Allows a public university or community college to use a multi-institution application, even if the application inquires about criminal history, but requires the public university or community college to disregard the information for the admission process. Allows a public university or community college to inquire about criminal history for certain purposes after the admission decision-making process, but forbids a public university or community college from rescinding an admission offer based on the information. New Act

Creates the Mental Health Early Action on Campus Act. Provides for intent, legislative findings, purposes of the Act, and definitions. Provides that to raise mental health awareness on college campuses, each public college or university in this State must complete specified tasks. Provides that the board of trustees of each public college or university must designate an expert panel to develop and implement policies and procedures that (i) advise students, faculty, and staff on the proper procedures for identifying and addressing the needs of students exhibiting symptoms of mental health conditions, (ii) promote understanding of the rules of Section 504 of the federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 to increase knowledge and understanding of student protections under the law, and (iii) provide training if appropriate. Provides that because peer support programs may be beneficial in improving the emotional well-being of the student population, each public college or university must develop and implement a peer support program utilizing student peers to support individuals living with mental health conditions on campus; specifies best practices for the peer support programs. Provides that each public college or university must form strategic partnerships with local mental health service providers to improve overall campus mental wellness and augment on-campus capacity; specifies what the partnerships must include. Requires the Board of Higher Education to develop a Technical Assistance Center; specifies the duties of the Center. Requires each public college or university to evaluate the required programs under the Act using specified criteria. Effective July 1, 2020.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

House Bill 2549, with House Amendment 1, is estimated to have a fiscal impact of up to $1.1 million on the Illinois State Board of Education's (ISBE) budget. Replaces everything after the enacting clause with the provisions of the introduced bill as amended by House Amendment No. 1 with the following changes: Provides that a kennel operator that maintains dogs or cats for boarding and that is not staffed at all times shall be equipped with at least one fire alarm system or fire sprinkler system in operating condition in every building of the kennel operator that is used for the housing of animals. Requires the kennel operator to certify in its license application and annually certify in its license renewal that either: (1) its facility has a fire alarm system or a fire sprinkler system, and shall include with the application or license renewal an attached description and picture of the make and model of the system used; or (2) the kennel is staffed at all times dogs or cats are on the premises, and shall include with the application or license renewal an attached staffing plan. Requires the Department of Agriculture to include the certification on each application for license or license renewal. Provides that a qualified fire inspector may inspect a kennel operator that maintains dogs and cats for boarding during the course of performing routine fire inspections. Allows the inspector to inform the Department if, during a routine inspection, the fire inspector determines that the kennel operator does not have a fire alarm system or fire sprinkler system. Provides that, for the purposes of the amendatory Act's provisions, veterinary hospitals, practices, or offices are not kennel operators. Effective January 1, 2020.

305 ILCS 5/5-16.8

Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 65 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer.

House Committee Amendment No. 2
Deletes reference to:
305 ILCS 5/5-16.8
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:

Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

House Floor Amendment No. 3

In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense).

Senate Floor Amendment No. 1

In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

HB 00027  

New Act  

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)  
House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)  
House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19. EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

815 ILCS 505/2Z from Ch. 121 1/2, par. 262Z

Amends the Eviction Article of the Code of Civil Procedure. Provides that upon the filing of an eviction action, the clerk of the circuit court shall immediately impound the court file unless: the tenancy is commercial; or the property the plaintiff seeks possession of is a condominium unit and at least one of the defendants named is the unit owner. Provides that the court shall make specific findings when an eviction order is entered against a defendant. Provides that the court may order a court file in an eviction be or remain impounded (rather than placed under seal) when the interests of justice outweigh the interests of the government and the public in maintaining a public record of the case (rather than clearly in the interests of justice and those interests are not outweighed by the public's interest in knowing about the record). Provides that a court file shall be impounded: (1) in any case not resulting in an eviction order entered in favor of the plaintiff; (2) in a foreclosure-related eviction action; (3) in a not-for-cause eviction action; or (4) if the parties to the eviction action so agree. Provides factors that the court shall consider in determining whether to grant or deny a motion or petition to impound or unimpound a court file. Provides that a consumer reporting agency shall not disclose the existence of a sealed or impounded eviction action in a consumer report or use an eviction action as a factor to determine a score or recommendation to be included in a consumer report pertaining to a person for whom dissemination has been prohibited. 820 ILCS 405/612  from Ch. 48, par. 442

