Replaces everything after the enacting clause. Amends the Counties Code. Provides that counties may impose a tax to be used exclusively for school facility purposes, school resources officers, or mental health professionals (rather than exclusively for school facility purposes). Adds referendum language to levy, reduce, or discontinue the tax. Amends the Innovation Development and Economy Act and the School Construction Law to make conforming changes. Amends the School Code to make conforming changes and to provide that if a school district having a population of less than 500,000 inhabitants determines that it is necessary for school security purposes and the related protection and safety of pupils and school staff to hire a school resource officer or that personnel costs for school counselors, mental health experts, or school resource officers are necessary, the district may levy a tax or issue bonds as provided under a provision in the Code authorizing a school board to levy a tax or to borrow money and issue bonds for fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes if funds are not needed for those other purposes. Amends the School Safety Drill Act. Requires each school district to implement a threat assessment procedure that may be part of a school board policy on targeted school violence and prevention and that must include the creation of a threat assessment team; provides for the team's membership. Requires each school district, at its annual meeting to review each school building's emergency and crisis response plans, protocols, and procedures, to review the procedures regarding its threat assessment team. Creates an exemption for the work of the threat assessment team in the Freedom of Information Act. Effective immediately.

Senate Committee Amendment No. 1

With regard to a school district's threat assessment procedure, removes a provision requiring the policy on targeted school violence and prevention that directs the implementation of a threat assessment procedure to be a public document and to be posted on the school district's website with other school district policies. Makes conforming changes.

Senate Floor Amendment No. 2

Provides that each school district must implement a threat assessment procedure that may be part of a school board policy on targeted school violence prevention (rather than school violence and prevention). Provides that a regional behavioral threat assessment and intervention team utilized by a school district must include mental health professionals and representatives from State, county, and local law enforcement agencies (rather than mental health professionals, a representative from the Illinois Law Enforcement Alarm System, a safety education officer from the Department of State Police, and local law enforcement representatives) and removes a provision requiring the members to complete the training courses offered by Western Illinois University's Office of Public Safety.

New Act

Creates the Safe Patient Limits Act. Provides the maximum number of patients that may be assigned to a registered nurse in specified situations. Provides that nothing shall preclude a facility from assigning fewer patients to a registered nurse than the limits provided in Act. Provides that nothing in the Act precludes the use of patient acuity systems consistent with the Nurse Staffing by Patient Acuity Act; however, the maximum patient assignments in the Act may not be exceeded, regardless of the use and application of any patient acuity system. Provides that the Department of Public Health shall adopt rules governing the implementation and operation of the Act. Provides that all facilities shall adopt written policies and procedures for training and orientation of nursing staff and that no registered nurse shall be assigned to a nursing unit or clinical area unless that nurse has, among other things, demonstrated competence in providing care in that area. Provides that the written policies and procedures for the training and orientation of nursing staff shall require that all temporary personnel receive the same amount and type of training and orientation that is required for permanent staff. Provides that the Act's provisions are severable.

Amends the School Code. With regard to State assessments, provides that beginning no later than the 2020-2021 school year, the State Board of Education shall annually assess all students in reading and mathematics in kindergarten through grade 3 to meet the goals and standards of the federal Every Student Succeeds Act and any related rules. Provides that the assessment must include a balanced system of interim and summative assessments that are instructionally relevant, student-centered, and timely delivered and that provide grade-level proficiency scores for accountability purposes, growth metrics, and instructional information purposes. Provides that the State Board, in accordance with the federal Every Student Succeeds Act, shall support assessments that measure academic grade-level proficiency and academic growth measured against a stable, grade-independent scale. Effective January 1, 2020.

Fiscal Note (State Board of Education)
House Bill 3303 is estimated to have a first year fiscal impact of approximately $60 million for the development of a reading and mathematics assessment for kindergarten through grade 2 that meets the requirements of the bill. Beginning in the second year, it is estimated that the annual cost to administer the assessments to these grades would range from $49.2-$65.6 million based on 410,000 students taking both the reading and math assessments using $60-$80 per test cost. Illinois State Board of Education also estimates an annual cost of approximately $460,000 for operations to provide 1.5 full-time equivalent staff to oversee these new assessments and other supports such as information technology, graphics, and content specialists for training and technical assistance to school districts.

