HB 00006

20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)
The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)
HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

(Sen. Iris Y. Martinez, David Koehler, Ram Villivalam-Napoleon Harris, III and Robert Peters-Omar Aquino)

110 ILCS 48/10
110 ILCS 48/15
Amends the Grow Your Own Teacher Education Act. Makes changes to the definitions of "cohort", "eligible school", and "hard-to-staff school", and defines "dual credit course". Provides that Grow Your Own Illinois (rather than the Board of Higher Education) shall administer the Grow Your Own Teacher Education Initiative as a grant competition to fund consortia that will carry out Grow Your Own Teacher preparation programs. In provisions concerning selection of grantees, provides that the Board of Higher Education shall, subject to appropriation, allocate funds to Grow Your Own Illinois for the purpose of administering the program and awarding grants under the Act (rather than requiring the Board of Higher Education to award grants under the Act). Removes the language providing that the consortium shall consider whether a candidate has experienced an interruption in his or her college education when recruiting potential candidates for the program. Provides that, subject to the requirements under the Dual Credit Quality Act, an institution of higher education may offer a high school student a dual credit course under the program. Provides that the Board of Higher Education may not adopt rules regarding candidate eligibility that are more restrictive than those in the Act. Makes conforming changes. Effective immediately.

Fiscal Note (IL Board of Higher Education)
This bill will not have a fiscal impact on the Illinois Board of Higher Education.

HB 01613

(Sen. Elgie R. Sims, Jr.-Patricia Van Pelt and Napoleon Harris, III-Jacqueline Y. Collins)

625 ILCS 5/11-212

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)
The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

Amends the Eviction Article of the Code of Civil Procedure. Provides that upon the filing of an eviction action, the clerk of the circuit court shall immediately impound the court file unless: the tenancy is commercial; or the property the plaintiff seeks possession of is a condominium unit and at least one of the defendants named is the unit owner. Provides that the court shall make specific findings when an eviction order is entered against a defendant. Provides that the court may order a court file in an eviction be or remain impounded (rather than placed under seal) when the interests of justice outweigh the interests of the government and the public in maintaining a public record of the case (rather than clearly in the interests of justice and those interests are not outweighed by the public's interest in knowing about the record). Provides that a court file shall be impounded: (1) in any case not resulting in an eviction order entered in favor of the plaintiff; (2) in a foreclosure-related eviction action; (3) in a not-for-cause eviction action; or (4) if the parties to the eviction action so agree. Provides factors that the court shall consider in determining whether to grant or deny a motion or petition to impound or unimpound a court file. Provides that the clerk of the circuit court shall automatically seal an eviction action no later than 5 years after a plaintiff's initial filing. Provides that a person shall not disseminate any information contained in a sealed or impounded court file. Provides that a consumer reporting agency shall not disclose the existence of a sealed or impounded eviction action in a consumer report or use an eviction action as a factor to determination a score or recommendation to be included in a consumer report pertaining to a person for whom dissemination has been prohibited. West, II, Will Guzzardi and Kelly M. Cassidy

730 ILCS 5/3-14-1.1 new

Amends the Unified Code of Corrections. Provides that a committed person who is at least 50 years of age and who has served at least 30 consecutive years of imprisonment in a Department of Corrections institution or facility may petition the Department for participation in the Pathway to Community Program, which is a 5-year pilot program within the Department of Corrections. Provides that a maximum of 15 males and a maximum of 15 females may be selected for the Program. Excludes from the Program persons convicted of first degree murder of a peace officer or firefighter and sexual predators. Establishes eligibility requirements for the Program. Provides that before a participant is selected for the Program, the petitioner shall successfully complete an atonement and restorative justice program prepared by the Department. Following completion of this program of atonement and restorative justice, the Department shall notify the victim and the family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. Up to $1,000 of trauma-informed victim services or trauma-certified professional therapy shall be provided by the Department to family members of the victim of the petitioner's offense. Provides that optional participation by family members of the victim of petitioner's offense shall be provided by the Department at no cost to the family members of the victim. Provides that time served in the Program shall be credited toward time served on the sentence. Provides that the Program is terminated 6 years after the effective date of the amendatory Act.