Amends the Unemployment Insurance Act. In the case of a college or university meeting certain criteria, for services
performed in an instructional, research, or principal administrative capacity, provides that a person is presumed not to have reasonable
assurance of employment under an offer that is conditioned on enrollment, funding, or program changes. Provides that: it is the
employer's burden to provide sufficient documentation to overcome the presumption; reasonable assurance must be determined on a
case-by-case basis by the total weight of the evidence rather than the existence of any one factor; and primary weight must be given to
the contingent nature of an offer of employment based on enrollment, funding, and program changes. Provides that a letter from an
employer to an employee that makes employment conditional is not prima facie evidence of reasonable assurance to be used to deny a
claim for unemployment insurance.

HB 02604 (CONTINUED)

Creates the Safe Patient Limits Act. Provides the maximum number of patients that may be assigned to a registered nurse in specified situations. Provides that nothing shall preclude a facility from assigning fewer patients to a registered nurse than the limits provided in Act. Provides that nothing in the Act precludes the use of patient acuity systems consistent with the Nurse Staffing by Patient Acuity Act; however, the maximum patient assignments in the Act may not be exceeded, regardless of the use and application of any patient acuity system. Provides that the Department of Public Health shall adopt rules governing the implementation and operation of the Act. Provides that all facilities shall adopt written policies and procedures for training and orientation of nursing staff and that no registered nurse shall be assigned to a nursing unit or clinical area unless that nurse has, among other things, demonstrated competence in providing care in that area. Provides that the written policies and procedures for the training and orientation of nursing staff shall require that all temporary personnel receive the same amount and type of training and orientation that is required for permanent staff. Provides that the Act's provisions are severable.

HB 05338 (CONTINUED)

Amends the Child Care Act of 1969. Provides that the owner of a day care center that receives State funds directly or through a grantee may not close the day care center unless the owner: gives at least 90 days' written notice of the proposed closure to the parent or guardian of each child attending the day care center; advises the parent or guardian of at least 2 meetings to elicit comment from parents or guardians on the proposed closure; attends the meetings or designates managerial personnel to attend the meetings. Provides that the owner or managerial personnel attending the meetings must be prepared to discuss alternatives to closure or delay of the closure to give parents or guardians additional time to secure alternative day care arrangements. Provides that failure to comply with those requirements is a violation of the Act for which the Department of Children and Family Services may impose any appropriate penalty or grant any appropriate remedy. Provides that the new provisions do not apply to closure by the Department because continued operation would jeopardize the health, safety, morals, or welfare of children. Effective immediately.

Requires the Department to have the program operational within 6 months after receiving the certification. Contains provisions concerning implementation requirements.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:

Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Removes provisions amending the Illinois Public Aid Code.

