New Act
105 ILCS 5/27A-5
30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

HB 01475 (CONTINUED)

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Amends the Pawnbroker Regulation Act. Removes language providing that when a person is found to be the owner of stolen property that has been pawned, the property shall be returned to the owner without payment of money advanced to the pawnbroker or any costs or charges. Provides that stolen property subject to a hold order shall be returned to the owner without the payment. Provides that when a hold order expires, title to the property shall vest in the pawnbroker. Provides that a hold order must specify certain information concerning the criminal investigation and property subject to the hold order. Sets forth the requirements for the contents of the hold order. Provides that a pawnbroker or its representative must sign and date a copy of a hold order as evidence of receipt of the hold order and the beginning of the 90-day hold period.  
House Committee Amendment No. 1
Deletes reference to:

205 ILCS 510/9

Replaces everything after the enacting clause. Inserts the contents of the introduced bill, but deletes the elimination of the requirement that pawned stolen property be returned to its owner without payment of costs or charges imposed by the pawnbroker or money advanced by the pawnbroker. Deletes provisions regarding the ownership of property upon expiration of hold orders. Adds a provision reiterating the obligations of a pawnbroker with respect to the owner of pawned property. HB 01587

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt)

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may instead sentence the offender to a lesser term of imprisonment, probation, or conditional discharge if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that an offender convicted of a sex offense, robbery offense, or a crime of violence as defined in the Crime Victims Compensation Act (rather than an offense involving the infliction of great bodily harm) may not be sentenced to a lesser term of imprisonment, probation, or conditional discharge.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Replaces the provisions of the introduced bill with changes. Provides that in imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of
this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration
enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities
remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools
and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2)
State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities,
nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental
health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that
within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall
review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that
information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law
enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including
any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to
questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement
agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.
Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney
General could cover the work.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the
effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and
Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official
from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

5 ILCS 312/3-103 from Ch. 102, par. 203-103

Amends the Illinois Notary Public Act. Modifies the required disavowal of legal representation notice. Provides that the
failure of a notary public to follow specified notice requirements shall result in a fine of $1,500 (currently, $1,000) for each written
violation. Provides that a second (rather than third) violation shall result in permanent revocation of the commission of notary public
(currently, a second violation results in suspension of notary authorization). Provides that prior to rendering notary public services to a
person seeking such services, a notary public shall, in addition to any written or electronic notice, also give a verbal disavowal of legal
representation that is substantially the same as the statement required for written and electronic advertisements of notary services.
Provides that upon providing the verbal disavowal of legal representation, the person seeking notary services shall be provided with an
acknowledgment form reciting the disavowal of legal representation, and be required to sign such form acknowledging that he or she
has been advised and understands that the notary public is not a licensed attorney and is not otherwise authorized to provide legal
advice or services. Provides that the acknowledgment form shall be prescribed by the Secretary of State and be made available in
English and in the non-English language in which notary services were solicited.

House Committee Amendment No. 1

Requires every notary public who is not an attorney or an accredited immigration representative to, prior to rendering notary
services, provide any person seeking notary services with a written acknowledgment. Provides for the contents of the written
acknowledgment. Provides that the provision shall not apply to notary services related to documents prepared or produced in
accordance with the Illinois Election Code. Removes provisions concerning a verbal disavowal of legal representation and the
production of an acknowledgment form reciting the disavowal of legal representation to be signed by the person seeking notary
services.

House Floor Amendment No. 2
Provides that every notary public who is subject to specified provisions and who is not an attorney or an accredited immigration representative (currently, who is not an attorney or an accredited immigration representative only) shall, prior to rendering notary services, provide any person seeking notary services with a written acknowledgment. Provides that the acknowledgment shall be signed by the recipient of notary services before notary services are rendered, and the notary shall retain copies of all signed acknowledgments throughout their present commission and for 2 years thereafter. Provides that notaries shall provide recipients of notary services with a copy of their signed acknowledgment at the time services are rendered.

