:
215 ILCS 134/65

Add reference to:
5 ILCS 140/7

Add reference to:
215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may enter into a contract with any third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits. Requires the Department to ensure coordination of care between the third-party administrator and managed care organizations as a consideration in any contracts established. Amends the Freedom of Information Act to exempt from disclosure certain information pharmacy benefits managers are required to provide under the Illinois Public Aid Code. Contains a severability provision.

House Floor Amendment No. 2
Deletes reference to:
215 ILCS 134/65

Adds reference to:
5 ILCS 140/7

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

755 ILCS 5/11-5 from Ch. 110 1/2, par. 11-5
755 ILCS 5/11-5.3
Amends the Probate Act of 1975. Defines "administrative separation". Provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if it finds that the minor has a living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Provides that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Makes conforming changes. Effective immediately.

House Floor Amendment No. 1

Deletes reference to:

755 ILCS 5/11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Makes conforming changes. Effective immediately.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)

There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)

HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

105 ILCS 5/2-3.162
105 ILCS 5/2-3.176 new
Amends the School Code. With respect to school discipline improvement plans, makes changes to how the State Board of Education determines the top 20% of school districts, when notification is given that a plan must be submitted, which school districts are required to submit a plan, the timeframe for school board approval of a plan and submission of that plan to the State Board, and when additional annual progress reports are required. Establishes the Safe Schools and Healthy Learning Environments Grant Program and grants under the program. Sets forth requirements for grant applicants and provisions for the distribution of funds appropriated for the program. Requires the State Board of Education to issue a yearly report on the results of the program in cooperation with school districts participating in the program. Provides that the State Board may adopt any rules necessary for the program. Effective immediately.

Senate Committee Amendment No. 2
Deletes reference to:
105 ILCS 5/2-3.176 new

Replaces everything after the enacting clause. Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total number of school days missed by the student, and the incident type that caused the suspension, expulsion, or removal to an alternative setting. Provides that, in compiling the report, the State Board of Education must use the same disclosure avoidance standards used by the United States Department of Education in its public reporting of data submitted by each school district as part of the Civil Rights Data Collection and must also ensure that cross-tabulation by the various categories of disaggregation is possible. Makes other changes.

5 ILCS 312/3-103 from Ch. 102, par. 203-103

Amends the Illinois Notary Public Act. Modifies the required disavowal of legal representation notice. Provides that the failure of a notary public to follow specified notice requirements shall result in a fine of $1,500 (currently, $1,000) for each written violation. Provides that a second (rather than third) violation shall result in permanent revocation of the commission of notary public (currently, a second violation results in suspension of notary authorization). Provides that prior to rendering notary public services to a person seeking such services, a notary public shall, in addition to any written or electronic notice, also give a verbal disavowal of legal representation that is substantially the same as the statement required for written and electronic advertisements of notary services. Provides that upon providing the verbal disavowal of legal representation, the person seeking notary services shall be provided with an acknowledgment form reciting the disavowal of legal representation, and be required to sign such form acknowledging that he or she has been advised and understands that the notary public is not a licensed attorney and is not otherwise authorized to provide legal advice or services. Provides that the acknowledgment form shall be prescribed by the Secretary of State and be made available in English and in the non-English language in which notary services were solicited.

HB 02486

New Act
Representative Elizabeth Hernandez  
HB 02486  (CONTINUED)  
Creates the Mental Health Modernization and Access Improvement Act. Requires the Department of Healthcare and Family Services to apply for a Medicaid waiver or State Plan amendment, or both, within 6 months after the effective date of the Act to develop and implement a regulatory framework that allows, incentivizes, and fosters payment reform models for all Medicaid community mental health services provided by community mental health centers or behavioral health clinics. Requires the regulatory framework to: (i) allow for and incentivize service innovation that is aimed at producing the best health outcomes for Medicaid enrollees with mental health conditions; (ii) reward high-quality care through annual incentive payments to community mental health centers and behavioral health clinics; (iii) require community mental health centers and behavioral health clinics to report on specified quality and outcomes metrics; and other matters. Provides that all documentation and reporting requirements under the regulatory framework must comply with the federal Mental Health Parity and Addiction Equity Act of 2008 and the State mental health parity requirements under the Illinois Insurance Code. Contains provisions concerning quality and outcomes metrics reporting; data sharing; the establishment of a Stakeholder Quality and Outcomes Metrics Development Working Group; statewide in-person trainings to ensure provider readiness for the regulatory framework; quality and patient safety protections; implementation timeline; certification of community mental health centers that opt into the regulatory framework; and other matters. Provides that the Act shall be implemented upon federal approval and only to the extent that federal financial participation is available. Effective immediately.