Provides that if a firefighter who has more than 10 years of creditable service in a fund enters active service with a different municipality, he or she may elect to participate in the defined contribution plan in lieu of the defined benefit plan. Provides that if a fire chief to whom a specified provision of the Illinois Municipal Code applies (i) first becomes a member on or after January 1, 2020, (ii) is receiving pension payments, and (iii) reenters active service with any municipality that has established a pension fund under the Article, that fire chief may continue to receive pension payments while he or she is in active service, but shall only participate in a defined contribution plan and may not establish creditable service in the pension fund established by that municipality or have his or her pension recomputed. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Representative Robert Martwick  
HB 03302 (CONTINUED)  
Amends the Children with Disabilities Article of the School Code. Provides that, for the Chicago School District only, for 
complaints concerning delays and denials of special education services in the 2016-2017 or 2017-2018 school year, a complainant has 
no less than 2 years following the creation of the State Board of Education's compensatory education plan and notification of that plan 
to parents and guardians of impacted children to file a complaint if the complainant has not obtained relief through (i) the 
compensatory education plan, (ii) a due process claim, or (iii) mediation. Provides that the State Board's notification of its 
compensatory education plan to parents and guardians must include notification of the extended timeframe to file complaints under this 
subsection. Effective July 1, 2019.  
House Committee Amendment No. 1  
Adds reference to:  
105 ILCS 5/14-8.02e  
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. 
Provides that a complainant has no less than 2 years following the finalization (rather than creation) of the State Board of Education's 
student-specific corrective action plan per the State Board's 2017-2018 Public Inquiry Team's Corrective Action Report (rather than 
compensatory education plan) and notification of that plan to parents and guardians of potentially impacted (rather than only impacted) 
children to file a complaint concerning delays and denials of special education services; makes conforming changes. Removes 
provisions requiring certain conditions for a parent or guardian to file a complaint. Requires a respondent to include corrective action 
compliance documentation with all other documentation provided to a complainant. Effective July 1, 2019.  
Senate Floor Amendment No. 1  
Requires a request made under the State complaint procedures alleging a delay or denial of special education or related 
services in the 2016-2017 or 2017-2018 school year by the Chicago school district as a result of the adoption of policies and 
procedures identified by the State Board of Education as unlawful to be filed on or before September 30, 2021 (rather than, for 
complaints made under procedures authorized for delays and denials of special education services in the 2016-2017 or 2017-2018 
school year, a complainant has no less than 2 years following the finalization of the State Board of Education's student-specific 
corrective action plan per the State Board's 2017-2018 Public Inquiry Team's Corrective Action Report and notification of that plan to 
parents and guardians of potentially impacted children to file a complaint). Provides that, with respect to a student enrolled in the 
Chicago school district for or to whom appropriate special education or related services may have been delayed or denied in the 
2016-2017 or 2017-2018 school year as a result of the adoption of policies and procedures identified by the State Board of Education 
as unlawful, the school district must provide a written notification no later than 30 days after the first school day of the 2019-2020 
school year to (i) the parent or guardian of the student, (ii) a designated representative of the student, (iii) the student if he or she is an 
emancipated minor, or (iv) the student if he or she has reached the age of majority and does not have a designated representative that 
states that appropriate relief may be available through a State complaint procedure authorized under the School Code, State-sponsored 
mediation, or an impartial due process hearing under the Code. Specifies what the notification must include. Changes the effective date 
to immediate (rather than July 1, 2019).

Removes a provision allowing a delegated care aide to carry undesignated glucagon on his or her person while in school or at a school-sponsored activity. New Act

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity requesting the service.

Fiscal Note (Illinois State Police)
The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

HB 02668

(Sen. Mattie Hunter)

105 ILCS 5/2-3.176 new

Amends the School Code. Requires the State Board of Education to develop child opportunity zones as a means to deliver comprehensive and coordinated social services at or near schools in this State that are related to specific community needs and that will ultimately increase student performance in schools in the community; defines "child opportunity zone". Provides that a child opportunity zone must provide a means to integrate education, health, and social services into schools and link families to school and community resources. Provides that on or before August 1, 2020, and on or before each August 1 thereafter, the State Board must submit a report to the General Assembly on the number of children and families served by a child opportunity zone program and any other outcome data for each program. Requires the State Board to adopt rules.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (State Board of Education)
HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials, community colleges, and other adult education and workforce training providers. The position would also complete required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of Education to make funding available to provide assistance and supports to the child opportunity zones.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Changes the definition of "child opportunity zone" to mean a coordinated system of early childhood education (rather than a site at or near a school that provides early childhood education). Provides that, subject to appropriation, the State Board of Education, in cooperation with regional superintendents of schools, school districts, and other State and community agencies (rather than only the State Board), must develop child opportunity zones as a means to deliver comprehensive and coordinated social services in this State (rather than delivering them at or near schools in this State) that are related to specific community needs and that will ultimately increase student performance in schools in the community. Provides that in addition to funds appropriated by the General Assembly, the State Board may use funds appropriated by the General Assembly for other grant programs to implement child opportunity zone programs. Makes other changes.

