Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:

Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

Senate Floor Amendment No. 2

Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. Adds a definition for "covered entity".

820 ILCS 90/7 new
Replaces everything after the enacting clause. Amends the Illinois Freedom to Work Act. Provides that a covenant not to compete shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $75,000 per year on the effective date of the amendatory Act, $80,000 per year beginning on January 1, 2027, $85,000 per year beginning on January 1, 2032, or $90,000 per year beginning on January 1, 2037 (rather than no employer shall enter into a covenant not to compete with any low-wage employee of the employer). Provides that a covenant not to solicit shall not be valid or enforceable unless the employee's actual or expected annualized rate of earnings exceeds $45,000 per year. Provides that a covenant not to compete is void and illegal for any employee who an employer terminates or furloughs or lays off as the result of business circumstances or governmental orders related to the COVID-19 pandemic, or under circumstances that are similar to the COVID-19 pandemic, unless enforcement of the covenant not to compete includes compensation equivalent to the employee's base salary at the time of termination for the period of enforcement minus compensation earned through subsequent employment during the period of enforcement. Provides that a covenant not to compete is void and illegal for individuals covered by a collective bargaining agreement under the Illinois Public Labor Relations Act or the Illinois Educational Labor Relations Act. Contains provisions concerning the enforceability of a covenant not to compete or a covenant not to solicit; notice requirements for employers under a covenant not to compete or a covenant not to solicit; remedies for employees who prevail against an employer's civil action to enforce a covenant not to compete or a covenant not to solicit; and certain factors a court may consider when determining whether to reform a covenant not to compete or a covenant not to solicit. New Act

Creates the Disposition of Big Box Property Act. Defines "big box property" as property located in the State consisting of one or more property identification numbers under common ownership that contains at least one building of 30,000 square feet or more. Provides that the owner of a big box property shall provide written notice of listing the property or entering into a contract for sale of the property to the corporate authorities of the municipality in which the property is located within 7 days of the property first being listed for sale or under contract for sale. Provides that the notice of the contract for sale shall include the identity of the purchaser, the terms of the sale, and intended use of the property after the transfer. Provides that the municipality has the right to purchase the big box property within 60 days of receipt of the notice, on the same terms as contained in the listing or offered to any purchaser. Provides that the municipality may require the purchaser of any big box property to maintain the current use or similar commercial operations of the building, and if the purchaser fails to do so, the municipality may exercise the authority to purchase the property at the same purchase price as paid by purchaser. Provides that the municipality in which the big box property is located may impose a fine not to exceed $750 per day on the owner of a big box property who is in violation of the Act.
Amends the Code of Civil Procedure. Provides that a defendant in an action alleging malpractice or negligence against an architect, engineer, or surveyor may request an affidavit of merit within 56 days after the complaint or notice of the action is served on the defendant. Provides that within 56 days after a request for an affidavit of merit is made, the plaintiff in the action shall file an affidavit of merit signed by an individual who the plaintiff reasonably believes meets certain requirements. Provides that the court may grant one extension of time for filing an affidavit of merit. Provides for dismissal of an action, with or without prejudice. Provides that a defendant's objection to an affidavit of merit shall be raised in a motion filed within 90 days after the affidavit of merit is served. Provides that if the court determines that an affidavit of merit does not fully comply with the requirements, the court shall allow the plaintiff 56 days to file one or more affidavits of merit that correct the deficiencies identified by the court. Provides that a defendant shall participate in discovery in the action as required by court rules. Provides that an affidavit of merit is not required in an action for breach of contract against an architect, engineer, or surveyor that does not involve the standard of care.

Amends the Homeowners' Energy Policy Statement Act. Provides that the Act does not apply to any building that is greater than 30 feet in height and is not a single family residential home (instead of "any building that is greater than 30 feet in height"). Effective immediately.

210 ILCS 45/3-102.3 new
5 ILCS 100/5-45.8 new

Amends the Nursing Home Care Act. Provides that the Department of Public Health shall require each long-term care facility in the State, as a condition of facility licensure, to adopt and implement written policies, provide for the availability of technology to facility residents, and ensure that appropriate staff and other capabilities are in place to prevent the social isolation of facility residents. Contains specified requirements for the social isolation prevention policies. Provides that the Department shall distribute civil monetary penalty funds, as approved by the federal Centers for Medicare and Medicaid Services, and any other available federal and State funds, upon request, to facilities for communicative technologies and accessories needed for the purposes of the provisions. Provides that whenever the Department conducts an inspection of a long-term care facility, the Department's inspector shall determine whether the long-term facility is in compliance with the provisions and the policies, protocols, and procedures adopted pursuant to the provisions. Requires the Department to adopt rules necessary to implement the provisions within 60 days after the amendatory Act's effective date (and makes conforming changes in the Illinois Administrative Procedure Act). Contains other provisions. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds to obtain assistive and supportive technologies and related accessories that would facilitate communication between residents and other family members, friends, and external support systems. Provides that the Department (rather than the Department's inspector) shall determine whether a long-term care facility is in compliance with the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that a noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

Senate Floor Amendment No. 2
In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act.