HB 00026

(Sen. Jacqueline Y. Collins-Patricia Van Pelt and Jim Oberweis-Mattie Hunter)

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% or was certified to be in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university and satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the university; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes from the applicability of the Act the University of Illinois, Illinois State University, Governors State University, Northeastern Illinois University, and Chicago State University; makes conforming changes. Provides that, beginning with the 2020-2021 academic year, each institution shall create a 4-year uniform admission system pilot program under the Act (rather than create a permanent uniform admission system). Makes other changes. Repeals the Act on July 1, 2025.

Fiscal Note, House Committee Amendment No. 1 (IL Board of Higher Education)

House Bill 26 (H-AM 1) will not have a fiscal impact on the Illinois Board of Higher Education.

House Committee Amendment No. 2

With regard to the student outreach program, removes a provision requiring the Illinois Student Assistance Commission, after gathering information and recommendations from available sources and examining current outreach practices by institutions of higher education in this State and in other states, to prescribe best practice guidelines and standards to be used by institutions in conducting student outreach.

Senate Floor Amendment No. 1

Provides that an applicant who graduates in a graduating class of a school that has so few students that class rank does not make a reliable contribution toward assessing the student's college readiness is considered to have satisfied certain automatic admission requirements of the Act if, among other requirements, the student has (i) successfully completed the minimum college preparatory curriculum requirements established by law for admission to the institution and (rather than or) (ii) satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the institution to which the applicant applied as well as any composite scores or subscores for colleges within that institution. Makes a technical correction.

New Act
210 ILCS 135/14.5 new
405 ILCS 5/2-116 new

Creates the Authorized Electronic Monitoring in Community-Integrated Living Arrangements and Developmental Disability Facilities Act. Provides that under certain conditions, a resident of a living arrangement certified under the Community-Integrated Living Arrangements Licensure and Certification Act and a resident of a developmental disability facility shall be permitted to use an audio and video surveillance system in his or her room at his or her own expense. Requires the electronic monitoring device to be placed in a conspicuously visible location in the room. Requires the Department of Human Services to establish a program to distribute specified funds each year for the purchase and installation of electronic monitoring devices. Establishes criminal penalties for a person or entity that knowingly hampers, obstructs, tampers with, or destroys an electronic monitoring device. Contains provisions concerning: resident and roommate consent to monitoring; notice of electronic monitoring to the staff and visitors; limitations on the staff's access to recordings; the admissibility of recordings in civil, criminal, and administrative actions; staff reporting; liability; and rulemaking. Makes other changes. Amends the Community-Integrated Living Arrangements Licensure and Certification Act and Mental Health and Developmental Disabilities Code to make conforming changes. Provides that it is a business offense for a person to discriminate or retaliate against a resident for consenting to the electronic monitoring, or to prevent the installation or use of an electronic monitoring device by a resident who has provided specified notice and consent. Makes other changes. Effective January 1, 2020.

House Floor Amendment No. 4
Replaces everything after the enacting clause with the provisions of the introduced bill as amended by House Amendment No. 2 and House Amendment No. 3 with the following changes. Removes language allowing specified individuals to consent to authorized electronic monitoring if the resident or the roommate has not affirmatively objected to the monitoring and his or her physician determines that he or she lacks the ability to understand and appreciate the nature and consequences of electronic monitoring. Provides that if a resident chooses to install an electronic monitoring device that uses Internet technology for visual or audio monitoring, that resident is responsible for installing a secure, password-protected network. In provisions amending the Community-Integrated Living Arrangements Licensure and Certification Act and the Mental Health and Developmental Disabilities Code, provides that intentionally retaliating or discriminating against any recipient for consenting to authorized electronic monitoring, or preventing the installation or use of an electronic monitoring device by a recipient under the Act, is a business offense punishable by a fine not to exceed $1,000 (rather than $10,000).

65 ILCS 5/8-12-24 from Ch. 24, par. 8-12-24

Amends the State Finance Act. Creates the Financially Distressed Cities Fund. Amends the State Revenue Sharing Act and the Illinois Income Tax Act. Provides that the Treasurer shall monthly transfer to the Financially Distressed Cities Fund an amount certified by the Department of Revenue equal to: (1) the amount that would have been distributed under the State Revenue Sharing Act to all financially distressed cities if the Treasurer had transferred to the Local Government Distributive Fund a sum calculated using 0.10% of the net revenue realized from the tax imposed by the Illinois Income Tax Act upon individuals, trusts, estates, and corporations during the preceding month; and (2) subtracting the amount distributed to all financially distressed cities from the Local Government Distributive Fund. Provides that the Department of Revenue shall monthly allocate an amount from the Financially Distressed Cities Fund that shall be paid to each financially distressed city. Amends the Financially Distressed City Law of the Illinois Municipal Code. Makes the law applicable to both home rule and non-home rule municipalities. Provides that a State agency or unit of local government may also render technical assistance to a municipality's Financial Advisory Authority as the Authority may request. Provides that the State shall not reduce revenues or impose additional costs affecting a financially distressed city affecting the municipality unless it is consistent with the Financial Plan and Budget in effect. Provides that State mandates enacted while a municipality is designated as a financially distressed city that would cause the municipality to incur costs are not valid or enforceable during the period when the municipality is under the financially distressed city designation. Effective January 1, 2020.

