Amends the Housing Authorities Act. In a provision permitting a Housing Authority to refuse to certify or recertify applicants, current tenants, or other household members who have been convicted of a criminal offense relating to the sale or distribution of a controlled substance, provides that prior to refusing to certify or recertify such a person, the Authority shall make an individualized assessment and determine whether it is reasonable to conclude that the applicant, current tenant, or other household member would constitute a threat to those in the community where the applicant, current tenant, or other household member would reside; or whether it is reasonable to conclude that the applicant, current tenant, or other household member would otherwise engage in other unlawful activities in that community. Provides that during the individualized assessment, the Authority shall consider all mitigating circumstances, including, but not limited to: the nature of the crime; the time elapsed between the date of conviction and the date of certification or recertification; the applicant's, tenant's, or other household member's background; the incentive to litigate the criminal matter; and any evidence demonstrating rehabilitation. Requires the Authority to provide notice to the applicant, current tenant, or other household member that he or she may be denied certification or recertification because of a criminal conviction and that he or she has the right to an impartial hearing to demonstrate that he or she should not be denied certification or recertification because of his or her particular circumstances.

HB 01637

New Act
Representative Aaron M. Ortiz  
HB 01637  (CONTINUED)  

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)  
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)  
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

House Floor Amendment No. 2  
Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

5 ILCS 140/7.5
15 ILCS 505/16.8 new

Amends the State Treasurer Act. Provides that the State Treasurer shall establish the Illinois Higher Education Savings
Program for the purpose of expanding access to higher education through savings. Provides for enrollment in the Program. Provides
further duties and requirements of the Treasurer regarding the Program. Creates the Illinois Higher Education Savings Program Fund
as a fund held outside of the State treasury to be the official repository of all contributions, appropriations, interest, and dividend
payments, gifts, or other financial assets received by the State Treasurer in connection with the operation of the Program or related
partnerships. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to
implement the Program. Amends the Freedom of Information Act to provide an exemption for information that is exempt from
disclosure under the Illinois Higher Education Savings Program.

House Floor Amendment No. 2

Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of
Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education
Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Fiscal Note (Office of the Treasurer)

Based upon Illinois’ current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is
expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed
funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and
children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will
remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as
unclaimed and unused funds are recycled.

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory
minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to
probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment
or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or
conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest
of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or
conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of
imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been
charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum
sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is
clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or an
offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or
conditional discharge.

HB 01587 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may instead sentence the offender to a lesser term of imprisonment, probation, or conditional discharge if it deems appropriate if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that an offender convicted of a sex offense, robbery offense, or a crime of violence as defined in the Crime Victims Compensation Act (rather than an offense involving the infliction of great bodily harm) may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge under the provision.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

Amends the Eviction Article of the Code of Civil Procedure. Provides that upon the filing of an eviction action, the clerk of the circuit court shall immediately impound the court file unless: the tenancy is commercial; or the property the plaintiff seeks possession of is a condominium unit and at least one of the defendants named is the unit owner. Provides that the court shall make specific findings when an eviction order is entered against a defendant. Provides that a court file shall be impounded: (1) in any case not resulting in an eviction order entered in favor of the plaintiff; (2) in a foreclosure-related eviction action; (3) in a not-for-cause eviction action; or (4) if the parties to the eviction action so agree. Provides factors that the court shall consider in determining whether to grant or deny a motion or petition to impound or unimpound a court file. Provides that the clerk of the circuit court shall automatically seal an eviction action no later than 5 years after a plaintiff's initial filing. Provides that a person shall not disseminate any information contained in a sealed or impounded court file. Provides that a consumer reporting agency shall not disclose the existence of a sealed or impounded eviction action in a consumer report or use an eviction action as a factor to determination a score or recommendation to be included in a consumer report pertaining to a person for whom dissemination has been prohibited. Amends the Public Defender and Appointed Counsel Division of the Counties Code. Creates the Public Defender Quality Defense Task Force. Provides that the Task Force is established to: (i) examine the current caseload and determine the optimal caseload for public defenders in the State; (ii) examine the quality of legal services being offered to defendants by public defenders of the State; and (iii) make recommendations to improve the caseload of public defenders and quality of legal services offered by public defenders. Provides that the Task Force shall hold a minimum of 2 public hearings and at other times of its choosing. Repeals the provisions on December 31, 2021. Effective immediately.

