I would like to submit the following testimony:

For nearly three decades, the 3rd Congressional District has represented constituents from the Bridgeport and Canaryville neighborhoods of Chicago, down the I-55 corridor through Stickney, Lyons, Palos, Worth and Orland Townships.

The residents of this historically industrial area are largely working class and share common concerns including jobs; industrial pollution; and affordable housing, childcare, and healthcare.

As a resident of the 11th Ward, Chicago's Bridgeport neighborhood, and the southwest side, I am asking the committee to allow my community to remain in the 3rd Congressional District.

Sincerely,  
Anna Schibrowsky
