Redistricting committee,

My name is Katherine Einhorn. I am a single mom who has Leukemia and am on disability. I believe the science because it's keeping me alive. I have been vaccinated and so have my 2 sons who live with me. One of my sons is attending Stagg High School in the 230 district. We are actually fighting against the small group of parents who are anti-mask in our North Palos 117 district. If you keep the map the way it currently is, my tax dollars will go towards frivolous lawsuits like the one Mayor Pekau is pursuing in Orland against the mask mandates. I DO NOT want that, and during the prior 2 elections have worked hard fighting against that thinking by helping to get Marie Newman elected, and DINO Dan Lipinski ousted.

Our district has historically been a Southwest Side and southwestern Cook County district. Dividing communities and extending beyond its general shape is completely retrogressive and will break up our diverse constituency, diluting our representation in Congress.

We fought hard to have Marie Newman as a representative in our district. We would like to remain in the district that has a chance of being democratic.

IL03 needs to stay within current boundaries. Issues like transportation and infrastructure are shared with Chicago more than rural LaSalle IL.

Please reconsider this map, the way it stands right now.

Thank you,
Katherine Einhorn