Senate Committee Amendment No. 1

Requires notaries public to provide a written acknowledgment in English and the language used in the advertisement for notary services. Requires the Office of the Secretary of State to translate an acknowledgment concerning notary services into Spanish and any other language the Secretary of State may deem necessary to achieve specified requirements, and to make the translations available on the website of the Secretary of State. New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)
Representative Celina Villanueva
HB 02691 (CONTINUED)

The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

HB 02491 (CONTINUED)

Amends the Environmental Protection Act. Provides that to the extent allowed by federal law, uncontaminated plastics that meet feedstock specifications for a gasification facility or pyrolysis facility, and that are further processed by a gasification facility or pyrolysis facility and returned to the economic mainstream in the form of crude oil, diesel, gasoline, home heating oil or other fuels, chemicals, waxes, lubricants, chemical feedstocks, diesel and gasoline blendstocks, or other raw materials or intermediate or final products, are considered recycled and are not subject to regulation as waste. Defines terms for these provisions. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Provides that, to the extent allowed by federal law, uncontaminated plastics that have been processed into a feedstock meeting feedstock specifications for a plastics gasification facility or plastics pyrolysis facility, and that are further processed by such a facility and returned to the economic mainstream in the form of raw materials or products, are considered recycled and are not subject to regulation as waste. Provides that the Environmental Protection Agency may propose to the Pollution Control Board for adoption, and the Board may adopt, rules establishing standards for materials accepted as feedstocks by plastics gasification facilities and plastics pyrolysis facilities, rules establishing standards for the management of feedstocks at plastics gasification facilities and plastics pyrolysis facilities, and any other rules, as may be necessary to implement and administer the amendatory Act's provisions.

House Floor Amendment No. 2

Provides that if permitting and construction for the pilot project has not commenced by July 1, 2025, the amendatory Act's provisions are repealed. Provides that the amendatory Act's effective date is July 1, 2020 (rather than immediate). Makes other changes.

House Floor Amendment No. 3

New Act
Represents Emanuel Chris Welch
HB 01637 (CONTINUED)  
Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

House Floor Amendment No. 2
Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

With respect to school discipline improvement plans, makes changes to how the State Board of Education determines the top 20% of school districts, when notification is given that a plan must be submitted, which school districts are required to submit a plan, the timeframe for school board approval of a plan and submission of that plan to the State Board, and when additional annual progress reports are required. Establishes the Safe Schools and Healthy Learning Environments Grant Program and grants under the program. Sets forth requirements for grant applicants and provisions for the distribution of funds appropriated for the program. Requires the State Board of Education to issue a yearly report on the results of the program in cooperation with school districts participating in the program. Provides that the State Board may adopt any rules necessary for the program. Effective immediately.

105 ILCS 5/2-3.176 new

Replaces everything after the enacting clause. Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total number of school days missed by the student, and the incident type that caused the suspension, expulsion, or removal to an alternative setting. Provides that, in compiling the report, the State Board of Education must use the same disclosure avoidance standards used by the United States Department of Education in its public reporting of data submitted by each school district as part of the Civil Rights Data Collection and must also ensure that cross-tabulation by the various categories of disaggregation is possible. Makes other changes.

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate
Fiscal Note (State Board of Education)
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Representative Emanuel Chris Welch
HB 02100     (CONTINUED)

Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

New Act

Creates the Mental Health Early Action on Campus Act. Provides for intent, legislative findings, purposes of the Act, and definitions. Provides that to raise mental health awareness on college campuses, each public college or university in this State must complete specified tasks. Provides that the board of trustees of each public college or university must designate an expert panel to develop and implement policies and procedures that (i) advise students, faculty, and staff on the proper procedures for identifying and addressing the needs of students exhibiting symptoms of mental health conditions, (ii) promote understanding of the rules of Section 504 of the federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 to increase knowledge and understanding of student protections under the law, and (iii) provide training if appropriate. Provides that because peer support programs may be beneficial in improving the emotional well-being of the student population, each public college or university must develop and implement a peer support program utilizing student peers to support individuals living with mental health conditions on campus; specifies best practices for the peer support programs. Provides that each public college or university must form strategic partnerships with local mental health service providers to improve overall campus mental wellness and augment on-campus capacity; specifies what the partnerships must include. Requires the Board of Higher Education to develop a Technical Assistance Center; specifies the duties of the Center. Requires each public college or university to evaluate the required programs under the Act using specified criteria. Effective July 1, 2020.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