Fiscal Note (Dept. of Revenue)

As written, this bill would have no income tax revenue impact, nor would it have any impact on the General Revenue Fund. Although it appears that the intention of the bill is to provide more funds to "financially distressed cities" by transferring money from the General Revenue Fund to the newly created Financially Distressed Cities Fund, the formula used to determine the amount of that transfer does not accomplish this. For any amount of money to be transferred to the Financially Distressed Cities Fund, the formula needs to be based on a percentage greater than current Local Government Distribution Fund (LGDF) diversion rates (for fiscal year 2020, the LGDF rates are 6.06 percent of net individual income tax receipts and 6.85 percent of net corporate income tax receipts). The percentage used in this bill is 0.10 percent.

Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1

Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.

Creates the Illinois Sustainable Investing Act. Provides that any public agency or governmental unit shall develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy may be incorporated in existing investment policies developed, published, and implemented by a public agency or governmental unit. Provides that the sustainable investment policy shall include material, relevant, and decision-useful sustainability factors to be applied by the public agency or governmental unit in evaluating investment decisions. Provides that a public agency shall prudently integrate sustainability factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership in order to maximize anticipated financial returns, minimize projected risk, and more effectively execute its fiduciary duty. Specifies sustainability factors, and the ways in which such factors may be analyzed. Amends the Deposit of State Moneys Act, the Public Funds Investment Act, and the Illinois Pension Code to make changes concerning investment policy and the Illinois Sustainable Investing Act. Provides findings and purpose provisions. Defines terms.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note (Office of the Treasurer)
HB 2460 will have no fiscal impact on the State Treasurer's Office as the Treasurer's office already has a published investment policy that includes material, relevant and decision-useful sustainability factors in accordance with this legislation. HB 2460 is likely to have a positive economic impact to the State of Illinois because evaluating sustainability factors in investment decision-making minimizes risks and maximizes returns on the state's investments.

House Floor Amendment No. 1
Provides that the sustainable investment policy developed under the Illinois Sustainable Investing Act shall include material, relevant, and decision-useful sustainability factors to be considered (currently, applied) by the public agency or governmental unit as one component of its overall evaluation of investment decisions. Provides that nothing in the Act prohibits a public agency or governmental unit from integrating additional factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership of public funds. Provides that the Act shall not apply to bank time deposits or bank processing services. Makes conforming changes.

House Floor Amendment No. 2
Provides that sustainability factors include, among other factors, human capital factors that recognize that the workforce is an important asset to delivering long-term value, including factors such as labor practices, responsible contractor and responsible bidder policies, employee health and safety, employee engagement, diversity and inclusion, and incentives and compensation (currently, responsible contractor and responsible bidder policies are not included as human capital factors).

Senate Committee Amendment No. 1
Provides that any public agency or governmental unit should (currently, shall) develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy should (currently, shall) include material, relevant, and decision-useful sustainability factors to be considered by the public agency or governmental unit as one component of its overall evaluation of investment decisions, which may (currently, shall) include specified items. Makes other changes concerning specified investment policies. Defines "financial institution". Makes conforming changes.

35 ILCS 5/901  from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2020 through January 31, 2021, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2021 through January 31, 2022, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2022 through January 31, 2023, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2023, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although increasing the Local Government Distributive Fund (LGDF) diversion rate would have no effect on gross corporate or individual income taxes, there would be a decrease to the amount deposited into the General Revenue Fund and a corresponding increase to the amount deposited into the LGDF. Because the diversion rate would increase in February of each calendar year for four consecutive years beginning in 2020, the additional amount of money deposited into the LGDF would increase gradually for each of the next several fiscal years.

HB 02233  (CONTINUED)

Land Conveyance Appraisal Note (Dept. of Transportation)  
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Fiscal Note (Admin Office of the Illinois Courts)  
Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any the bill would have on local judicial budgets.