Correctional Note (Dept of Corrections)
The impact of this legislation on the Department will depend on how many offenders would be accepted into and complete the Pathway to Community Program, how many offenders would receive executive clemency, how many staff are needed to meet the requirements outlined in this legislation, how victims and their families respond, and how fiscal needs will be met. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown since program participants must petition for Governor clemency to receive an early release from prison based on their progress through the program. Also, though participants may be released from prison before their expected parole or mandatory supervised release date, the end date of their supervised release period does not change, leaving the offender under the jurisdiction of the Department for the entirety of their sentence. Second, House Bill 2400 does not specify the components of an atonement and restorative adjustment program. The Department does not currently operate such a program. In addition, Department efforts are presently focusing on evidence-based programs. Therefore, an atonement and restorative adjustment program would have to be created, or acquired, and this will result in costs for program development and/or acquisition. Staff would have to develop a research design necessary to implement a program with a potentially high success rate for older offenders who have been incarcerated for many years, and then develop and study the specific components. Among many undertakings, staff would have to be trained; selection criteria and methods would have to be developed; policies would be written; means to measure if offenders have demonstrated reform, changed behavior, remorse, and the ability to socialize; renunciation of criminal activity and gang affiliation would have to be identified; and outcome measures would have to be constructed. Moreover, this legislation specifies that offenders must participate for 5 years; however, there is no indication in House Bill 2400 as written for the justification for mandating that time period. The costs for these responsibilities, as well as costs for acquisition of licensed curriculum and supplies, if available, are unknown at this time. Third, House Bill 2400 stipulates that, following completion of this program of atonement and restorative justice, the Department shall make an exhaustive effort to find and notify family members of the victim of the petitioner's offense and to afford them the opportunity to participate in the Department's final selection process for the Pathway to Community Program. This presents numerous logistical problems for Department staff. Records are very old, and documents may not identify victims by name or where to contact them after more than 30 years. Department staff currently struggle to get victim information from the courts. Many victims' families would have to be contacted, and if found, may not want to participate in any activities with the offenders, relive the memories, or even be identified at all. Many victims want absolutely nothing to do with their offenders. Correctional staff do not treat victims; there are no staff to perform any necessary therapeutic services to victims. If the victims refuse this service, the Department is unsure if it would be mandated to withhold the program if a victim chooses not to participate. Despite efforts made by centralized program staff, as well as the facility staff, Victims Services is already inundated with work related to assisting the victims of Illinois' 39,000 inmates and 27,000 parolees. Current Victim Services staff would not be able to assist in meeting House Bill 2400 provisions. The Department estimates this program would need to be implemented in two facilities, one for males and one for females. The Department also estimates two additional staff members would need to be employed at each facility where Pathway programs are implemented, one to assist in Victim Services and one to assist in the administrative tasks of the program. Staff are estimated at an annual cost of $100,000 each for salary and benefits. Fourth, House Bill 2400 provides that up to $1,000 of trauma-informed victim services or traumacertified professional therapy must be provided by the Department to family members of the victim of the petitioner's offense. Insurance policies of the family members of the victim of the petitioner's offense or family members' financial resources shall first be used to pay the costs of these services or therapy. Optional participation by family members of the victim of petitioner's offense would be provided by the Department at no cost to the family members of the victim. The impact of these fiscal constraints on the Department cannot be identified until the program is implemented, though the number of victims this legislation may address is unknown, and potentially quite large. Therefore, the fiscal impact on the Department is unknown. The correctional population impact is also unknown as offenders are not eligible for early release until granted clemency by the Governor based on petitions filed and an offender's program progress, a process that cannot be initiated until more than 5 years after enactment. The Department currently lacks the resources, training, curriculum, victim information, and funding to enact this proposal.

House Floor Amendment No. 1

Deletes provision that the Department of Corrections may enter an order releasing and discharging a participant in the Pathway to Community Program from mandatory supervised release if it determines that he or she is likely to remain at liberty without committing another offense.

Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity

Fiscal Note (Illinois State Police)

The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have
to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires
reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney
General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the
Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney’s
fees.

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)
The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

Amends the State Employees Group Insurance Act of 1971, Illinois Insurance Code, and the Illinois Public Aid Code. Provides that pasteurized donated human breast milk shall be covered under health insurance and the medical assistance program under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under health insurance and the medical assistance program. Effective January 1, 2020.

House Committee Amendment No. 1

Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the Department of Public Health).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective January 1, 2020.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the bill, as amended by Senate Amendment No. 1, with the following changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular atrophy. Makes other changes. Effective January 1, 2020.

           Senate Floor Amendment No. 3 House Concurs 116-000-000
           House Concurs
Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires each municipality to establish a defined contribution plan that aggregates firefighter and employer contributions in individual accounts used for retirement. Provides that if a firefighter who has more than 10 years of creditable service in a fund enters active service with a different municipality, he or she may elect to participate in the defined contribution plan in lieu of the defined benefit plan. Provides that if a fire chief to whom a specified provision of the Illinois Municipal Code applies (i) first becomes a member on or after January 1, 2020, (ii) is receiving pension payments, and (iii) reenters active service with any municipality that has established a pension fund under the Article, that fire chief may continue to receive pension payments while he or she is in active service, but shall only participate in a defined contribution plan and may not establish creditable service in the pension fund established by that municipality or have his or her pension recomputed. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1
Requires a municipality that employs a fire chief who meets certain requirements (instead of each municipality) to establish a defined contribution plan. Removes provisions authorizing a firefighter who has more than 10 years of service in a fund who enters active service with a different municipality to participate in the defined contribution plan in lieu of the defined benefit plan. Makes a conforming change.

House Floor Amendment No. 2
Provides that a municipality that employs a fire chief who participates in a defined contribution plan required to be established by the amendatory Act shall provide a disability insurance benefit to that fire chief that is at least equivalent to the disability benefit he or she would be provided if he or she was a participant in the defined benefit plan.

