Subject: REDISTRICTING INPUT
Date: Monday, March 22, 2021 4:54:39 PM

To the Illinois State Senate Redistricting Committee:

My input is simple. Abolish, once and for all time, the disenfranchising practice of gerrymandered districts and institute a non-partisan, rational system that avoids geographic gymnastics in order to form "safe" districts for any party or faction. We need competitive districts and an end to one-party rule (by any party, anywhere).

Thank you,
-Richard Nitzsche
Westchester, IL 60154