Amends the Illinois Income Tax Act. Provides that a taxpayer who is a family caregiver is eligible to receive a nonrefundable income tax credit in an amount equal to 100% of the eligible expenditures incurred by the taxpayer during the taxable year related to the care of an eligible family member, but not exceed $1,500 for the same eligible family member. Provides that the term "eligible family member" means a person who: (1) is at least 18 years of age during a taxable year; (2) requires assistance with at least one activity of daily living; (3) is a resident of the State; and (4) is related to the family caregiver. Pension Note (Government Forecasting & Accountability)
HB 2974 amends the Illinois Income Tax Act in a way that does impact any pension system.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Revenue)
Representative Joyce Mason
HB 02974 (CONTINUED)

The fiscal impact of HB 2974 would be a reduction in income tax revenue by an estimated $870 million to $1.74 Billion per year depending on the assumed claim rate. This estimate is based on data from the AARP “Caregiving in the US” 2015 report. From there we estimate that there are 1.36 Million caregivers caring for an adult in Illinois. Following the bill’s language, we reduce that number to account only for those caring for an eligible family member. Based on the same data source we arrive to 1.16 Million caregivers that may qualify for this tax credit. When we apply the credit amount of $1,500 per qualified taxpayers to this latest figure, the result is $1.74 Billion in cost to the state - the upper limit of our estimate. The lower limit of the estimate accounts for the fact that in approximately 33% of the cases there is not a sole caregiver (based on the same data source). It also assumes that only 3 out of every 4 qualified taxpayers will claim the credit. For these two reasons in the lower limit we reduce the cost estimate to $870 Million per year, which is 50% of the upper limit.

The definition of eligible expenditures is very broad, including costs associated with improvements or alterations to the family residence to permit an eligible family member to remain mobile, safe, and independent; the cost to purchase or lease equipment necessary to assist an eligible family member in carrying on one or more activities of daily living; and the cost of other goods and services that assist in providing care, including personal care attendants, transportation, and legal and financial services. For this reason, we believe that it is reasonable to expect that taxpayers may easily reach to the full credit amount of $1,500 that the bill establishes. For comparison purposes, consider that there are almost 1.6 million returns clarifying retirement income in the state (according to the latest available return data, FY16). This group of taxpayers would likely be the main beneficiary of this bill proposal. This fact reinforces our findings. Furthermore, data from the Centers for Medicare and Medicaid office indicates that the home health care cost in Illinois is around $4.2 Billion annually. This additional fact further strengthens our estimated cost range.

Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

Amends the Medical Patient Rights Act. Provides that every woman has certain rights with regard to pregnancy and childbirth, including the right to receive care that is consistent with current scientific evidence about benefits and risks, the right to choose her birth setting, the right to be provided with certain information, and the right to be treated with respect at all times before, during, and after pregnancy by her health care professionals and to have a health care professional that is culturally competent and treats her appropriately regardless of her ethnicity, sexual orientation, or religious background. Requires the Department of Public Health, Department of Healthcare and Family Services, Department of Children and Family Services, and Department of Human Services to post information about these rights on their publicly available websites. Requires every health care provider, day care center, Head Start, and community center to post information about these rights in a prominent place and on their websites, if applicable. Requires the Department of Public Health to adopt rules to implement the provisions. Effective immediately.

Fiscal Note (Dept. of Public Health)

Provides that a woman has the right to a certified nurse midwife as her maternity care professional and to examine and receive an explanation of her total bill for services rendered. Specifies that nothing in the provisions or any rules adopted under them shall be construed to require a physician, health care professional, hospital, hospital affiliate, or health care provider to provide care inconsistent with generally accepted medical standards or available capabilities or resources. Makes other changes. Effective January 1, 2020 (rather than immediately).

HB 00006

20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)
The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Amends the Criminal Code of 2012. Provides that it is an aggravating factor in sentencing for first degree murder that the murdered individual was a member of a congregation engaged in prayer or other religious activities at a church, synagogue, mosque, or other building, structure, or place used for religious worship. Provides that assault and battery committed in a church, synagogue, mosque, or other building, structure, or place used for religious worship are enhanced to aggravated assault or aggravated battery. Provides that the penalty for aggravated assault under this provision is a Class A misdemeanor. Provides that aggravated battery under this provision is a Class 1 felony when the person causes great bodily harm or permanent disability to an individual whom the person knows to be a member of a congregation engaged in prayer or other religious activities at a church, synagogue, mosque, or other building, structure, or place used for religious worship. Provides that a person also commits the offense of unlawful use of weapons when the person knowingly carries or possesses with intent to use the same unlawfully against another, any firearm, knife, or other dangerous weapon, in any school church, synagogue, mosque, or other building, structure, or place used for religious worship. Provides that a violation is a Class 2 felony. Makes technical changes. Effective immediately.