5 ILCS 140/7.5
15 ILCS 505/16.8 new

Amends the State Treasurer Act. Provides that the State Treasurer shall establish the Illinois Higher Education Savings
Program for the purpose of expanding access to higher education through savings. Provides for enrollment in the Program. Provides
further duties and requirements of the Treasurer regarding the Program. Creates the Illinois Higher Education Savings Program Fund
as a fund held outside of the State treasury to be the official repository of all contributions, appropriations, interest, and dividend
payments, gifts, or other financial assets received by the State Treasurer in connection with the operation of the Program or related
partnerships. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to
implement the Program. Amends the Freedom of Information Act to provide an exemption for information that is exempt from
disclosure under the Illinois Higher Education Savings Program.

House Floor Amendment No. 2

Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of
Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education
Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)
Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

House Floor Amendment No. 3
Modifies the definition of "eligible child".

Amends the Eviction Article of the Code of Civil Procedure. Provides that upon the filing of an eviction action, the clerk of the circuit court shall immediately impound the court file unless: the tenancy is commercial; or the property the plaintiff seeks possession of is a condominium unit and at least one of the defendants named is the unit owner. Provides that the clerk of the circuit court shall automatically seal an eviction action no later than 5 years after a plaintiff's initial filing. Provides that a person shall not disseminate any information contained in a sealed or impounded court file. Provides that a consumer reporting agency shall not disclose the existence of a sealed or impounded eviction action in a consumer report or use an eviction action as a factor to determination a score or recommendation to be included in a consumer report pertaining to a person for whom dissemination has been prohibited. New Act

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity requesting the service.

Fiscal Note (Illinois State Police)

The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

605 ILCS 10/11 from Ch. 121, par. 100-11

Amends the Toll Highway Act. Provides that, if the acquisition, construction, relocation, operation, regulation, or maintenance of a toll highway requires the relocation of public utilities due to the elimination of a tollway oasis bridge, the Illinois Highway Authority must conduct an assessment in order to determine the most cost-effective means of providing utility service to associated tollway property that remains. Provides that such an assessment shall include an estimate of the total cost of the required relocation of the utilities, an examination of alternative options for the provision of utilities to the relevant tollway property, and the associated costs of each. Provides that, if the assessment indicates that the most cost-effective means of providing utility service to tollway property is via the adjacent municipality, the Authority shall require that the relevant utilities be provided to the tollway property by the adjacent municipality, which shall be appropriately compensated from the sales tax proceeds generated from the subject tollway property. Provides for an intergovernmental agreement to effectuate adequate compensation for the adjacent municipality. Provides that, when a tollway oasis bridge is eliminated, the Authority must conduct an assessment in order to determine the impacts the modification will have on adjacent municipalities and whether, in the interest of equity, such adjacent municipalities should share in any sales tax revenues. Provides that the analysis shall consider several specific criteria relating to pollution, private nuisance, frequency of usage, and the need for public services. Provides that, if the Authority determines that any municipality adjacent to the tollway property is substantially impacted by activities or businesses conducted on the property, it shall be appropriately compensated. Provides that the Authority, the municipality wherein the tollway property is located, and the impacted adjacent municipality shall enter into an intergovernmental agreement to effectuate the requirements and provide for adequate compensation.

House Floor Amendment No. 1

Deletes reference to:

305 ILCS 22/20

Adds reference to:

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires the Department of Human Services to provide child care services to all children who are eligible for assistance and are: (A) under age 13; or (B) under age 19 and (i) are under court supervision or (ii) have physical or mental incapacities as documented by a statement from a local health provider or other health professional. Deletes a provision that authorizes the Department to: (i) lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year as are necessary to ensure that child care benefits paid under the Illinois Public Aid Code do not exceed the amounts appropriated for those child care benefits; and (ii) accomplish such changes by emergency rule. Effective July 1, 2019.