Judicial Note (Admin Office of the Illinois Courts)  
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)  
This bill will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)  
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Housing Affordability Impact Note (Housing Development Authority)  
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)  
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that within the discretion of the court, the jury may be asked (rather than required by the court, and must be required on the request of any party) to find specially upon any material question or questions of fact submitted to the jury in writing. Provides that any party may request special interrogatories. Provides that submitting or refusing to submit a question of fact to the jury may be reviewed on appeal to determine whether the trial court abused its discretion (rather than as a ruling on a question of law). Provides that when any special finding of fact is inconsistent with the general verdict, the court shall direct the jury to further consider its answers and verdicts, and if, in the discretion of the trial court, the jury is unable to render a general verdict consistent with any special finding, the trial court shall order a new trial (rather than the former controls the latter and the court may enter judgment accordingly). Provides that during closing arguments, the parties shall be allowed to explain to the jury what may result if the general verdict is inconsistent with any special findings. Provides that the Act applies only to trials commencing on or after January 1, 2020. Effective immediately.

735 ILCS 5/17-101 from Ch. 110, par. 17-101
735 ILCS 5/17-102 from Ch. 110, par. 17-102

735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law;
service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition
in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil
Procedure. Effective immediately.

Senate Committee Amendment No. 1
Represents Daniel Didech
HB 03677     (CONTINUED)

Represents everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines
that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice
(rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted,
not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send
notice) to each party with a known address. Provides that after the court shall order the plaintiff to send notice (rather than the court shall send
notice) to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value).
Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice)
(rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested
partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested
partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact
and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the
court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price
on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their
apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in
kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court
orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if
their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the
court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in
interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the
subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant
buyout, a party of the property representing the combined interests of those cotenants as determined by the
court.

Fiscal Note, House Floor Amendment No. 2 (Office of the Comptroller)
The Office of the Comptroller estimates this amendment would have an insignificant cost to the operations of individual
state agencies, boards, and other state officers. In reference to the Local Records Act, the Office is unable to ascertain the
cost to various local governmental entities but would estimate that the cost would be relatively insignificant as well so long
as the posting requirement applies to those entities that have a full-time staff.

HB 00834
Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

Amends the Downstate Public Transportation Act, the Metropolitan Transit Authority Act, the Local Mass Transit District Act, and the Regional Transportation Authority Act. Provides for free fares for veterans with disabilities, reduced fares for other veterans, and free fares for specified high school students on days when school is in session on public transportation. Provides for a continuing appropriation beginning in Fiscal Year 2020 to cover the free and reduced fares. Effective immediately.

Fiscal Note (Dept. of Transportation)
RTA currently has a Free & Reduced Fare program for seniors, students, and disabled. IDOT subsidizes $17.5 million out of the road fund (approx. 15% of the total proposed losses in revenue). IDOT does not have access to ridership numbers so is unable to project how the proposed legislation that calls for free rides for seniors and veterans with 70% disability, half fares for veterans with 30-70% disability, and certain high school students who meet eligibility requirements would increase the costs. Many veterans might take advantage of this program. Estimates for projected fare losses to include additional categories of ridership will need to be provided by the service boards. Collectively, the estimated FY19 revenue losses to the RTA attributable to eligible free and reduced fares is approximately $113 million. Actual revenue losses to the service boards to provide additional fare reductions will significantly increase the current amount from $113 million in FY 19. To reimburse the RTA (service boards) 100% of the proposed revenue losses that includes don't include that additional categories of ridership will take at least $95.5 million. The Road Fund does not have the cash. For the Downstate Transits Districts, the data needed to provide a fiscal cost is not available. Most of the recipients have no data to support a fact-based estimation of financial impacts. Disabled veterans covered in the new law, for example, are riding under the existing disabled free ride program but are not tracked separately or are using VA-sponsored transportation. Unfortunately, there are too many unknowns to speculate on impacts to ridership, service delivery, and the associated financial implications. Information that we have extrapolated provides an estimated financial implication totaling $4,698,498. We do not have much confidence in that number. The Road Fund does not have the cash to support this program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Amends the Criminal Code of 2012. Creates the offense of criminal damage to a critical infrastructure facility for a person who knowingly damages, destroys, vandalizes, defaces, or tampers with equipment in a critical infrastructure facility. Provides if a business, corporation, or organization is convicted of conspiracy to commit any of the offenses the entity shall, in addition to any other applicable penalty, be sentenced to a fine of not less than 10 times the minimum fine authorized for the offense. Provides a person may be liable in any civil action for money damages to the owner of the critical infrastructure facility for any damage to personal or real property of the facility resulting from any of the offenses, and that a person may also be liable to the owner for court costs and reasonable attorney's fees. Provides for exemptions. Defines "critical infrastructure facility".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Adds coal mines and any mining operation, including any processing equipment, batching operation, or support facility for that mining operation to the definition of "critical infrastructure facility". Provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses. Provides that criminal damage to a critical infrastructure facility is a Class 3 felony (rather than a Class 1 felony). Provides exemptions. Makes other changes.