Senate Committee Amendment No. 1

HB 02039

725 ILCS 5/116-2.2 new

Amends the Code of Criminal Procedure of 1963. Provides that a person serving a sentence for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance for which the statutory penalty has been subsequently reduced or altered may petition the trial court that entered the judgment of conviction to request resentencing or dismissal in accordance with the statutory penalty in effect at the time of the filing of the petition. Provides that upon verified petition for resentencing by the defendant, the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30-day notice of the filing of the petition seeking resentencing; (2) the statutory penalty for the offense for which the defendant was found guilty or convicted, since his or her plea of guilty or conviction, has been subsequently reduced or altered in a manner that includes, but is not limited to: (A) reducing the minimum or maximum sentence for the offense; (B) granting the court more discretion over the range of penalties available for the offense; or (C) changing the penalties associated with the offense or conduct underlying the offense in any way.
Amends the Educator Licensure Article of the School Code. With regard to applicants seeking a Professional Educator License or an Educator License with Stipulations provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills (rather than requiring passage of the test prior to starting their student teaching or starting the final semester of their internship). Provides that if an applicant completing a teacher education or school service personal preparation program fails the test of basic skills the first time he or she takes the test, the applicant may complete a full school year of student teaching or of an internship instead of being required to pass the test. Provides that an institution of higher learning may not require an applicant to complete the test of basic skills prior to completing a semester of student teaching or of an internship (rather than prior to the semester before student teaching or prior to the semester before starting the final semester of an internship). Provides that an individual who completes a full school year of student teaching or of an internship is not required to pass the test of basic skills again for subsequent endorsements or other educator licenses. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change:
Restores current law prohibiting an institution of higher learning from requiring an applicant to complete the test of basic skills prior to the semester before student teaching or prior to the semester before starting the final semester of an internship (rather than prior to completing a semester of student teaching or of an internship). Effective immediately.

Amends the Managed Care Reform and Patient Rights Act. Provides that every health insurance carrier that provides coverage for prescription drugs shall ensure that no fewer than 25% of certain individual and group plans offered shall apply a pre-deductible, flat-dollar copayment structure to the entire drug benefit. Requires the health insurance carriers to market the plans in the same manner as their other plans. Provides that if a health insurance carrier offers fewer than 4 plans, the health insurance carrier shall ensure that one plan shall use the drug benefit structure, including cost-sharing requirements. The fiscal impact of this legislation would range from $267,370,000 to $531,870,000 over the first 10 years after enactment. There would also be unknown costs for such amenities as consultants, monitors, outside contracts, as well as any unanticipated requirements and needs, making the full fiscal impact on the Department unknown. There would be no corrections population impact on the Department. Finally, there would be tasks currently conducted by Department staff that would not be able to be completed due to responsibilities required within House Bill 2925 as amended by House Amendment #1.

HB 03888

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% or was certified to be in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university and satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the university; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes from the applicability of the Act the University of Illinois, Illinois State University, Governors State University, Northeastern Illinois University, and Chicago State University; makes conforming changes. Provides that, beginning with the 2020-2021 academic year, each institution shall create a 4-year uniform admission system pilot program under the Act (rather than create a permanent uniform admission system). Makes other changes. Repeals the Act on July 1, 2025.

House Bill 26 (H-AM 1) will not have a fiscal impact on the Illinois Board of Higher Education.

House Committee Amendment No. 2

With regard to the student outreach program, removes a provision requiring the Illinois Student Assistance Commission, after gathering information and recommendations from available sources and examining current outreach practices by institutions of higher education in this State and in other states, to prescribe best practice guidelines and standards to be used by institutions in conducting student outreach.