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL. Student Assistance Commission)
The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school but yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board. Allows the Commission to approve an application for a charter if certain conditions are met. Provides that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission approves an application for a charter school, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Makes other changes. Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and
give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States).
Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that
procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been
manufactured in the United States. Effective immediately.

Fiscal Note (Dept. of Central Management Services)
It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it
should be assumed that negative impact will occur. The potential for up to12% cost increases for an indeterminable
universe of procured products exits.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)
The proposed legislation, HB 1633 (H-AM 1) would not have a significant fiscal impact on our Office as the new offenses established by this bill would primarily be handled by local county State's Attorney Offices. Fiscal impact:  Minimal

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)
If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

House Floor Amendment No. 3

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional
licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years
(currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance
with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application
process for an expedited temporary occupational or professional license issued to service members and the spouses of service members
shall be refundable (currently, not refundable).

House Committee Amendment No. 2
Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. HB 05673 (CONTINUED)

Amends the Illinois Power Agency Act. For electric utilities that serve less than 3,000,000 retail customers but more than 500,000 retail customers in this State: defines "energy efficiency"; in provisions concerning the renewable portfolio standards, specifies the goals for procurement of renewable energy credits and cost-effective renewable energy resources that shall be included in the long-term renewable resources procurement plan and makes other changes concerning these procurements; and provides for the calculation of the cost of equity for the purposes of recovering all reasonable and prudently incurred costs of energy efficiency measures from retail customers. Provides that savings of fuels other than electricity achieved by measures that educate about, incentivize, encourage or otherwise support the use of electricity to power vehicles shall count towards the applicable annual incremental goal and shall not be included in determining certain limits. Amends the Public Utilities Act. Provides that an electric utility that serves less than 3,000,000 retail customers but more than 500,000 customers in this State may plan for, construct, install, control, own, manage, or operate photovoltaic electricity production facilities and any energy storage facilities that are planned for, constructed, installed, controlled, owned, managed or operated in connection with photovoltaic electricity production facilities without obtaining a certificate of public convenience and necessity subject to specified terms and conditions. Defines "electric vehicle", "electric vehicle charging station", and "energy storage" for the purposes of the Electric Service Customer Choice and Rate Relief Law of 1997. Provides that, beginning in 2022, without obtaining any approvals from the Illinois Commerce Commission or any other agency, regardless of whether any such approval would otherwise be required, a participating utility that is a combination utility shall pay $1,000,000 per year for 10 years to the energy low-income and support program. Adds provisions authorizing certain utilities to plan for, construct, install, control, own, manage or operate electric vehicle charging infrastructure, including, but not limited to, electric vehicle charging stations within their service territories. Effective immediately.

Replaces everything after the enacting clause. Amends the Sexual Assault Survivors Emergency Treatment Act. Provides that the Department of Public Health may approve a sexual assault transfer plan for the provision of medical forensic services until January 1, 2022 if: (1) a treatment hospital with approved pediatric transfer has agreed, as part of an areawide treatment plan, to accept sexual assault survivors 13 years of age or older from the proposed transfer hospital, if the treatment hospital with approved pediatric transfer is geographically closer to the transfer hospital than a treatment hospital or another treatment hospital with approved pediatric transfer and such transfer is not unduly burdensome on the sexual assault survivor; and (2) a treatment hospital has agreed, as a part of an areawide treatment plan, to accept sexual assault survivors under 13 years of age from the proposed transfer hospital and transfer to the treatment hospital would not unduly burden the sexual assault survivor. Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 65 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer.

House Committee Amendment No. 2
Deletes reference to:
305 ILCS 5/5-16.8

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

House Floor Amendment No. 3
In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense).

Senate Floor Amendment No. 1
In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.
Fiscal Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any the bill would have on local judicial budgets.
Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.
Pension Note (Government Forecasting & Accountability)
This bill will not impact any public pension fund or retirement system in Illinois.
State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.
Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

735 ILCS 5/2-1108 from Ch. 110, par. 2-1108

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that within the discretion of the court, the jury may be asked (rather than required by the court, and must be required on the request of any party) to find specially upon any material question or questions of fact submitted to the jury in writing. Provides that any party may request special interrogatories. Provides that submitting or refusing to submit a question of fact to the jury may be reviewed on appeal to determine whether the trial court abused its discretion (rather than as a ruling on a question of law). Provides that when any special finding of fact is inconsistent with the general verdict, the court shall direct the jury to further consider its answers and verdicts, and if, in the discretion of the trial court, the jury is unable to render a general verdict consistent with any special finding, the trial court shall order a new trial (rather than the former controls the latter and the court may enter judgment accordingly). Provides that during closing arguments, the parties shall be allowed to explain to the jury what may result if the general verdict is inconsistent with any special findings. Provides that the Act applies only to trials commencing on or after January 1, 2020. Effective immediately.