House Floor Amendment No. 2

Adds coal mines and any mining operation, including any processing equipment, batching operation, or support facility for that mining operation to the definition of "critical infrastructure facility". Provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization intentionally sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses. Provides that criminal damage to a critical infrastructure facility is a Class 3 felony (rather than a Class 1 felony). Provides exemptions. Makes other changes.

Fiscal Note, House Committee Amendment No. 1 (Office of the Attorney General)

Fiscal Note, House Committee Amendment No. 1 (Illinois State Police)
If House Bill 1633 (H-AM 1) were to become law, there would be no additional fiscal impact to the Illinois State Police.

House Floor Amendment No. 3
Deletes reference to:
720 ILCS 5/8-2

Deletes language that provides that a business, corporation, or organization convicted of conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility shall, in addition to any other applicable penalty, be sentenced to a fine of not less than 10 times the minimum fine authorized for the offense. Deletes language that provides that a business, corporation, or organization may be liable for conspiracy to commit criminal damage to a critical infrastructure facility, criminal trespass to a critical infrastructure facility, or aggravated criminal trespass to a critical infrastructure facility if the business, corporation, or organization intentionally sponsors, funds, or pays for an individual who causes substantial harm through the commission of any of those offenses.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)
The total impact of House Bill 1633, as amended, would result in an increase of 1 offender, with additional marginal costs of $96,200 over the first ten years after enactment. These calculations are based on limited accessible data and estimates may vary depending on how cases are prosecuted and plea bargained.

House Floor Amendment No. 1

Deletes reference to:
755 ILCS 5/11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Makes conforming changes. Effective immediately.

Children and Family Services must, at a minimum, accept the report as a child welfare services referral. Prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department of Children and Family Services or a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must complete, prior to the child’s discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child’s home are sufficient to ensure the child’s safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist shall be completed within 24 hours prior to the child’s return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child’s case is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child’s family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter, the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General’s report to include any issues or deficiencies and recommendations.

House Floor Amendment No. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that within 2 years after the audit’s release, the Auditor General shall commence a follow-up performance audit to determine whether the Department has implemented the recommendations contained in the initial performance audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the Auditor General’s reports shall include any issues or deficiencies and recommendations.

Senate Committee Amendment No. 1

Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home (rather than multiple children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the date upon which the child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of Children and Family Services must, at a minimum, accept the report as a child welfare services referral.

Amends the Code of Civil Procedure. Provides that unless the action is governed by the procedures or provisions of another statute, a person suffering legal wrong because of a final administrative decision, or adversely affected or aggrieved by a final administrative decision, is entitled to judicial review of the final administrative decision to the same extent, with the same rights and the same responsibilities, as a person who is a party, except that a person seeking judicial review is not entitled to relief if there was a previous public hearing at which the person failed to present his or her position. Provides that to the extent necessary, such a person may provide new or additional evidence to the court for the limited purpose of demonstrating the legal wrong or adverse effect or impairment that he or she has experienced or may experience as a result of the final administrative decision. Provides that the right to judicial review under the new provisions is limited to final administrative permitting decisions made by the Department of Agriculture, Environmental Protection Agency, Department of Natural Resources, Department of Public Health, or Department of Transportation that impact the public trust in the waters and lands of this State, State parks or natural areas, threatened or endangered species, surface or ground water quality, air quality, or other matters affecting the right to a healthful environment under the Illinois Constitution. (Sen. Robert Peters, Scott M. Bennett and Antonio Muñoz-Cristina Castro-Martin A. Sandoval-Ram Villivalam)

Supports, as a civil right, automatic citizenship to all qualifying children adopted by a U.S. citizen parent, regardless of the date on which the adoption was finalized. Condemns the deportation of individuals who were adopted into American homes and should have every expectation that their citizenship matches that of their adoptive parents. Welcomes legislation that will provide citizenship for all adult adoptees whose adoptive parents did not complete the naturalization process while they were children.