Fiscal Note (Office of the State Appellate Defender)

If the only responsibility to the Agency would be to provide space for meetings, the cost would be minimal because meetings could be held in our Chicago or Springfield office. If the Agency was responsible for administrative costs, travel reimbursement for board members, preparation of meeting materials or research and analysis, the cost could be significantly more.

Provides that the Governor shall appoint 5 (rather than 3) public defenders or assistant public defenders to the Task Force from 5 (rather than 3) counties other than Cook County.

HJR 00024

(Sen. Robert Peters, Scott M. Bennett and Antonio Muñoz-Cristina Castro-Martin A. Sandvoal-Ram Villivalam)

Supports, as a civil right, automatic citizenship to all qualifying children adopted by a U.S. citizen parent, regardless of the date on which the adoption was finalized. Condemns the deportation of individuals who were adopted into American homes and should have every expectation that their citizenship matches that of their adoptive parents. Welcomes legislation that will provide citizenship for all adult adoptees whose adoptive parents did not complete the naturalization process while they were children.

Amends the Grow Your Own Teacher Education Act. Makes changes to the definitions of "cohort", "eligible school", and "hard-to-staff school", and defines "dual credit course". Provides that Grown Your Own Illinois (rather than the Board of Higher Education) shall administer the Grow Your Own Teacher Education Initiative as a grant competition to fund consortia that will carry out Grow Your Own Teacher preparation programs. In provisions concerning selection of grantees, provides that the Board of Higher Education shall, subject to appropriation, allocate funds to Grow Your Own Illinois for the purpose of administering the program and awarding grants under the Act (rather than requiring the Board of Higher Education to award grants under the Act). Removes the language providing that the consortium shall consider whether a candidate has experienced an interruption in his or her college education when recruiting potential candidates for the program. Provides that, subject to the requirements under the Dual Credit Quality Act, an institution of higher education may offer a high school student a dual credit course under the program. Provides that the Board of Higher Education may not adopt rules regarding candidate eligibility that are more restrictive than those in the Act. Makes conforming changes. Effective immediately.

105 ILCS 5/2-3.176 new

Amends the School Code. Requires the State Board of Education to develop child opportunity zones as a means to deliver comprehensive and coordinated social services at or near schools in this State that are related to specific community needs and that will ultimately increase student performance in schools in the community; defines "child opportunity zone". Provides that a child opportunity zone must provide a means to integrate education, health, and social services into schools and link families to school and community resources. Provides that on or before August 1, 2020, and on or before each August 1 thereafter, the State Board must submit a report to the General Assembly on the number of children and families served by a child opportunity zone program and any other outcome data for each program. Requires the State Board to adopt rules.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
  This bill does not create a State mandate.

Fiscal Note (State Board of Education)
  HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "child opportunity zone" to mean a coordinated system of early childhood education (rather than a site at or near a school that provides early childhood education). Provides that, subject to appropriation, the State Board of Education, in cooperation with regional superintendents of schools, school districts, and other State and community agencies (rather than only the State Board), must develop child opportunity zones as a means to deliver comprehensive and coordinated social services in this State (rather than delivering them at or near schools in this State) that are related to specific community needs and that will ultimately increase student performance in schools in the community. Provides that in addition to funds appropriated by the General Assembly, the State Board may use funds appropriated by the General Assembly for other grant programs to implement child opportunity zone programs. Makes other changes.