Senate Floor Amendment No. 1

Provides that an applicant who graduates in a graduating class of a school that has so few students that class rank does not make a reliable contribution toward assessing the student's college readiness is considered to have satisfied certain automatic admission requirements of the Act if, among other requirements, the student has (i) successfully completed the minimum college preparatory curriculum requirements established by law for admission to the institution and (rather than or) (ii) satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the institution to which the applicant applied as well as any composite scores or subscores for colleges within that institution. Makes a technical correction.

35 ILCS 5/901 from Ch. 120, par. 9-901
Amends the Illinois Income Tax Act. Provides that, from February 1, 2020 through January 31, 2021, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2021 through January 31, 2022, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2022 through January 31, 2023, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2023, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although increasing the Local Government Distributive Fund (LGDF) diversion rate would have no effect on gross corporate or individual income taxes, there would be a decrease to the amount deposited into the General Revenue Fund and a corresponding increase to the amount deposited into the LGDF. Because the diversion rate would increase in February of each calendar year for four consecutive years beginning in 2020, the additional amount of money deposited into the LGDF would increase gradually for each of the next several fiscal years.
Amends the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. Changes the short title of the Act to the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act. Prohibits the sale or furnishing of tobacco products, electronic cigarettes, or alternative nicotine products to a person under 21 years of age. Prohibits the purchase of tobacco products, electronic cigarettes, or alternative nicotine products by a person under 21 years of age. Makes changes regarding definitions, age verification, penalties, possession, and other matters. Repeals the Smokeless Tobacco Limitation Act. Amends other Acts to make conforming changes. Effective July 1, 2019.

Rep. LaToya Greenwood-Jay Hoffman-Tony McCombie-Katie Stuart-Debbie Meyers-Martin, Mary Edly-Allen, Michael Halpin and Kelly M. Burke
(Sen. Christopher Belt, Paul Schimpf, Rachelle Crowe-Neil Anderson and Cristina Castro)

Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).
Representative Debbie Meyers-Martin
HB 01652  (CONTINUED)

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Modifies the additional responsibilities of the military liaison to include virtual, phone, or in-person periodic meetings with each military installation military and family support center. Provides for expedited occupational or professional licenses (rather than temporary occupational or professional licenses). Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. Removes a requirement specifying that an application to reactivate a license must include proof that the service member is assigned to a duty station in this State, is deployed overseas, or has orders (or a letter from his or her commander) designating that the service member shall be assigned within 180 days to a duty station in this State, or has established legal residence in this State. Makes conforming changes.

Senate Committee Amendment No. 1

Restores provisions specifying that fees paid by applicants for expedited occupational or professional licenses issued to service members and spouses of service members shall not be refundable.

Amends the Managed Care Reform and Patient Rights Act. Provides that every health insurance carrier that provides
 coverage for prescription drugs shall ensure that no fewer than 25% of certain individual and group plans offered shall apply a
 pre-deductible, flat-dollar copayment structure to the entire drug benefit. Provides that the flat-dollar copayment structure for
 prescription drugs must be reasonably graduated and proportionately related in all tier levels such that the copayment structure as a
 whole does not discriminate against or discourage the enrollment of individuals with significant health care needs. Requires the health
 insurance carriers to clearly and appropriately name the plans to aid in consumer or plan-sponsor plan selection. Requires the health
 insurance carriers to market the plans in the same manner as their other plans. Provides that if a health insurance carrier offers fewer
 than 4 plans, the health insurance carrier shall ensure that one plan shall use the drug benefit structure, including cost-sharing
 requirements. Requires the Department of Insurance to adopt rules necessary to implement and enforce the provisions. Effective

