Subject: ****SPAM**** IL district 3
Date: Friday, October 15, 2021 12:03:03 PM

I understand you are trying to change the district map for house district 3 in Illinois to be more rural. I believe the current map reflects a balanced diverse snapshot of our area and current leadership has been good at addressing issues of all constituents. I respectfully ask that you leave this district to be the balanced one that it is.

Thank you.
Natalie Beglen