325 ILCS 5/7.8

Replaces everything after the enacting clause. Amends the Abused and Neglected Child Reporting Act. Provides that whenever the Department of Children and Family Services receives, by means of its statewide toll-free telephone number established for the purpose of reporting suspected child abuse or neglect or by any other means or from any mandated reporter, a report of suspected abuse or neglect of a child and the child is alleged to have been abused or neglected while receiving care in a hospital, including a freestanding psychiatric hospital licensed by the Department of Public Health, the Department of Children and Family Services shall: (i) notify the Directors of Public Health and Healthcare and Family Services of the report; and (ii) send a copy of the final finding to the Directors of Public Health and Healthcare and Family Services. Provides that the Department of Public Health shall receive information from unfounded reports involving children alleged to have been abused or neglected while hospitalized, including while hospitalized in freestanding psychiatric hospitals licensed by the Department of Public Health, as necessary for the Department of Public Health to conduct its licensing investigation. In a provision that grants the Department of Public Health and other investigative bodies access to records concerning child abuse and neglect reports, removes language that requires the Director of Children and Family Services to approve such access.

105 ILCS 5/21B-30

Amends the Educator Licensure Article of the School Code. With regard to applicants seeking a Professional Educator License or an Educator License with Stipulations provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills (rather than requiring passage of the test prior to starting their student teaching or starting the final semester of their internship). Provides that if an applicant completing a teacher education or school service personal preparation program fails the test of basic skills the first time he or she takes the test, the applicant may complete a full school year of student teaching or of an internship instead of being required to pass the test. Provides that an institution of higher learning may not require an applicant to complete the test of basic skills prior to completing a semester of student teaching or of an internship (rather than prior to the semester before student teaching or prior to the semester before starting the final semester of an internship). Provides that an individual who completes a full school year of student teaching or of an internship is not required to pass the test of basic skills again for subsequent endorsements or other educator licenses. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change:
Restores current law prohibiting an institution of higher learning from requiring an applicant to complete the test of basic skills prior to the semester before student teaching or prior to the semester before starting the final semester of an internship (rather than prior to completing a semester of student teaching or of an internship). Effective immediately.

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt)

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1
Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or an offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

625 ILCS 5/11-212

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state’s share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

HB 02400 (CONTINUED)  

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victims Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or traumacertified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

Provides that the Task Force is established to: (i) examine the current caseload and determine the optimal caseload for public defenders in the State; (ii) examine the quality of legal services being offered to defendants by public defenders of the State; and (iii) make recommendations to improve the caseload of public defenders and quality of legal services offered by public defenders. Provides that the Task Force shall hold a minimum of 2 public hearings and at other times of its choosing. Provides that the Task Force shall prepare a report that summarizes its work and makes recommendations resulting from its study to the General Assembly and Governor no later than December 31, 2020. Repeals the provisions on December 31, 2021. Effective immediately.

Fiscal Note (Office of the State Appellate Defender)

If the only responsibility to the Agency would be to provide space for meetings, the cost would be minimal because meetings could be held in our Chicago or Springfield office. If the Agency was responsible for administrative costs, travel reimbursement for board members, preparation of meeting materials or research and analysis, the cost could be significantly more.

House Floor Amendment No. 1

Removes a requirement that the Governor appoint at least one Task Force member from the Legal Resources Division of the Office of the Cook County Public Defender. Provides that the Governor shall appoint 5 (rather than 3) public defenders or assistant public defenders to the Task Force from 5 (rather than 3) counties other than Cook County.

30 ILCS 105/5.891 new
Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Commerce and Economic Opportunity shall create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to prepare and support individuals for careers in water infrastructure. Provides specified groups that may be provided with grants and other financial assistance on a competitive annual basis. Directs the Department to coordinate with the Environmental Protection Agency, Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects. Provides that the Department may select a Program Administrator. Provides that recipients of grants or other financial assistance under the Program shall report annually to the Department. Amends the State Finance Act. Creates the Clean Water Workforce Development Fund.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note (Dept. of Commerce & Economic Opportunity)
HB 3349 requires DCEO to award grants designed to encourage and facilitate employment in water infrastructure careers. Competitive awards shall be made for various activities including: identification of individuals for job training in the water sector; counseling, preparation, skills training, and other support to increase a candidate's likelihood of success in a job training program and career; and several others. While HB 3349 requires DCEO to make the grants, the legislation does not specify a funding source for the program. Without a funding source, the legislation represents a potential unfunded mandate on the agency. Without additional information on available funding and the number of grants required to be awarded, the Department lacks the ability to determine program scope and ongoing implementation costs. As a result, we are unable to determine the fiscal impact of this legislation.