20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)
The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)
HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

New Act

Creates the Expressway Safety Act. Provides that the Illinois State Police, the Illinois Department of Transportation, and
the Illinois State Toll Highway Authority shall work together to conduct a program to increase the amount of cameras along
expressways in Cook County. Provides that images from the cameras may be used to investigate offenses and detect roadway hazards,

House Floor Amendment No. 1

Provides that funds from the Road Fund shall be for use on highways under the jurisdiction of the Department of
Transportation.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and House Amendment No. 1, and
makes the following changes. Renames the Act the Expressway Camera Act and provides that the Act may be referred to as the
Tamara Clayton Expressway Camera Act. Provides that images from expressway cameras may be used by any municipal police
department, county sheriff's office, State Police officer, or other law enforcement agency with jurisdiction over the expressway (instead
of "roadway") in Cook County in the investigation of any offense involving the use of a firearm (instead of by law enforcement
agencies in the investigation of offenses). Provides that funds needed to conduct the program for use on expressways (instead of

730 ILCS 5/5-4-1 from Ch. 38, par. 1005-4-1

Amends the Unified Code of Corrections. Provides that in imposing a sentence for an offense that requires a mandatory
minimum sentence of imprisonment or probation or conditional discharge of 2 years or more, the court may sentence the offender to
probation or conditional discharge or other non-imprisonment sentence it deems appropriate instead of to a sentence of imprisonment
or to a lesser sentence of imprisonment, probation, or conditional discharge than the minimum sentence of imprisonment, probation, or
conditional discharge provided for the offense if the court finds that the defendant does not pose a risk to public safety and the interest
of justice requires the non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or
conditional discharge. Provides that the court must state on the record its reasons for not imposing the minimum sentence of
imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge. Provides that if the defendant has been
charged with an offense involving the use, possession, or discharge of a firearm, the court may not deviate from a mandatory minimum
sentence or probation or conditional discharge requirement, unless it is the recommendation of a presentence investigation and there is
clear articulable evidence that the defendant is not a threat to the public safety. Provides that an offender convicted of a sex offense or
an offense involving the infliction of great bodily harm may not be sentenced to a lesser term of imprisonment, probation, or
conditional discharge.

House Committee Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that in
imposing a sentence for an offense that requires a mandatory minimum sentence of imprisonment or probation or conditional discharge
of 2 years or more, the court may instead sentence the offender to a lesser term of imprisonment, probation, or conditional discharge it
deems appropriate if the court finds that the defendant does not pose a risk to public safety and the interest of justice requires the
non-imposition of the mandatory sentence of imprisonment or a lesser sentence of imprisonment, probation, or conditional discharge.
Provides that an offender convicted of a sex offense, robbery offense, or a crime of violence as defined in the Crime Victims
Compensation Act (rather than an offense involving the infliction of great bodily harm) may not be sentenced to a lesser term of
imprisonment, probation, or conditional discharge under the provision.

House Floor Amendment No. 4
Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Provides that in imposing a sentence
for an offense that requires a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation,
conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs,
retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a
risk to public safety; and (3) the interest of justice requires imposing probation, conditional discharge, or a lesser term of
imprisonment. Provides that the court must state on the record its reasons for imposing probation, conditional discharge, or a lesser
term of imprisonment.

New Act

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity requesting the service.

Fiscal Note (Illinois State Police)

The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

HB 00027

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)
House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice for a for-profit publishing entity that publishes on a publicly available Internet website or in any other publication that charges a fee for removal or correction of the information to fail to remove within 30 days, without the imposition of any fee, the criminal record information of a person who provides the entity with: a pardon from the Governor or a certificate of innocence stating that the person is innocent of all offenses relating to the criminal record information; court records indicating that the person was found not guilty or that the case ended without a finding of guilt; or an order to expunge or seal the criminal record information of the person. 5 ILCS 375/6.16 new
215 ILCS 5/356z.33 new
305 ILCS 5/5-40 new

Amends the State Employees Group Insurance Act of 1971, Illinois Insurance Code, and the Illinois Public Aid Code. Provides that pasteurized donated human breast milk shall be covered under health insurance and the medical assistance program under the Illinois Public Aid Code. Describes the requirements that must be met to have pasteurized human breast milk covered under health insurance and the medical assistance program. Effective January 1, 2020.

House Committee Amendment No. 1
Provides that one of the requirements to have coverage of pasteurized donated human breast milk is that the milk is obtained from a human milk bank licensed by the Department of Public Health (rather than the milk is obtained from a human milk bank that meets quality guidelines established by the Human Breast Milk Banking Association of North America, or that is licensed by the Department of Public Health).