House Floor Amendment No. 2

Restores a provision that authorizes the Department of Humans Services to: (i) raise parent co-payments, create waiting lists, or take such other actions during a fiscal year (rather than lower income eligibility ceilings, raise parent co-payments, create waiting lists, or take such other actions during a fiscal year) as are necessary to ensure that child care benefits paid under the Illinois Public Aid Code do not exceed the amounts appropriated for those child care benefits; and (ii) accomplish such changes by emergency rule. Deletes language that exempts the Department from the limitation on the number of emergency rules that may be adopted in a 24-month period.

820 ILCS 112/10
820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2
Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Commerce and Economic Opportunity shall create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to prepare and support individuals for careers in water infrastructure. Provides specified groups that may be provided with grants and other financial assistance on a competitive annual basis. Directs the Department to coordinate with the Environmental Protection Agency, Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects. Provides that the Department may select a Program Administrator. Provides that recipients of grants or other financial assistance under the Program shall report annually to the Department. Amends the State Finance Act. Creates the Clean Water Workforce Development Fund.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)  
This bill does not create a State mandate.

Fiscal Note (Dept. of Commerce & Economic Opportunity)  
HB 3349 requires DCEO to award grants designed to encourage and facilitate employment in water infrastructure careers. Competitive awards shall be made for various activities including: identification of individuals for job training in the water sector; counseling, preparation, skills training, and other support to increase a candidate's likelihood of success in a job training program and career; and several others. While HB 3349 requires DCEO to make the grants, the legislation does not specify a funding source for the program. Without a funding source, the legislation represents a potential unfunded mandate on the agency. Without additional information on available funding and the number of grants required to be awarded, the Department lacks the ability to determine program scope and ongoing implementation costs. As a result, we are unable to determine the fiscal impact of this legislation.

Amends the Environmental Protection Act to prohibit lead-acid battery retailers from disposing of lead-acid batteries by delivery to a collection or recycling facility, unless that collection or recycling facility accepts lead-acid batteries. Prohibits the knowing mixing of lead-acid batteries with material intended for collection as a recyclable material by a hauler, and the knowing placement of a lead-acid battery into a container intended for collection and processing at a recycling center. Defines "rechargeable battery". Prohibits any person from knowingly disposing of a rechargeable battery, either as municipal waste or as a recyclable material. Denies home rule units from regulating the collection or disposal of rechargeable batteries. Requires the Agency to provide educational information regarding rechargeable batteries on its website. Requires the Agency to encourage the waste industry, recyclers, haulers, local governments, and other stakeholders to collaborate on educating the public regarding the collection and recycling of rechargeable batteries. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines "rechargeable battery" partly as any battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode (currently, partly as any dry cell battery containing an electrode composed of cadmium or lead, or any combination thereof, of any shape). Removes language providing that, beginning January 1, 2020, no person shall knowingly mix a rechargeable battery that is intended for disposal at a sanitary landfill with any other municipal waste. Provides that unless expressly authorized as part of a recycling collection program, beginning January 1, 2020 no person shall knowingly mix a rechargeable battery or any appliance, device, or other item that contains a rechargeable battery with any other material intended for collection by a hauler as a recyclable material or place a rechargeable battery or any appliance, device, or other item that contains a rechargeable battery into a container intended for collection by a hauler for processing at a recycling center. Removes a provision prohibiting home rule units from regulating the collection or disposal of rechargeable batteries. Effective immediately.

House Floor Amendment No. 3

Redefines "rechargeable battery" as one or more voltaic or galvanic cells, electrically connected to produce electric energy, that is designed to be recharged for repeated uses, but includes a battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode, that is designed to be recharged for repeated uses (currently, as any battery containing lithium ion, lithium metal, or lithium polymer or that uses lithium as an anode or cathode, is designed for reuse, and is capable of being recharged after repeated uses). Provides that specified acts shall only be done if expressly authorized by (currently, authorized as part of) a recycling collection program. Provides that the Agency shall include on its website information regarding the recycling (currently, collection and recycling) of rechargeable batteries. Removes language requiring the Agency to undertake other communications to educate the public regarding the collection and recycling of rechargeable batteries.