Representative Justin Slaughter  
HB 03358  
815 ILCS 530/1

Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

House Committee Amendment No. 2

Deletes reference to:
815 ILCS 530/1

Adds reference to:
New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)
The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

State Mandates Fiscal Note, House Committee Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)
The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys. Fiscal impact: Uncertain

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

20 ILCS 2310/2310-431 new
HB 00006  (CONTINUED)

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)
The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)
HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Fiscal Note (Illinois State Police)
The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

Reinserts the provisions of the introduced bill with the following change: provides that a township board may adopt rules relating to regulating the township clerk's attestation when the township clerk is temporarily unavailable, for payroll processing, and for the payout of funds made by cash, credit and debit card, electronic check, and other means. Further amends the Township Code. In provisions about a supervisor's bond, removes provisions requiring a bond from a person temporarily appointed to perform the clerical functions of a supervisor. Removes a provision requiring the township clerk to attest a payment authorized by the supervisor's duly authorized designee. Amends the Illinois Highway Code. Provides that, if a referendum has been approved by voters to abolish a road district at the November 6, 2018 election and the road district has not yet been abolished, then: (1) the township board shall have the sole authority, until the date of abolition of the road district, to create and approve the budget of the road district, levy road district taxes, to enter into contracts for the road district, to employ and fix the compensation of road district employees that the township board deems necessary, and to set and adopt rules concerning all benefits available to employees of the road district; and (2) the road district or the highway commissioner may not commence or maintain litigation against the township to resolve any dispute related to the road district regarding powers of the office of the highway commissioner, the powers of the supervisor, or the powers of the township board. Provides that if a township has approved a consolidated road district with another township but that consolidation is not yet effective and if the township subsequently approves a referendum to consolidate the road district with the township, then the dual township consolidated road district is void and shall not occur. Effective immediately.

(Sen. John F. Curran-Melinda Bush-Jacqueline Y. Collins and Thomas Cullerton)

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

New Act
Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5
Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

20 ILCS 5/5-715

Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).

House Committee Amendment No. 2
Represents Katie Stuart  
HB 01652  (CONTINUED)

Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Modifies the additional responsibilities of the military liaison to include virtual, phone, or in-person periodic meetings with each military installation military and family support center. Provides for expedited occupational or professional licenses (rather than temporary occupational or professional licenses). Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. Removes a requirement specifying that an application to reactivate a license must include proof that the service member is assigned to a duty station in this State, is deployed overseas, or has orders (or a letter from his or her commander) designating that the service member shall be assigned within 180 days to a duty station in this State, or has established legal residence in this State. Makes conforming changes.

Senate Committee Amendment No. 1

Restores provisions specifying that fees paid by applicants for expedited occupational or professional licenses issued to service members and spouses of service members shall not be refundable.

HB 02100    (CONTINUED)

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate

Fiscal Note (State Board of Education)
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

Replaces everything after the enacting clause. If and only if Senate Bill 1863 of the 101st General Assembly becomes law in the form in which it passed the House of Representatives on May 21, 2020, then amends the Election Code. In provisions concerning changes for vote by mail official ballot mailing and processing for the 2020 general election, makes changes to the panels created by election authorities to compare the voter's signature on the certification envelope of the vote by mail ballot with the signature of the voter on file in the office of the election authority. Requires a vote of 3 of 3 election judges for a vote by mail ballot to be rejected because the signature on the certification envelope and the signature used by the election authority for verification purposes do not match or the certification envelope contains a signature but not in the proper location. Requires a majority vote (rather than a vote of 3 of 3 judges) for other specified reasons. If election judges (rather than 3 of 3 election judges) determine the ballot should be rejected for any reasons stated in the provisions, requires the judges to mark across the face of the certification envelope the word "rejected" and the date and names of the judges voting to reject the ballot. Requires all collection sites for vote by mail ballots to be secured by locks that may be open only by election authority personnel and requires the State Board of Elections to establish additional guidelines for the security of collection sites. Effective upon becoming law or on the date Senate Bill 1863 of the 101st General Assembly takes effect, whichever is later.