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed with the following changes: In provisions concerning an application for an owners license, requires the application to also include evidence that the applicant has entered into a fully executed project labor agreement with the applicable local building trades council (rather than evidence that the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and a commitment to pay a prevailing wage). Provides that in the Illinois Gaming Board's decision to grant an owners license, the Board shall also consider whether the applicant has entered into such a project labor agreement (rather than whether the applicant has entered into a construction project labor agreement that includes certain provisions regarding employee compensation and whether the applicants pays a prevailing wage for construction employees). In provisions concerning the renewal of an owners license, removes language allowing the Board to shorten a renewal period. Effective immediately.

SB 01646 (CONTINUED)

House Floor Amendment No. 2
Adds reference to:

40 ILCS 5/16-158 from Ch. 108 1/2, par. 16-158

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes.
Further amends the Downstate Teacher Article of the Illinois Pension Code. In a provision that requires an employer to make an additional contribution to the System for certain salary increases greater than 6%, excludes salary increases resulting from teaching summer school on or after May 1, 2021 and before September 15, 2022. Effective immediately.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1646, as amended by HA 2, would reopen a window for teachers to apply for optional service credit for work done in approved private schools as teachers and administrators. The Teachers' Retirement System reports having 3,463 members who have applied for this private school credit in previous window openings, as described below. TRS estimates that the fiscal impact of this bill would be low, as the member must pay both the member and employer contributions, plus the actuarially assumed rate of interest to take advantage of this credit. The fiscal impact to TRS as a result of exempting summer school teaching from the 6% Final Average Salary Cap is unknown, as it is not known how many teachers would accrue pensionable salary in excess of 6% from the previous school year with the same employer via summer school teaching rendered between May 1, 2021 and September 15, 2022.

755 ILCS 50/5-15   was 755 ILCS 50/4.5

Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

Senate Floor Amendment No. 2
Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. Adds a definition for "covered entity".

(Rep. Terra Costa Howard-Jaime M. Andrade, Jr., Chris Bos, Dave Vella, Janet Yang Rohr, Deb Conroy, Anne Stava-Murray, Kathleen Willis, Tony McCombie and Natalie A. Manley)
Amends the Unified Code of Corrections. Provides that a period of probation, a term of periodic imprisonment or conditional discharge shall not be imposed for a violation of child pornography when the person possesses any film, videotape, photograph, or other similar visual reproduction or depiction by computer of any child or person with a severe or profound intellectual disability whom the person knows or reasonably should know to be under the age of 18 or to be a person with a severe or profound intellectual disability engaged in sexual activity if the victim is a household or family member of the defendant.

Provides that for certain audits the audit period shall be within the discretion of the Board but may not exceed 7 years from the close of the most recent reporting period. Effective immediately.

SB 02142 (CONTINUED)

Amends the Revised Uniform Unclaimed Property Act. Provides that property due or owed by a business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the administrator more than 10 years after the holder filed a nonfraudulent report with the administrator (rather than after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language regarding the tolling of the period of limitation. Provides instead that the parties may agree to extend the period of limitation. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder more than 10 years after the duty arose. Provides that if a person subject to examination does not retain the records, the administrator may use specific estimation techniques to determine the amount of unclaimed property and shall incorporate a net method of extrapolation (rather than determine the value of property due using a reasonable method of estimation based on all information available to the administrator). Deletes language providing that a payment made based on estimation is a penalty for failure to maintain the records and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled. Provides that a holder may request a hearing to contest the use or validity of the estimation technique. Provides that the examination is final upon the failure of the holder to request a hearing. Provides that if a hearing is held, the State Treasurer shall issue an order approving or disapproving the use or validity of the estimation techniques. Deletes language providing that if the administrator contracts with a person, the contract may provide for compensation of the person based on a contingent fee. Deletes language providing that an initial report filed for property that was not required to be reported before the Act took effect must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date as if the Act had been in effect during that period.

Defines "rate of growth of the Illinois median household income". Effective immediately.
Amends the Address Confidentiality for Victims of Domestic Violence, Sexual Assault, or Stalking Act. Changes the name of the Act to the Address Confidentiality for Victims of Domestic Violence, Sexual Assault, Human Trafficking, or Stalking Act. Makes the Act's requirements applicable to victims of human trafficking. Deletes language providing that: a program participant who is otherwise qualified to vote may apply to vote under the Election Code; the program participant shall automatically receive absentee ballots for all elections in the jurisdictions for which that individual resides; and the election authority shall transmit the absentee ballot to the program participant at the address designated by the participant in his or her application. Provides instead that a program participant who is otherwise qualified to vote may register to vote by submitting an Illinois Address Confidentiality Program Voter Registration Application created by the State Board of Elections to the appropriate election authority.
