Subject: Opposed to the proposed redistricting map
Date: Tuesday, October 19, 2021 12:12:14 PM

My name is Kathy Freeman. I live in Tinley Park, IL dist. 3. I am very opposed to they way the new map has been drawn up. Are district has always been a Southwest Cook County district. Extending the district out west to include Grundy & LaSalle counties makes no sense. This would dilute our representation in Congress. The needs of the Southwest Chicago suburbs are different that the rural areas of Grundy & LaSalle. We both need our own representation.