**HB 03503 (CONTINUED)**

Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 65 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer.

**House Committee Amendment No. 2**

Deletes reference to:

305 ILCS 5/5-16.8

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:

Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

**House Floor Amendment No. 3**

In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense).

In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

5 ILCS 375/6.16 new  
215 ILCS 5/356z.33 new  
305 ILCS 5/5-40 new

Amends the State Employees Group Insurance Act of 1971, Illinois Insurance Code, and the Illinois Public Aid Code. Provides that pasteurized donated human breast milk shall be covered under health insurance and the medical assistance program under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under health insurance and the medical assistance program. Effective January 1, 2020.

House Committee Amendment No. 1

Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the Department of Public Health).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective January 1, 2020.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the bill, as amended by Senate Amendment No. 1, with the following changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular atrophy. Makes other changes. Effective January 1, 2020.

HB 01613

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt and Napoleon Harris, III-Jacqueline Y. Collins)

625 ILCS 5/11-212

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

HB 00026

(Sen. Jacqueline Y. Collins-Patricia Van Pelt and Jim Oberweis-Mattie Hunter)

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% or was certified to be in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university and satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the university; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes from the applicability of the Act the University of Illinois, Illinois State University, Governors State University, Northeastern Illinois University, and Chicago State University; makes conforming changes. Provides that, beginning with the 2020-2021 academic year, each institution shall create a 4-year uniform admission system pilot program under the Act (rather than create a permanent uniform admission system). Makes other changes. Repeals the Act on July 1, 2025.

Fiscal Note, House Committee Amendment No. 1 (IL Board of Higher Education)
House Bill 26 (H-AM 1) will not have a fiscal impact on the Illinois Board of Higher Education.

House Committee Amendment No. 2
With regard to the student outreach program, removes a provision requiring the Illinois Student Assistance Commission, after gathering information and recommendations from available sources and examining current outreach practices by institutions of higher education in this State and in other states, to prescribe best practice guidelines and standards to be used by institutions in conducting student outreach.

Senate Floor Amendment No. 1
Provides that an applicant who graduates in a graduating class of a school that has so few students that class rank does not make a reliable contribution toward assessing the student's college readiness is considered to have satisfied certain automatic admission requirements of the Act if, among other requirements, the student has (i) successfully completed the minimum college preparatory curriculum requirements established by law for admission to the institution and (rather than or) (ii) satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the institution to which the applicant applied as well as any composite scores or subscores for colleges within that institution. Makes a technical correction.

HB 00027

New Act
Representative André Thapedi  
HB 00027     (CONTINUED)  

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the 
other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State 
appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees 
for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers 
of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially 
reasonable terms for the use by the academy. 

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)  
House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to 
two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two 
existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal 
note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 
750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF 
formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The 
bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new 
vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future 
as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The 
bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. 
This estimate does not include construction costs nor the operational costs of housing students in a residential facility as 
the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board 
of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the 
provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)  
House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which 
shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a 
laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational 
academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would 
increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 
EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for 
regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would 
have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations 
mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational 
school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new 
school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact 
EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school 
district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition 
of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs 
or the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost 
recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be 
determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.
Fiscal Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state
appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any the bill would have on local
judicial budgets.