Amends the Illinois Vehicle Code. Defines "mobile carrying device". Provides that a mobile carrying device may be operated on a sidewalk or crosswalk so long as it is operated in accordance with local ordinances, a personal property owner is actively monitoring its operation and navigation, and it is equipped with a braking system that enables it to perform a controlled stop. Prohibits a personal property owner operating a mobile carrying device from failing to comply with traffic or pedestrian control devices and signals, unreasonably interfering with pedestrians or traffic, transporting hazardous materials, or operating on a street or highway other than in a crosswalk. Provides that a mobile carrying device has the rights and obligations applicable to a pedestrian in the same circumstances, except that it shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Effective immediately.

House Committee Amendment No. 1

Adds reference to:
625 ILCS 5/1-144.02 new

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes.

Defines "mobile carrying device operator". Specifies that a "mobile carrying device" is primarily designed to remain within 10 (instead of 25) feet of the personal property owner. Provides that a local authority may reasonably regulate the operation of mobile carrying devices in its jurisdiction. Provides that an operator of a mobile carrying device (rather than the device itself) has the rights and obligations applicable to a pedestrian in the same circumstances and shall ensure that a mobile carrying device shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Provides that a personal property owner may not use a mobile carrying device to transport a person. Provides that a mobile carrying device operator who is not a natural person shall register with the Secretary of State. Provides that no contract seeking to exempt a mobile carrying device operator from liability for injury, loss, or death caused by a mobile carrying device shall be valid, and that contractual provisions limiting the choice of venue or forum, shortening the statute of limitations, shifting the risk to the user, limiting the availability of class actions, or obtaining judicial remedies shall be invalid and unenforceable. Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by Senate Amendment No. 1 with the following changes. Provides that certain information that is required to be posted on a school's website must be made available at a school's administrative office for inspection by the general public if the school does not maintain a website. New Act

Creates the Mental Health Early Action on Campus Act. Provides for intent, legislative findings, purposes of the Act, and definitions. Provides that to raise mental health awareness on college campuses, each public college or university in this State must complete specified tasks. Provides that the board of trustees of each public college or university must designate an expert panel to develop and implement policies and procedures that (i) advise students, faculty, and staff on the proper procedures for identifying and addressing the needs of students exhibiting symptoms of mental health conditions, (ii) promote understanding of the rules of Section 504 of the federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 to increase knowledge and understanding of student protections under the law, and (iii) provide training if appropriate. Provides that because peer support programs may be beneficial in improving the emotional well-being of the student population, each public college or university must develop and implement a peer support program utilizing student peers to support individuals living with mental health conditions on campus; specifies best practices for the peer support programs. Provides that each public college or university must form strategic partnerships with local mental health service providers to improve overall campus mental wellness and augment on-campus capacity; specifies what the partnerships must include. Requires the Board of Higher Education to develop a Technical Assistance Center; specifies the duties of the Center. Requires each public college or university to evaluate the required programs under the Act using specified criteria. Effective July 1, 2020.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. House Floor Amendment No. 1

Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school function, or school event, the court may (in the introduced bill, shall) order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility.
Representative Kelly M. Burke
HB 01579 (CONTINUED)

Senate Committee Amendment No. 1

In the amendatory changes to the Criminal Code of 2012, provides that the requirement for reimbursement of the unit of government for an emergency response only applies to false alarm of a threat that a bomb or explosive device has been placed in the school (rather than any emergency response to the school). Requires a person convicted of a false alarm that a bomb, explosive of any nature or a container holding poison gas, a deadly biological or chemical contaminant, or radioactive substance is concealed in a place where its explosion or release would endanger human life to reimburse the public agency for the reasonable costs of the emergency response by the public agency up to $10,000.

Senate Committee Amendment No. 2

In the amendatory changes to the Juvenile Court Act of 1987, provides that neither the physician, clinical psychologist, qualified examiner, or his or her employer shall be held criminally, civilly, or professionally liable for performing a mental health examination before the court enters a sentencing order for a minor adjudicated delinquent for a disorderly conduct violation of making a threat of violence, death, or bodily harm against a person, school, school function, or school event, except for willful or wanton misconduct.

Replaces everything after the enacting clause. If and only if Senate Bill 1863 of the 101st General Assembly becomes law in the form in which it passed the House of Representatives on May 21, 2020, then amends the Election Code. In provisions concerning changes for vote by mail official ballot mailing and processing for the 2020 general election, makes changes to the panels created by election authorities to compare the voter's signature on the certification envelope of the vote by mail ballot with the signature of the voter on file in the office of the election authority. Requires a vote of 3 of 3 election judges for a vote by mail ballot to be rejected because the signature on the certification envelope and the signature used by the election authority for verification purposes do not match or the certification envelope contains a signature but not in the proper location. Requires a majority vote (rather than a vote of 3 of 3 judges) for other specified reasons. If election judges (rather than 3 of 3 election judges) determine the ballot should be rejected for any reasons stated in the provisions, requires the judges to mark across the face of the certification envelope the word "rejected" and the date and names of the judges voting to reject the ballot. Requires all collection sites for vote by mail ballots to be secured by locks that may be open only by election authority personnel and requires the State Board of Elections to establish additional guidelines for the security of collection sites. HB 02152     (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