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the engrossed bill with the following changes. Provides that all of the following conditions must be met for the donated human breast milk to be covered: the milk is obtained from a human milk bank that is licensed by the Department of Public Health; the infant is critically ill and the infant's mother is medically or physically unable to produce maternal breast milk or produce maternal breast milk in sufficient quantities to meet the infant's needs or the maternal breast milk is contraindicated; the milk has been determined to be medically necessary for the infant; and one or more of the following applies: the infant's birth weight is below 1,500 grams, the infant has a congenital or acquired condition that places the infant at a high risk for development of necrotizing enterocolitis, the infant has infant hypoglycemia, the infant has congenital heart disease, the infant has had or will have an organ transplant, the infant has sepsis, or the infant has any other serious congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the infant. Effective January 1, 2020.

Senate Floor Amendment No. 3
Replaces everything after the enacting clause with the bill, as amended by Senate Amendment No. 1, with the following changes. Provides that the milk must be prescribed by a licensed medical practitioner (instead of a physician). Provides that milk must be obtained from a human milk bank that meets quality guidelines established by the Human Milk Banking Association of North America or is licensed by the Department of Public Health (rather than licensed by the Department of Public Health). Removes a requirement that the infant must be critically ill. Adds provisions requiring coverage for a child 6 months through 12 months of age if the child would qualify if he or she was under the age of 6 months and the child has spinal muscular atrophy; the child's birth weight was below 1,500 grams and he or she has long-term feeding or gastrointestinal complications related to prematurity; the child has had or will have an organ transplant; or the child has a congenital or acquired condition for which the use of donated human breast milk is medically necessary and supports the treatment and recovery of the child. In the Public Aid Code, adds provisions requiring coverage for a child 12 months of age or older if the child would qualify if he or she was under the age of 6 months and has spinal muscular atrophy. Makes other changes. Effective January 1, 2020.

HB 01591 (CONTINUED)

Amends the Downstate Public Transportation Act, the Metropolitan Transit Authority Act, the Local Mass Transit District Act, and the Regional Transportation Authority Act. Provides for free fares for veterans with disabilities, reduced fares for other veterans, and free fares for specified high school students on days when school is in session on public transportation. Provides for a continuing appropriation beginning in Fiscal Year 2020 to cover the free and reduced fares. Effective immediately.

Fiscal Note (Dept. of Transportation)
RTA currently has a Free & Reduced Fare program for seniors, students, and disabled. IDOT subsidizes $17.5 million out of the road fund (approx. 15% of the total proposed losses in revenue). IDOT does not have access to ridership numbers so is unable to project how the proposed legislation that calls for free rides for seniors and veterans with 70% disability, half fares for veterans with 30-70% disability, and certain high school students who meet eligibility requirements would increase the costs. Many veterans might take advantage of this program. Estimates for projected fare losses to include additional categories of ridership will need to be provided by the service boards. Collectively, the estimated FY 19 revenue losses to the RTA attributable to eligible free and reduced fares is approximately $113 million. Actual revenue losses to the service boards to provide additional fare reductions will significantly increase the current amount from $113 million in FY 19. To reimburse the RTA (service boards) 100% of the proposed revenue losses that includes don't include that additional categories of ridership will take at least $95.5 million. The Road Fund does not have the cash. For the Downstate Transits Districts, the data needed to provide a fiscal cost is not available. Most of the recipients have no data to support a fact-based estimation of financial impacts. Disabled veterans covered in the new law, for example, are riding under the existing disabled free ride program but are not tracked separately or are using VA-sponsored transportation. Unfortunately, there are too many unknowns to speculate on impacts to ridership, service delivery, and the associated financial implications. Information that we have extrapolated provides an estimated financial implication totaling $4,698,498. We do not have much confidence in that number. The Road Fund does not have the cash to support this program.

Provides that the workgroup, using a health in all policies framework, shall review and make recommendations regarding how health considerations may be incorporated into the decision-making processes of government agencies and private stakeholders who interact with government agencies, foster collaboration among units of local government and State agencies, develop laws and policies to improve health and reduce health inequities, and make recommendations regarding how to implement laws and policies to improve health and reduce health inequities. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to implement the Program. Amends the Freedom of Information Act to provide an exemption for information that is exempt from disclosure under the Illinois Higher Education Savings Program.

House Floor Amendment No. 2

Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note (Office of the Treasurer)
Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

House Floor Amendment No. 3

Modifies the definition of "eligible child".