Amends the Developmental Disability and Mental Disability Services Act. Provides that the Department of Human Services shall establish family centers throughout the State to provide counseling and mental health services to families who are indigent based on any behavior or mental health condition as determined by Department rule. Provides that the Department shall employ or contract with psychiatrists, clinical psychologists, clinical social workers, and licensed marriage and family therapists to provide those services.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Developmental Disability and Mental Disability Services Act. Provides that subject to appropriation, the Department of Human Services' Division of Mental Health shall make available funding for the development and implementation of a comprehensive and coordinated continuum of community-based pilot programs for persons with or at risk for a mental health diagnosis that is sensitive to the needs of local communities. Provides that the funding shall allow for the development of one or more pilot programs that will support the development of local social media campaigns that focus on the prevention or promotion of mental wellness and provide linkages to mental health services, especially for those individuals who are uninsured or underinsured. Sets forth certain criteria a provider must meet to be considered for the pilot program, including the ability to: (i) implement the pilot program in an area that shows a high need or underutilization of mental health services; (ii) collaborate with other systems and government entities that exist in a community; and (iii) provide a presence staffed by mental health professionals in natural community settings, which includes any setting where an individual who has not been diagnosed with a mental illness typically spends time. Authorizes the Department to adopt and implement administrative rules necessary to carry out the pilot program.

Provides that the sustainable investment policy may be incorporated in existing investment policies developed, published, and implemented by a public agency or governmental unit. Amends the Deposit of State Moneys Act, the Public Funds Investment Act, and the Illinois Pension Code to make changes concerning investment policy and the Illinois Sustainable Investing Act. Provides findings and purpose provisions. Defines terms.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note (Office of the Treasurer)
HB 2460 will have no fiscal impact on the State Treasurer's Office as the Treasurer's office already has a published investment policy that includes material, relevant and decision-useful sustainability factors in accordance with this legislation. HB 2460 is likely to have a positive economic impact to the State of Illinois because evaluating sustainability factors in investment decision-making minimizes risks and maximizes returns on the state's investments.

House Floor Amendment No. 1

Provides that the sustainable investment policy developed under the Illinois Sustainable Investing Act shall include material, relevant, and decision-useful sustainability factors to be considered (currently, applied) by the public agency or governmental unit as one component of its overall evaluation of investment decisions. Provides that nothing in the Act prohibits a public agency or governmental unit from integrating additional factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership of public funds. Provides that the Act shall not apply to bank time deposits or bank processing services. Makes conforming changes.

House Floor Amendment No. 2

Provides that sustainability factors include, among other factors, human capital factors that recognize that the workforce is an important asset to delivering long-term value, including factors such as labor practices, responsible contractor and responsible bidder policies, employee health and safety, employee engagement, diversity and inclusion, and incentives and compensation (currently, responsible contractor and responsible bidder policies are not included as human capital factors).

Senate Committee Amendment No. 1

Provides that any public agency or governmental unit should (currently, shall) develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy should (currently, shall) include material, relevant, and decision-useful sustainability factors to be considered by the public agency or governmental unit as one component of its overall evaluation of investment decisions, which may (currently, shall) include specified items. Makes other changes concerning specified investment policies. Defines "financial institution". Makes conforming changes.

New Act
210 ILCS 135/14.5 new
405 ILCS 5/2-116 new

Creates the Authorized Electronic Monitoring in Community-Integrated Living Arrangements and Developmental Disability Facilities Act. Provides that under certain conditions, a resident of a living arrangement certified under the Community-Integrated Living Arrangements Licensure and Certification Act and a resident of a developmental disability facility shall be permitted to use an audio and video surveillance system in his or her room at his or her own expense. Requires the electronic monitoring device to be placed in a conspicuously visible location in the room. Requires the Department of Human Services to establish a program to distribute specified funds each year for the purchase and installation of electronic monitoring devices. Establishes criminal penalties for a person or entity that knowingly hampers, obstructs, tampers with, or destroys an electronic monitoring device. Contains provisions concerning: resident and roommate consent to monitoring; notice of electronic monitoring to the staff and visitors; limitations on the staff's access to recordings; the admissibility of recordings in civil, criminal, and administrative actions; staff reporting; liability; and rulemaking. Makes other changes. Amends the Community-Integrated Living Arrangements Licensure and Certification Act and Mental Health and Developmental Disabilities Code to make conforming changes. Provides that it is a business offense for a person to discriminate or retaliate against a resident for consenting to the electronic monitoring, or to prevent the installation or use of an electronic monitoring device by a resident who has provided specified notice and consent. Makes other changes. Effective January 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of the introduced bill as amended by House Amendment No. 2 and House Amendment No. 3 with the following changes. Removes language allowing specified individuals to consent to authorized electronic monitoring if the resident or the roommate has not affirmatively objected to the monitoring and his or her physician determines that he or she lacks the ability to understand and appreciate the nature and consequences of electronic monitoring. Provides that if a resident chooses to install an electronic monitoring device that uses Internet technology for visual or audio monitoring, that resident is responsible for installing a secure, password-protected network. In provisions amending the Community-Integrated Living Arrangements Licensure and Certification Act and the Mental Health and Developmental Disabilities Code, provides that intentionally retaliating or discriminating against any recipient for consenting to authorized electronic monitoring, or preventing the installation or use of an electronic monitoring device by a recipient under the Act, is a business offense punishable by a fine not to exceed $1,000 (rather than $10,000).

Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Adds reference to:
215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief. Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.
Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of “the entire differential”).

HB 01441

New Act

Creates the Wholesale Importation of Prescription Drugs Act. Requires the Department of Public Health to design an importation program where the State is the licensed wholesaler of imported drugs from licensed, regulated Canadian suppliers. Requires the program to address specified issues, including billing issues, cost savings issues, and safety and regulatory issues. Contains auditing and reporting requirements. Provides that the Department shall enlist the assistance of the Attorney General to identify the potential for anti-competitive behavior in industries that would be affected by an importation program. Requires the Department to submit a formal request to the Secretary of the United States Department of Health and Human Services for certification of the importation program. Requires the Department to have the program operational within 6 months after receiving the certification. Contains provisions concerning implementation requirements.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the department.

Pension Note (Government Forecasting & Accountability)
HB 1441 creates the Wholesale Importation of Prescription Drugs Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 1441, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Amends the Illinois Income Tax Act. Provides that a taxpayer who is a family caregiver is eligible to receive a nonrefundable income tax credit in an amount equal to 100% of the eligible expenditures incurred by the taxpayer during the taxable year related to the care of an eligible family member, but not exceed $1,500 for the same eligible family member. Provides that the term "eligible family member" means a person who: (1) is at least 18 years of age during a taxable year; (2) requires assistance with at least one activity of daily living; (3) is a resident of the State; and (4) is related to the family caregiver. Fiscal Note (Dept. of Revenue)
Representative Anna Moeller
HB 02974 (CONTINUED)

The fiscal impact of HB 2974 would be a reduction in income tax revenue by an estimated $870 million to $1.74 Billion per year depending on the assumed claim rate. This estimate is based on data from the AARP "Caregiving in the US" 2015 report. From there we estimate that there are 1.36 Million caregivers caring for an adult in Illinois. Following the bill’s language, we reduce that number to account only for those caring for an eligible family member. Based on the same data source we arrive to 1.16 Million caregivers that may qualify for this tax credit. When we apply the credit amount of $1,500 per qualified taxpayer to this latest figure, the result is $1.74 Billion in cost to the state - the upper limit of our estimate. The lower limit of the estimate accounts for the fact that in approximately 33% of the cases there is not a sole caregiver (based on the same data source). It also assumes that only 3 out of every 4 qualified taxpayers will claim the credit. For these two reasons in the lower limit we reduce the cost estimate to $870 Million per year, which is 50% of the upper limit.

The definition of eligible expenditures is very broad, including costs associated with improvements or alterations to the family residence to permit an eligible family member to remain mobile, safe, and independent; the cost to purchase or lease equipment necessary to assist an eligible family member in carrying on one or more activities of daily living; and the cost of other goods and services that assist in providing care, including personal care attendants, transportation, and legal and financial services. For this reason, we believe that it is reasonable to expect that taxpayers may easily reach to the full credit amount of $1,500 that the bill establishes. For comparison purposes, consider that there are almost 1.6 million returns clarifying retirement income in the state (according to the latest available return data, FY16). This group of taxpayers would likely be the main beneficiary of this bill proposal. This fact reinforces our findings. Furthermore, data from the Centers for Medicare and Medicaid office indicates that the home health care cost in Illinois is around $4.2 Billion annually. This additional fact further strengthens our estimated cost range.