HB 02176
Amends the Illinois Notary Public Act. Modifies the required disavowal of legal representation notice. Provides that the failure of a notary public to follow specified notice requirements shall result in a fine of $1,500 ($1,000 for each written violation). Provides that a second (rather than third) violation shall result in permanent revocation of the commission of notary public (a second violation results in suspension of notary authorization). Provides that prior to rendering notary public services to a person seeking such services, a notary public shall, in addition to any written or electronic notice, also give a verbal disavowal of legal representation that is substantially the same as the statement required for written and electronic advertisements of notary services. Provides that upon providing the verbal disavowal of legal representation, the person seeking notary services shall be provided with an acknowledgment form reciting the disavowal of legal representation, and be required to sign such form acknowledging that he or she has been advised and understands that the notary public is not a licensed attorney and is not otherwise authorized to provide legal advice or services. Provides that the acknowledgment form shall be prescribed by the Secretary of State and be made available in English and in the non-English language in which notary services were solicited.

House Committee Amendment No. 1
Requires every notary public who is not an attorney or an accredited immigration representative to, prior to rendering notary services, provide any person seeking notary services with a written acknowledgment. Provides for the contents of the written acknowledgment. Provides that the provision shall not apply to notary services related to documents prepared or produced in accordance with the Illinois Election Code. Removes provisions concerning a verbal disavowal of legal representation and the production of an acknowledgment form reciting the disavowal of legal representation to be signed by the person seeking notary services.

House Floor Amendment No. 2
Provides that every notary public who is subject to specified provisions and who is not an attorney or an accredited immigration representative (currently, who is not an attorney or an accredited immigration representative only) shall, prior to rendering notary services, provide any person seeking notary services with a written acknowledgment. Provides that the acknowledgment shall be signed by the recipient of notary services before notary services are rendered, and the notary shall retain copies of all signed acknowledgments throughout their present commission and for 2 years thereafter. Provides that notaries shall provide recipients of notary services with a copy of their signed acknowledgment at the time services are rendered.

Senate Committee Amendment No. 1
Requires notaries public to provide a written acknowledgment in English and the language used in the advertisement for notary services. Requires the Office of the Secretary of State to translate an acknowledgment concerning notary services into Spanish and any other language the Secretary of State may deem necessary to achieve specified requirements, and to make the translations available on the website of the Secretary of State. 735 ILCS 5/2-1108 rep.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Fiscal Note (Admin Office of the Illinois Courts)
Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any the bill would have on local judicial budgets.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)
This bill will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

735 ILCS 5/2-1108 from Ch. 110, par. 2-1108

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that within the discretion of the court, the jury may be asked (rather than required by the court, and must be required on the request of any party) to find specially upon any material question or questions of fact submitted to the jury in writing. Provides that any party may request special interrogatories. Provides that submitting or refusing to submit a question of fact to the jury may be reviewed on appeal to determine whether the trial court abused its discretion (rather than as a ruling on a question of law). Provides that when any special finding of fact is inconsistent with the general verdict, the court shall direct the jury to further consider its answers and verdicts, and if, in the discretion of the trial court, the jury is unable to render a general verdict consistent with any special finding, the trial court shall order a new trial (rather than the former controls the latter and the court may enter judgment accordingly). Provides that during closing arguments, the parties shall be allowed to explain to the jury what may result if the general verdict is inconsistent with any special findings. Provides that the Act applies only to trials commencing on or after January 1, 2020. Effective immediately.

Representative Jonathan Carroll
HB 03302  (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Provides that a complainant has no less than 2 years following the finalization (rather than creation) of the State Board of Education's student-specific corrective action plan per the State Board's 2017-2018 Public Inquiry Team's Corrective Action Report (rather than compensatory education plan) and notification of that plan to parents and guardians of potentially impacted (rather than only impacted) children to file a complaint concerning delays and denials of special education services; makes conforming changes. Removes provisions requiring certain conditions for a parent or guardian to file a complaint. Requires a respondent to include corrective action compliance documentation with all other documentation provided to a complainant. Effective July 1, 2019.

Senate Floor Amendment No. 1

Requires a complaint made under the State complaint procedures alleging a delay or denial of special education or related services in the 2016-2017 or 2017-2018 school year by the Chicago school district as a result of the adoption of policies and procedures identified by the State Board of Education as unlawful to be filed on or before September 30, 2021 (rather than, for complaints made under procedures authorized for delays and denials of special education services in the 2016-2017 or 2017-2018 school year, a complainant has no less than 2 years following the finalization of the State Board of Education's student-specific corrective action plan per the State Board's 2017-2018 Public Inquiry Team's Corrective Action Report and notification of that plan to parents and guardians of potentially impacted children to file a complaint). Provides that, with respect to a student enrolled in the Chicago school district for or to whom appropriate special education or related services may have been delayed or denied in the 2016-2017 or 2017-2018 school year as a result of the adoption of policies and procedures identified by the State Board of Education as unlawful, the school district must provide a written notification no later than 30 days after the first school day of the 2019-2020 school year to (i) the parent or guardian of the student, (ii) a designated representative of the student, (iii) the student if he or she is an emancipated minor, or (iv) the student if he or she has reached the age of majority and does not have a designated representative that states that appropriate relief may be available through a State complaint procedure authorized under the School Code, State-sponsored mediation, or an impartial due process hearing under the Code. Specifies what the notification must include. Changes the effective date to immediate (rather than July 1, 2019).