Provides that "geolocation information" means information that is (i) generated or derived from the operation or use of an electronic communications device, (ii) stored and sufficient to identify the street name and the name of the city or town in which an individual is located, and (iii) likely to enable someone to determine an individual's regular pattern of behavior. Removes a provision requiring material and instruction to include, with an emphasis on workplace environment and life on a college campus, discussion on what constitutes sexual consent.

735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1
Representative Ann M. Williams
HB 03677 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

Rep. Lance Yednock

215 ILCS 5/143.5 new

Amends the Illinois Insurance Code. Requires insurance policies to be written in language easily readable and understandable by a person of average intelligence and education. Provides the factors the Director of Insurance shall consider in making the determination that the policy is easily readable and understandable by a person of average intelligence and education.

Fiscal Note (Dept. of Insurance)
Some states have requirements related to the Flesch Test Readability which could greatly assist in adhering to the requirements of this bill. However, the bill in its current form provides little guidance on what “understandable” means, which could vary greatly from individual to individual. To meet the requirements as described within HB 3451 the Department anticipates the need for, at minimum, eight (8) additional insurance analyst positions within three of our insurance compliance units, Life, Health and Property/Casualty, with a projected fiscal impact to the Illinois Department of Insurance of just over $978,500 in personal services and related expenditures.
State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Adds reference to:
35 ILCS 505/8 from Ch. 120, par. 424
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Amends the Motor Fuel Tax Law making conforming changes. Further amends the new Article 24 of the Township Code as follows: removes provisions regarding the scope of the Article; modifies the petition requirements to dissolve a township, including signature requirements and publication of the petition on the county’s website; modifies the referendum wording; clarifies that road districts that are to be dissolved must be wholly within the boundaries of the township; adds examples of duties that are transferred to the county; limits specified taxes and proceeds of the sale of specified properties to the use and benefit of the geographic area of the dissolved township; provides that reductions in spending within the boundaries of the former township and specified tax levies may be used to pay down liabilities of the former township; provides that if a no municipality makes an offer or a municipality doesn’t make a satisfactory offer (rather than only no offers made) to take over part of a dissolved road district, then the county may retain the powers over the road district; provides that elected and appointed township officers and road commissioners shall cease to hold office on the date of dissolution of the township and road districts, no longer be compensated, and do not have legal recourse relating to the ceasing of their elected or appointed positions upon the ceasing of their offices. Effective immediately.

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide
sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide).
Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions
information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency
describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing
permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on
the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage
of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide
sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a
manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions
limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum
cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not
exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the
State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Representative Sam Yingling
HB 03888 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

Specifies that a "mobile carrying device" is primarily designed to remain within 10 (instead of 25) feet of the personal property owner. Provides that a local authority may reasonably regulate the operation of mobile carrying devices in its jurisdiction. Amends the Cook County Article of the Illinois Pension Code. Provides that a participant may establish service credit and earnings credit for periods of furlough beginning on or after December 1, 2017 and ending on or before November 30, 2018 if the participant applies before December 31, 2019, makes a specified contribution, and meets other criteria. Provides that a participant may establish earnings credit for periods of salary reduction beginning on or after December 1, 2017 and ending on or before November 30, 2018 if the participant applies before December 31, 2019, makes a specified contribution, and meets other criteria. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Fiscal Note (Government Forecasting & Accountability)
HB 2071 will have no fiscal impact upon the Commission on Government Forecasting and Accountability's operations or budget.

Pension Note (Government Forecasting & Accountability)
Because the Cook County Pension Fund indicates that it does not track how many members are forced to take furlough days, the number of members eligible to purchase service credit under the circumstances proposed in HB 2071 is unknown.