Representative André Thapedi  
HB 02233 (CONTINUED)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)  
This bill will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)  
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that within the discretion of the court, the jury may be asked (rather than required by the court, and must be required on the request of any party) to find specially upon any material question or questions of fact submitted to the jury in writing. Provides that any party may request special interrogatories. Provides that submitting or refusing to submit a question of fact to the jury may be reviewed on appeal to determine whether the trial court abused its discretion (rather than as a ruling on a question of law). Provides that when any special finding of fact is inconsistent with the general verdict, the court shall direct the jury to further consider its answers and verdicts, and if, in the discretion of the trial court, the jury is unable to render a general verdict consistent with any special finding, the trial court shall order a new trial (rather than the former controls the latter and the court may enter judgment accordingly). Provides that during closing arguments, the parties shall be allowed to explain to the jury what may result if the general verdict is inconsistent with any special findings. Provides that the Act applies only to trials commencing on or after January 1, 2020. Effective immediately.

New Act

Creates the Assistance and Service Animal Integrity Act. Provides that a landlord who receives a request from a person to make an exception to the landlord's policy prohibiting animals on the landlord's property because the person requires the use of an assistance animal or service animal may require the person to produce reliable documentation, which may be a standardized form, of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the landlord. Provides that a landlord may require additional supporting documentation when necessary to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodation. Provides that a landlord shall not be liable for injuries caused by a person's assistance animal or service animal permitted on the landlord's property as a reasonable accommodation to assist the person with a disability. Provides that a landlord may require a tenant to cover the costs of repairs for damage the animal causes to the tenant's dwelling unit or the common areas, reasonable wear and tear excepted; however, a landlord may not require a tenant to pay a pet-related deposit that is otherwise required for tenants who are not requesting accommodation. Defines terms. Makes other changes.

Senate Floor Amendment No. 1
Representative André Thapedi  
**HB 03671 (CONTINUED)**

Replaces everything after the enacting clause. Creates the Assistance Animal Integrity Act. Defines terms. Provides that a housing provider who receives a request from a person to make an exception to the housing provider's policy prohibiting or restricting animals on the housing provider's property because the person requires the use of an assistance animal may require the person to produce reliable documentation of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the housing provider. Provides requirements for documentation that a person has a disability and requires the use of an assistance animal as a reasonable accommodation in housing under the federal Fair Housing Act or the Illinois Human Rights Act. Provides that a housing provider may deny a documented request for accommodation or rescind a granted request if the accommodation imposes either an undue financial and administrative burden or a fundamental alteration to the nature of the operations of the housing provider or if, after conducting an individualized assessment, there is reliable objective evidence that the specific assistance animal: (i) poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; (ii) causes substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or (iii) has engaged in a pattern of uncontrolled behavior that its handler has not taken effective action to correct. Provides that a housing provider may require a resident to cover the costs of repairs for damage the animal causes to the resident's dwelling unit or the common areas, reasonable wear and tear excepted, in the same manner it would for damage caused by any other resident, but may not require a resident to pay a pet-related deposit, pet fee, or related pet assessment and also may not require purchase of special liability insurance or coverage for the assistance animal. Provides that nothing in the Act shall be construed as requiring documentation of a specific diagnosis regarding a disability or disability-related need. Provides that nothing in the Act prohibits a housing provider from verifying the authenticity of the documentation submitted under the Act. Provides that, notwithstanding any other provision of law to the contrary, a housing provider shall not be liable for injuries caused by a person's assistance animal permitted on the housing provider's property as a reasonable accommodation to assist the person with a disability. Provides that nothing in the Act shall be construed to: limit individuals' rights under specified laws; or limit the liability of housing providers under such laws.

735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law;
service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition
in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil
Procedure. Effective immediately.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

HB 02400

730 ILCS 5/3-14-1.1 new

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victim Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or traumacertified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

815 ILCS 530/1

Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

House Committee Amendment No. 2

Deletes reference to:
815 ILCS 530/1

Adds reference to:
New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a
right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal
information about individual consumers must make disclosures to the individual regarding the collection of the information.
Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)
The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy
attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a
specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires
additional training and certifications, such as the Certified Information Privacy Professional designation issued by the
International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for
attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be
$86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total
$77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer
Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in
House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to
the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make
disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a
natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's
information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for
enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.