New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)
Representative Jonathan Carroll  
HB 03358 (CONTINUED)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

State Mandates Fiscal Note, House Committee Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)
The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys. Fiscal impact: Uncertain

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 65 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer.

House Committee Amendment No. 2
Deletes reference to:
305 ILCS 5/5-16.8
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes:
Provides that an insurer shall offer, for an additional premium and subject to the insurer's standard of insurability, optional coverage or optional reimbursement for hearing instruments and related services for all individuals (rather than the requiring the insurer to provide coverage for hearing instruments and related services for all individuals 65 years of age or older) when a hearing care professional prescribes a hearing instrument to augment communication. Provides a maximum of $2,500 (rather $1,500) for the hearing instrument and related services every 24 months. Provides that nothing in the provisions precludes an insured from selecting a more expensive hearing instrument as his or her own expense. Removes language providing that an insurer shall not be required to pay a claim filed by its insured for the payment of the cost of a hearing instrument if less than 24 months before the date of the claim its insured filed a claim for payment of the cost of the hearing instrument and the claim was paid by the insurer. Removes provisions amending the Illinois Public Aid Code.

House Floor Amendment No. 3
In provisions amending the Illinois Insurance Code, provides that nothing in the provisions precludes an insured from selecting a hearing instrument that costs more than the amount covered by a plan of accident and health insurance or a managed care plan and paying the uncovered cost at his or her own expense (rather than a more expensive hearing instrument at his or her own expense).

Senate Floor Amendment No. 1
In provisions amending the Illinois Insurance Code, provides that a "hearing care professional" may also mean a licensed hearing instrument dispenser. Provides that the provisions shall not be construed to require a group policy to provide coverage if the group is unable to meet mandatory minimum participation requirements set by the insurer.

5 ILCS 375/6.16 new
215 ILCS 5/356z.33 new
305 ILCS 5/5-40 new

Amends the State Employees Group Insurance Act of 1971, Illinois Insurance Code, and the Illinois Public Aid Code. Provides that pasteurized donated human breast milk shall be covered under health insurance and the medical assistance program under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under health insurance and the medical assistance program. Effective January 1, 2020.

House Committee Amendment No. 1

Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the Department of Public Health).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective January 1, 2020.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause with the bill, as amended by Senate Amendment No. 1, with the following changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular atrophy. Makes other changes. Effective January 1, 2020.

105 ILCS 5/14-8.02f

Amends the Children with Disabilities Article of the School Code. Provides that, for the Chicago School District only, beginning with the 2019-2020 school year, the school district shall, in collaboration with its primary office overseeing special education policies, publish on the school district's publicly available website any proposed changes to its special education policies, which must be available at least 45 days before the adoption of that policy change. Provides that the school district must make the entirety of its special education Procedural Manual and any other guidance documents pertaining to special education publicly available, in print and on the school district's website, in both English and Spanish. With regard to individualized education program meetings, provides that no later than 5 school days before a child's individualized education program eligibility meeting or meeting to review a child's individualized education program, a school board or school personnel must provide the child's parent or guardian with copies of all relevant information collected about the child so that the parent or guardian may participate as a fully-informed team member of the meeting. Provides that the State Board of Education must (rather than may) create a telephone hotline to address concerns regarding the provision of special education services in a school district. Makes other changes. Effective July 1, 2019.

House Committee Amendment No. 1

Adds reference to:

105 ILCS 10/2 from Ch. 122, par. 50-2
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the Chicago school district shall publish on the district's publicly available website any proposed changes to its special education policies, directives, guidelines, or procedures that impact the provision of educational or related services for students with disabilities or the procedural safeguards afforded to students with disabilities or their parents or guardians (rather than any proposed changes to its special education policies, which must include any proposed policy changes made by the school district or school board); makes conforming changes. Provides that the State Board of Education may add additional reporting requirements for the school district if the State Board determines it is in the best interest of students enrolled in the district receiving special education services. Provides that local education agencies (rather than only the Chicago school district) must make related service logs (rather than service logs) that record (rather than detail) the types of related services (rather than services) administered under a child's individualized education program and the minutes of each type of related service that has been administered. Provides that a local education agency must inform a child's parent or guardian within 20 school days from the beginning of the school year or upon establishment of an individualized education program (rather than at least once per school year) of his or her ability to request those logs. Makes other changes. Amends the Illinois School Student Records Act to include in the definition of “Student Temporary Record” information contained in service logs maintained by a local education agency under the Children with Disabilities Article of the School Code. Effective July 1, 2019.

Senate Floor Amendment No. 1

Adds reference to:

105 ILCS 5/14-8.02g new

Further amends the School Code. Provides that a school district must utilize response to scientific, research-based intervention or multi-tiered systems of support as part of an evaluation procedure to determine if a child is eligible for special education services due to a specific learning disability and may utilize the data generated in an evaluation to determine if a child is eligible for services due to any category of disability; defines "response to scientific, research-based intervention" or "multi-tiered systems of support". Provides that the parent or guardian of a student must be involved in the data sharing and decision-making processes of support and the State Board of Education may provide guidance to a school district and identify available resources related to facilitating parental or guardian participation. Makes other changes. Changes the effective date to immediate (rather than July 1, 2019).