State Debt Impact Note (Government Forecasting & Accountability)
HB 2074 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Provides that a participant establishing service credit and earnings credit for periods of furlough or salary reduction must be an active participant and must pay the specified employee contributions while he or she is an active participant and within 12 months after the date of application. Provides that to receive the service credit and earnings credit for periods of furlough, the participant must not receive compensation or any type of remuneration from the county (instead of compensation) for any furlough period and must provide a written certification from the county stating that the participant has not received compensation or any type of remuneration from the county for such furlough days. Provides that to receive the service credit and earnings credit for periods of salary reduction, the participant must not receive compensation or any type of remuneration from the county for any reduction in salary and must provide a written certification from the county stating that the participant has not received compensation or any type of remuneration from the county for such reduction in salary. Specifies that the employer's normal cost for the purposes of the provision shall be determined by the Fund's actuarial valuation for the year ending December 31, 2018. Provides that any payments received under the provisions shall be considered contributions made by the employee for the purposes of determining the annual tax levy and county contribution rate under the Cook County and Cook County Forest Preserve Articles. Makes other changes. Effective immediately.

Amends the Revised Uniform Unclaimed Property Act. Provides that property due or owed by a business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the administrator more than 10 years after the holder filed a non-fraudulent report with the administrator (rather than after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language regarding the tolling of the period of limitation. Provides instead that the parties may agree to extend the period of limitation. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder more than 10 years after the duty arose. Provides that if a person subject to examination does not retain the records, the administrator may use specific estimation techniques to determine the amount of unclaimed property and shall incorporate a net method of extrapolation (rather than determine the value of property due using a reasonable method of estimation based on all information available to the administrator). Deletes language providing that a payment made based on estimation is a penalty for failure to maintain the records and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled. Provides that a holder may request a hearing to contest the use or validity of the estimation technique. Provides that the examination is final upon the failure of the holder to request a hearing. Provides that if a hearing is held, the State Treasurer shall issue an order approving or disapproving the use or validity of the estimation techniques. Deletes language providing that if the administrator contracts with a person, the contract may provide for compensation of the person based on a contingent fee. Deletes language providing that an initial report filed for property that was not required to be reported before the Act took effect must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date as if the Act had been in effect during that period.

225 ILCS 25/13.5 new
Amends the Illinois Dental Practice Act. Changes the definition of "public health dental hygienist." Provides that the requirement that a public health dental hygienist have additional structured courses in dental education in advanced areas specific to public health dentistry shall include emergency procedures for medically compromised patients, pharmacology, medical recordkeeping procedures, geriatric dentistry, pediatric dentistry, and pathology provided by an educational institution accredited by the Commission on Dental Accreditation, such as a dental school or dental hygiene program, or a statewide dental association, approved by the Department of Financial and Professional Regulation to provide continuing education, that has developed and conducted training programs for expanded functions for dental assistants and hygienists. Provides that the training program must include a minimum of 26 hours of didactic study; include 8 hours of in-person classroom experience with an outcome assessment examination that tests the competency of the didactic subjects required by the Act; require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist; issue a certificate of completion of the training program, which must be kept on file at the supervising dentist's office and which will be made available to the Department upon request; and operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Specifies the number of hours of education required in certain advanced areas specific to public health dentistry and requires that the training program for a public health dental hygienist include a minimum of 29 hours of didactic study in those areas (instead of a minimum of 26 hours of didactic study). Provides that the education in advanced areas specific to public health dentistry may be provided by a statewide dental hygiene association that meets certain requirements. Provides that the didactic study may be taken in compliance with specified continued learning education requirements. Provides that the training program for a public health dental hygienist must require completion of 5 hours of didactic courses in the topic areas of special needs dentistry, teledentistry, nutritional needs of geriatric and low income patients, communication techniques with non-English speaking patients, cultural competency, and professional ethics. Provides that the training program must require completion of an 8 hour in-person classroom review (instead of classroom experience) that includes a comprehension exam on specified topics (instead of an outcome assessment examination) and submit certification of successful completion to the supervising dentist. Removes a requirement that the training program require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist. Makes grammatical and other changes.