Provides that pasteurized donated human breast milk shall be covered under health insurance and the medical assistance program
under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under
health insurance and the medical assistance program. Effective January 1, 2020.

House Committee Amendment No. 1

Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained
from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that
meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the
Department of Public Health).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the
following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that
is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to
produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast
milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following
applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high
risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant
has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for
which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the engrossed bill, as amended by Senate Amendment No. 1, with the following
changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must
be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North
America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a
requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if
the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight
was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had
or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is
medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage
for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular

Amends the School Code. With regard to a sex education course, provides that course material and instruction in grades 6 through 12 must include an age-appropriate discussion on the meaning of consent that includes discussion on recognizing that (i) consent is a freely given agreement to sexual activity, (ii) consent to one particular sexual activity does not constitute consent to other types of sexual activities, (iii) a person's lack of verbal or physical resistance or submission resulting from the use or threat of force does not constitute consent, (iv) a person's manner of dress does not constitute consent, (v) a person's consent to past sexual activity does not constitute consent to future sexual activity, (vi) a person's consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person, (vii) a person can withdraw consent at any time, and (viii) a person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to certain circumstances. HB 00395

Rep. Yehiel M. Kalish

5 ILCS 340/1 from Ch. 15, par. 501

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
HB 0395, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
HB 0395, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)
No land conveyances are included in House Bill 395 House Amendment #1; therefore, there are no appraisals to be filed.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)
Representative Yehiel M. Kalish
HB 00395 (CONTINUED)

Subject to appropriation, HB 395 requires DCEO to provide administrative and other necessary support to the commission. The fiscal impact to DCEO will be based on the level of support needed by the commission. Under an assumption that DCEO will be required to provide research support to the commission, the cost to the Department for such support is estimated at $70 per hour. If DCEO will be providing reimbursements for the travel costs of the commission, assuming the commission will meet once per quarter in Springfield. The annual cost to reimburse for such travel for commission members will be $15,000. With more information about the anticipated tasks, deliverables, and required support of DCEO a more thorough fiscal impact can be summarized.

HB 02460     (CONTINUED)

Fiscal Note (Office of the Treasurer)

HB 2460 will have no fiscal impact on the State Treasurer's Office as the Treasurer's office already has a published investment policy that includes material, relevant and decision-useful sustainability factors in accordance with this legislation. HB 2460 is likely to have a positive economic impact to the State of Illinois because evaluating sustainability factors in investment decision-making minimizes risks and maximizes returns on the state's investments.

House Floor Amendment No. 1

Provides that the sustainable investment policy developed under the Illinois Sustainable Investing Act shall include material, relevant, and decision-useful sustainability factors to be considered (currently, applied) by the public agency or governmental unit as one component of its overall evaluation of investment decisions. Provides that nothing in the Act prohibits a public agency or governmental unit from integrating additional factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership of public funds. Provides that the Act shall not apply to bank time deposits or bank processing services. Makes conforming changes.

House Floor Amendment No. 2

Provides that sustainability factors include, among other factors, human capital factors that recognize that the workforce is an important asset to delivering long-term value, including factors such as labor practices, responsible contractor and responsible bidder policies, employee health and safety, employee engagement, diversity and inclusion, and incentives and compensation (currently, responsible contractor and responsible bidder policies are not included as human capital factors).

Senate Committee Amendment No. 1

Provides that any public agency or governmental unit should (currently, shall) develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy shall (currently, shall) include material, relevant, and decision-useful sustainability factors to be considered by the public agency or governmental unit as one component of its overall evaluation of investment decisions, which may (currently, shall) include specified items. Makes other changes concerning specified investment policies. Defines "financial institution". Makes conforming changes.

HB 05345

30 ILCS 500/1-15.93  
30 ILCS 500/30-30

Amends the Illinois Procurement Code. Modifies the term "single prime" to mean the design-bid-build procurement delivery method for a building construction project in which the Capital Development Board or a public institution of higher education (currently, only the Capital Development Board) is the construction agency procuring 2 or more specified subdivisions of work. Provides that for building construction contracts in excess of $250,000, separate specifications must (rather than may) be prepared for all equipment, labor, and materials in connection with the 5 subdivisions of the work to be performed. Modifies requirements concerning specifications to be drawn so as to permit separate and independent bidding. Provides requirements for single prime projects in which the Capital Development Board or an institution of higher education is the construction agency procuring for building construction contracts in excess of $250,000. Extends repeal and inoperative dates. Makes conforming changes. Effective immediately.