New Act  

Creates the Assistance and Service Animal Integrity Act. Provides that a landlord who receives a request from a person to make an exception to the landlord's policy prohibiting animals on the landlord's property because the person requires the use of an assistance animal or service animal may require the person to produce reliable documentation, which may be a standardized form, of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the landlord. Provides that a landlord may require additional supporting documentation when necessary to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodation. Provides that a landlord shall not be liable for injuries caused by a person's assistance animal or service animal permitted on the landlord's property as a reasonable accommodation to assist the person with a disability. Provides that a landlord may require a tenant to cover the costs of repairs for damage the animal causes to the tenant's dwelling unit or the common areas, reasonable wear and tear excepted; however, a landlord may not require a tenant to pay a pet-related deposit that is otherwise required for tenants who are not requesting accommodation. Defines terms. Makes other changes.

HB 03671 (CONTINUED)

Replaces everything after the enacting clause. Creates the Assistance Animal Integrity Act. Defines terms. Provides that a housing provider who receives a request from a person to make an exception to the housing provider's policy prohibiting or restricting animals on the housing provider's property because the person requires the use of an assistance animal may require the person to produce reliable documentation of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the housing provider. Provides requirements for documentation that a person has a disability and requires the use of an assistance animal as a reasonable accommodation in housing under the federal Fair Housing Act or the Illinois Human Rights Act. Provides that a housing provider may deny a documented request for accommodation or rescind a granted request if the accommodation imposes either an undue financial and administrative burden or a fundamental alteration to the nature of the operations of the housing provider or if, after conducting an individualized assessment, there is reliable objective evidence that the specific assistance animal: (i) poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; (ii) causes substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or (iii) has engaged in a pattern of uncontrolled behavior that its handler has not taken effective action to correct. Provides that a housing provider may require a resident to cover the costs of repairs for damage the animal causes to the resident's dwelling unit or the common areas, reasonable wear and tear excepted, in the same manner it would for damage caused by any other resident, but may not require a resident to pay a pet-related deposit, pet fee, or related pet assessment and also may not require purchase of special liability insurance or coverage for the assistance animal. Provides that nothing in the Act shall be construed as requiring documentation of a specific diagnosis regarding a disability or disability-related need. Provides that nothing in the Act prohibits a housing provider from verifying the authenticity of the documentation submitted under the Act. Provides that, notwithstanding any other provision of law to the contrary, a housing provider shall not be liable for injuries caused by a person's assistance animal permitted on the housing provider's property as a reasonable accommodation to assist the person with a disability. Provides that nothing in the Act shall be construed to: limit individuals' rights under specified laws; or limit the liability of housing providers under such laws.

HB 03676 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change:

provides that a township board may adopt rules relating to regulating the township clerk's attestation when the township clerk is temporarily unavailable, for payroll processing, and for the payout of funds made by cash, credit and debit card, electronic check, and other means. Further amends the Township Code. In provisions about a supervisor's bond, removes provisions requiring a bond from a person temporarily appointed to perform the clerical functions of a supervisor. Removes a provision requiring the township clerk to attest a payment authorized by the supervisor's duly authorized designee. Amends the Illinois Highway Code. Provides that, if a referendum has been approved by voters to abolish a road district at the November 6, 2018 election and the road district has not yet been abolished, then: (1) the township board shall have the sole authority, until the date of abolition of the road district, to create and approve the budget of the road district, levy road district taxes, to enter into contracts for the road district, to employ and fix the compensation of road district employees that the township board deems necessary, and to set and adopt rules concerning all benefits available to employees of the road district; and (2) the road district or the highway commissioner may not commence or maintain litigation against the township to resolve any dispute related to the road district regarding powers of the office of the highway commissioner, the powers of the supervisor, or the powers of the township board. Provides that if a township has approved a consolidated road district with another township but that consolidation is not yet effective and if the township subsequently approves a referendum to consolidate the road district with the township, then the dual township consolidated road district is void and shall not occur. Effective immediately.

Pays tribute to the sacrifices of the veterans of the Korean War, its victims, and the families separated by the war. Salutes the Illinois National Guard Korean War veterans and honors them for their commitment to country, courage, and sacrifice. Calls for the conclusion of a binding peace agreement constituting a formal and final end to the state of war between South Korea, North Korea, and the United States. HB 01551 (CONTINUED)

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever a child is placed in the custody or guardianship of the Department of Children and Family Services or a child is returned to the custody of a parent or guardian and the court retains jurisdiction of the case, the Department must ensure that the child is up to date on his or her well-child visits, including age-appropriate immunizations, or that there is a documented religious or medical reason the child did not receive the immunizations. Provides that whenever a child has been placed in foster or substitute care by court order and the court later determines that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child's discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure the child's safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child's case is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter, the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to determine whether the Department is meeting the requirements under the amendatory Act. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General's report to include any issues or deficiencies and recommendations.