HB 03483 (CONTINUED)

Replaces everything after the enacting clause with provisions similar to the introduced bill, but with the following changes:

Provides that individuals who are receiving services under any home and community-based services waiver program authorized under the Social Security Act may remain on the Prioritization of Urgency of Need for Services (PUNS) database until they are offered services through a PUNS selection or demonstrate the need for and are awarded alternative services. Requires the Department of Human Services to make all reasonable efforts to contact individuals on the PUNS database at least 2 times each year and provide certain information about the PUNS process, available services, and advice on preparing for and seeking developmental disability services (rather than requiring the Department to ensure that individuals in PUNS are contacted regarding their PUNS status and available services at least 2 times each year via e-mail or letter, based on the delivery preference of the individual). Provides that at least one of the contacts must be from an independent service coordination agency. Permits the Department to contact individuals on the PUNS database through a newsletter prepared by the Division of Developmental Disabilities. Requires the Department to provide information about PUNS to the public on its website. Makes some technical changes. Effective immediately.

New Act

Creates the Drug and Sharps Waste Stewardship Act. Directs the Environmental Protection Agency to administer a drug and sharps waste stewardship program. Provides that the State Board of Pharmacy is to guide and advise the Agency in its administration of the program. Requires covered entities to provide lists of covered and not covered products to the State Board and to implement stewardship plans. Requires stewardship plans to be submitted to the Agency for review and acceptance. Requires that all counties have at least one collection site for unused drugs and sharps per 50,000 people, and no fewer than 5 such collection sites. Requires counties that do not have the necessary number of collection sites to establish a mail-back program, or alternative collection program for covered products, or both. Imposes an administrative fee on covered entities. Provides penalties for covered entities that fail to comply with the provisions of the Act. Creates the Drug and Sharps Stewardship Fund and the Drug and Sharps Stewardship Penalty Account within the Fund. Directs the Agency to post lists of compliant covered entities on its website. Exempts stewardship programs already in existence under local ordinances at the time the Act takes effect from the Act's provisions, but provides that those entities with programs that are not within the Act's purview are not to receive any monetary support from the Drug and Sharps Stewardship Fund or the Drug and Sharps Stewardship Penalty Account. Exempts confidential proprietary information from public disclosure by the Agency.

755 ILCS 5/11-8  from Ch. 110 1/2, par. 11-8
755 ILCS 5/11-8.1
Amends the Probate Act of 1975. Defines "administrative separation". Provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if it finds that the minor has a living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Provides that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Makes conforming changes. Effective immediately.

House Floor Amendment No. 1

Deletes reference to:

755 ILCS 5/11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Makes conforming changes. Effective immediately.

Supports, as a civil right, automatic citizenship to all qualifying children adopted by a U.S. citizen parent, regardless of the date on which the adoption was finalized. Condemns the deportation of individuals who were adopted into American homes and should have every expectation that their citizenship matches that of their adoptive parents. Welcomes legislation that will provide citizenship for all adult adoptees whose adoptive parents did not complete the naturalization process while they were children.

(Sen. Jacqueline Y. Collins-Patricia Van Pelt and Jim Oberweis-Mattie Hunter)

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% or was certified to be in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university and satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the university; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes from the applicability of the Act the University of Illinois, Illinois State University, Governors State University, Northeastern Illinois University, and Chicago State University; makes conforming changes. Provides that, beginning with the 2020-2021 academic year, each institution shall create a 4-year uniform admission system pilot program under the Act (rather than create a permanent uniform admission system). Makes other changes. Repeals the Act on July 1, 2025.

Fiscal Note, House Committee Amendment No. 1 (IL Board of Higher Education)

House Bill 26 (H-AM 1) will not have a fiscal impact on the Illinois Board of Higher Education.

House Committee Amendment No. 2

With regard to the student outreach program, removes a provision requiring the Illinois Student Assistance Commission, after gathering information and recommendations from available sources and examining current outreach practices by institutions of higher education in this State and in other states, to prescribe best practice guidelines and standards to be used by institutions in conducting student outreach.

Senate Floor Amendment No. 1

Provides that an applicant who graduates in a graduating class of a school that has so few students that class rank does not make a reliable contribution toward assessing the student's college readiness is considered to have satisfied certain automatic admission requirements of the Act if, among other requirements, the student has (i) successfully completed the minimum college preparatory curriculum requirements established by law for admission to the institution and (rather than or) (ii) satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the institution to which the applicant applied as well as any composite scores or subscores for colleges within that institution. Makes a technical correction.

HB 00027

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 00027 (CONTINUED)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19, EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of “Average Student Enrollment” in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).