House Floor Amendment No. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that within 2 years after the audit's release, the Auditor General shall commence a follow-up performance audit to determine whether the Department has implemented the recommendations contained in the initial performance audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the Auditor General's reports shall include any issues or deficiencies and recommendations.

Senate Committee Amendment No. 1

Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home (rather than if multiple children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the date upon which the last child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of Children and Family Services must, at a minimum, accept the report as a child welfare services referral.

HB 02691

Representative Kelly M. Cassidy  
HB 02691  

New Act

Creates the Retention of Illinois Students and Equity Act. Provides for legislative findings and a definition. Provides that, notwithstanding any other provision of law to the contrary, a student attending an institution of higher learning in this State who is deemed an Illinois resident for tuition purposes and is not otherwise eligible to receive federal financial aid shall be eligible to apply or receive consideration for State financial aid, including any student aid or benefit funded or administered by the State, a State agency, or any public institution of higher learning, including, but not limited to, scholarships, grants, awards, stipends, free room and board, tuition waivers, or other financial or in-kind assistance.

House Committee Amendment No. 1  
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to the legislative findings. Provides that a student who is an Illinois resident and who is not otherwise eligible for federal financial aid, including, but not limited to, a transgender student who is disqualified for failure to register for selective service or a noncitizen student who has not obtained lawful permanent residence, shall be eligible for State financial aid and benefits. Provides that, to ensure equity, success, and the retention of Illinois residents, a student who is an Illinois resident may not be subject to any caps on grant assistance available under the Monetary Award Program other than those required by State law. Provides that the eligibility requirements for any student aid or benefit funded or administered by the State shall be interpreted to promote the broadest eligibility for students who are Illinois residents in accordance with State law or policy. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (IL Student Assistance Commission)  
The scholarship and grant programs that ISAC administers are subject to appropriation. Thus, making more students eligible to apply for these programs (which HB 2691 does) will not automatically add to their cost. However, funding additional recipients would either require additional appropriations or shifting dollars from other low-income students who are currently eligible. Based on limited available data, including estimates provided by advocates for the bill of the number of undocumented Illinois students, approximately 3,500 students may become newly eligible for the Monetary Award Program (MAP) under HB 2691, as amended, adding about $9.0 million in annual demand for the program. Without additional funding, adding new recipients would require shifting dollars from other recipients. This projection incorporates estimates of the number of undocumented Illinois students, transgender students who may be required to register for Selective Service, and students who are currently ineligible for MAP because they have used the program to help pay for at least 75 credit hours but have not yet attained junior status. This estimate could be low for several reasons. Overall demand for funding could increase in future years as additional students apply. Also, ISAC does not have adequate information to estimate the potential increase in demand for smaller grant programs (which are also subject to appropriation) or any increases in demand for ISAC-administered programs attributable to students who receive in-state tuition rates because of their military or veteran status.

New Act
105 ILCS 5/27A-5
30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3
Representative Linda Chapa LaVia
HB 01475 (CONTINUED)
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Makes a change to the legislative findings. Changes the definition of “delegated care aide” to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of “school employee” to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of “school employee” may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician’s, advanced practice registered nurse’s, or physician assistant’s instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5
Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

HB 02176

(Sen. Iris Y. Martinez-Kimberly A. Lightford)
Amends the Illinois Notary Public Act. Modifies the required disavowal of legal representation notice. Provides that the failure of a notary public to follow specified notice requirements shall result in a fine of $1,500 (currently, $1,000) for each written violation. Provides that a second (rather than third) violation shall result in permanent revocation of the commission of notary public (currently, a second violation results in suspension of notary authorization). Provides that prior to rendering notary public services to a person seeking such services, a notary public shall, in addition to any written or electronic notice, also give a verbal disavowal of legal representation that is substantially the same as the statement required for written and electronic advertisements of notary services. Provides that upon providing the verbal disavowal of legal representation, the person seeking notary services shall be provided with an acknowledgment form reciting the disavowal of legal representation, and be required to sign such form acknowledging that he or she has been advised and understands that the notary public is not a licensed attorney and is not otherwise authorized to provide legal advice or services. Provides that the acknowledgment form shall be prescribed by the Secretary of State and be made available in English and in the non-English language in which notary services were solicited.

House Committee Amendment No. 1

Requires every notary public who is not an attorney or an accredited immigration representative to, prior to rendering notary services, provide any person seeking notary services with a written acknowledgment. Provides for the contents of the written acknowledgment. Provides that the provision shall not apply to notary services related to documents prepared or produced in accordance with the Illinois Election Code. Removes provisions concerning a verbal disavowal of legal representation and the production of an acknowledgment form reciting the disavowal of legal representation to be signed by the person seeking notary services.

House Floor Amendment No. 2

Provides that every notary public who is subject to specified provisions and who is not an attorney or an accredited immigration representative (currently, who is not an attorney or an accredited immigration representative only) shall, prior to rendering notary services, provide any person seeking notary services with a written acknowledgment. Provides that the acknowledgment shall be signed by the recipient of notary services before notary services are rendered, and the notary shall retain copies of all signed acknowledgments throughout their present commission and for 2 years thereafter. Provides that notaries shall provide recipients of notary services with a copy of their signed acknowledgment at the time services are rendered.

Senate Committee Amendment No. 1

Requires notaries public to provide a written acknowledgment in English and the language used in the advertisement for notary services. Requires the Office of the Secretary of State to translate an acknowledgment concerning notary services into Spanish and any other language the Secretary of State may deem necessary to achieve specified requirements, and to make the translations available on the website of the Secretary of State. Makes other changes.

New Act

Creates the Wholesale Importation of Prescription Drugs Act. Requires the Department of Public Health to design an importation program where the State is the licensed wholesaler of imported drugs from licensed, regulated Canadian suppliers. Requires the program to address specified issues, including billing issues, cost savings issues, and safety and regulatory issues. Contains auditing and reporting requirements. Provides that the Department shall enlist the assistance of the Attorney General to identify the potential for anti-competitive behavior in industries that would be affected by an importation program. Requires the Department to submit a formal request to the Secretary of the United States Department of Health and Human Services for certification of the importation program. Requires the Department to have the program operational within 6 months after receiving the certification. Contains provisions concerning implementation requirements.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the department.

Pension Note (Government Forecasting & Accountability)
HB 1441 creates the Wholesale Importation of Prescription Drugs Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 1441, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

Replaces everything after the enacting clause. If and only if Senate Bill 1863 of the 101st General Assembly becomes law in the form in which it passed the House of Representatives on May 21, 2020, then amends the Election Code. In provisions concerning changes for vote by mail official ballot mailing and processing for the 2020 general election, makes changes to the panels created by election authorities to compare the voter's signature on the certification envelope of the vote by mail ballot with the signature of the voter on file in the office of the election authority. Requires a vote of 3 of 3 election judges for a vote by mail ballot to be rejected because the signature on the certification envelope and the signature used by the election authority for verification purposes do not match or the certification envelope contains a signature but not in the proper location. Requires a majority vote (rather than a vote of 3 of 3 judges) for other specified reasons. If election judges (rather than 3 of 3 election judges) determine the ballot should be rejected for any reasons stated in the provisions, requires the judges to mark across the face of the certification envelope the word "rejected" and the date and names of the judges voting to reject the ballot. Requires all collection sites for vote by mail ballots to be secured by locks that may be open only by election authority personnel and requires the State Board of Elections to establish additional guidelines for the security of collection sites. Effective upon becoming law or on the date Senate Bill 1863 of the 101st General Assembly takes effect, whichever is later.

Amends the Organ Donor Leave Act. Provides that an employer shall not retaliate against an employee for requesting or obtaining a leave of absence to donate blood, an organ, or bone marrow. Amends the Illinois Insurance Act. Provides prohibitions on denial of coverage and costs of premiums for living organ donors for life insurance, disability insurance, and long-term care insurance policies. Amends the Illinois Vehicle Code. Requires the Secretary of State to review and update certain public service announcements, websites, and other media relating to live organ donation to educate the public on the benefits of live organ donation and the impact of live organ donation on access to insurance. Effective January 1, 2020.

In provisions amending the Illinois Insurance Code, provides that it is unlawful to refuse to insure, to refuse to continue to insure, to limit the amount, extent, or kind of coverage available for life insurance, disability insurance, or long-term care insurance to an individual, or to charge an individual a different rate for the same coverage, solely because of the individual's status as a living organ donor (rather than providing specific prohibitions on denial of coverage and cost of premiums for living organ donors for life insurance, disability insurance, and long-term care insurance policies). Provides that with respect to all other conditions, as persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.
Contains text from a legislative summary for HB 02847, a bill sponsored by Representative Deb Conroy. The bill is a continuation of a previous amendment and includes changes related to the Illinois Vehicle Code and the Illinois Anatomical Gift Act. The amendment requires the Secretary of State to create a database consisting of individuals who have consented to be organ and tissue donors. The database will be updated regularly, and an organ procurement organization will have access to this information. The bill replaces the enacting clause and adds various references and changes to the existing code. The bill is effective January 1, 2020.

HB 02557

(Sen. Iris Y. Martinez)

New Act

Creates the Artificial Intelligence Video Interview Act. Provides that an employer that asks applicants to record video interviews and uses an artificial intelligence analysis of applicant-submitted videos shall: notify each applicant in writing before the interview that artificial intelligence may be used to analyze the applicant's facial expressions and consider the applicant's fitness for the position; provide each applicant with an information sheet before the interview explaining how the artificial intelligence works and what characteristics it uses to evaluate applicants; and obtain written consent from the applicant to be evaluated by the artificial intelligence program. Provides that an employer may not use artificial intelligence to evaluate applicants who have not consented to the use of artificial intelligence analysis. Provides that an employer may not share applicant videos, except with persons whose expertise is necessary in order to evaluate an applicant's fitness for a position.

Senate Floor Amendment No. 1

Removes the requirement that the disclosure regarding the use of artificial intelligence analysis be in writing. Provides that the notice disclose an analysis of the applicant's video interview rather than an analysis of the applicant's facial expressions. Provides that the applicant's consent does not have to be in writing. Provides that destruction of the videos is contingent upon an applicant's request for destruction.
