House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

740 ILCS 128/10

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offenses of child sexual abuse material to child sexual abuse material. Changes the penalty for grooming from a Class 4 to a Class 3 felony. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent". Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony for a first offense; and a Class 3 felony for a second or subsequent offense, or if the person has been previously convicted of a sex offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Provides that the definition of "family member" in the Sex Offenses Article of the Criminal Code of 2012 includes a sibling. Provides that "family member" also means, if the victim is under 18 years of age, an accused who has resided in the household with the child continuously for at least 3 (rather than 6) months. Restores a reference to aggravated child pornography which offense was repealed by Public Act 97-995, effective January 1, 2013.

House Committee Amendment No. 2

In the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, deletes in the definition of "unable to give knowing consent" that the victim could not give intelligent agreement to the sexual act. Provides that a violation of the provisions of sexual exploitation of a child by knowingly enticing, coercing, or persuading a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older is a Class 4 felony (rather than a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense or if the person has been previously convicted of a sex crime). Provides that in order to commit the offense of grooming, the person be 5 years or more older than a child victim, or holding a position of trust, authority, or supervision in relation to the child at the time of the offense.

House Committee Amendment No. 3

In the amendatory changes to the Criminal Code of 2012, restores the Class 4 felony penalty for grooming.

Provides that if a mandated reporter has reason to believe that the death of an eligible adult is the result of abuse or neglect, the matter shall be reported to the agency designated to receive such reports or to the Department for subsequent referral to the appropriate law enforcement agency and coroner or medical examiner. Contains provisions concerning the required testimony of a mandated reporter at an administrative hearing concerning the suspicious death of an eligible adult; the referral of evidence to the appropriate law enforcement agency; access to records concerning reports of suspicious deaths due to abuse, neglect, or financial exploitation; and other matters. Makes changes to the definitions of "abuse", "abuser", and "mandated reporter". Defines "investment advisor". Effective January 1, 2024.

House Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

New Act

Creates the Natural Organic Reduction Regulation Act. Provides that any person doing business in this State, or any cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or any other entity, may erect, maintain, and operate a natural organic reduction facility in the State and provide the necessary appliances and facilities for the natural organic reduction of human remains in accordance with the Act. Provides that an individual or a person, cemetery, crematory, funeral establishment, corporation, partnership, joint venture, voluntary organization, or other entity may reduce human remains only in a natural organic reduction facility operated by a disposition authority licensed for this purpose and only under the limitations provided in the Act. Provides for: grounds for denial or discipline; surrender of a license; license, display, transfer; authorizing agent; authorization for natural organic reduction; performance of natural organic reduction services, training; recordkeeping; natural organic reduction procedures; disposition of reduced human remains; limitation of liability; hazardous implants; penalties; failure to file an annual report; injunctive action, cease and desist order; service of notice; investigations, notice and hearing; compelling testimony; administrative review, venue, certification of record, costs; and preneed of natural organic reduction arrangements.

House Floor Amendment No. 1

Provides that applications for licensure as a disposition authority shall be accompanied by a fee of \$100 (instead of \$250) and that renewal fees are \$100 (instead of \$250). Provides that each disposition authority shall file an annual report with the Comptroller, accompanied with a \$25 fee plus \$5 (instead of \$15) for each natural organic reduction performed that calendar year. Specifies that the \$25 annual report fee shall be deposited into the Comptroller's Administrative Fund, and the \$5 fee for each natural organic reduction performed shall be deposited into the Cemetery Consumer Protection Fund. Removes language providing that the delivery of the reduced human remains may be made in person or by registered mail. Makes a grammatical correction.

House Floor Amendment No. 2

Makes grammatical changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, with the changes proposed in House Amendment No. 1 and House Amendment No. 2, and the following additional changes. Requires the vessels used for natural organic reduction to be made of stainless steel, to be leakproof, to promote aerobic reduction, and to allow for the continuous monitoring of the reduction process. Requires the natural organic reduction facility to have a ventilation system. Requires the reduction facility to meet or exceed requirements set by the federal Centers for Disease Control and Prevention (rather than standards set by the Department of Public Health and the Centers for Disease Control and Prevention). Specifies that certain chemical analyses are to be performed by a laboratory accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program. Provides that, in the case of an event where the health of the public may be at risk or there are signs at a facility of a potential health hazard, the Illinois Department of Public Health shall be consulted to assess the natural organic reduction facility. Makes other technical changes. Effective January 1, 2025.

New Act

720 ILCS 5/33G-4

745 ILCS 5/1

from Ch. 127, par. 801

820 ILCS 275/120

Creates the Legislative Employee Labor Relations Act. Authorizes legislative employees to bargain collectively through the representatives of their choosing on questions of wages, hours, and other conditions of employment. Specifies that the General Assembly is not required to bargain on specified matters of inherent managerial policy. Establishes the Office of State Legislative Labor Relations. Directs the Office of State Legislative Labor Relations to manage the interests of the General Assembly in collective bargaining with legislative employees. Grants the State Panel of the Illinois Labor Relations Board jurisdiction over collective bargaining matters between employee organizations and the General Assembly of the State of Illinois. Contains additional provisions concerning the following topics: the duty to bargain collectively; fair-share agreements; grievance procedures; election and recognition of labor organizations as exclusive representatives; unfair labor practices; mediation; fact-finding; exhaustion of nonjudicial remedies; strikes during session periods; and multiyear collective bargaining agreements. Specifies that the Open Meetings Act does not apply to collective bargaining negotiations and grievance arbitration proceedings under the Act. Sets forth definitions. Amends the Criminal Code of 2012, the State Lawsuit Immunity Act, and the Workplace Violence Prevention Act to make conforming changes. Effective July 1, 2026.

House Floor Amendment No. 1

Makes changes to the definitions of the terms "excluded employee" and "legislative employee". Provides that a legislative employee employed by the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, or a legislative employee that is a district office employee is employed by the individual occupying that elected position. Provides that, upon any change in a person occupying such an elected position, the newly elected person has the sole and exclusive authority to act with respect to employment decisions, such as, hiring, promotion, renewal of employment, or discharge, and prohibits any provision in a collective bargaining agreement to the contrary. Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Removes provisions concerning the certification of units with fewer than 35 employees. Provides that it is an unfair labor practice to, among other things, promise, threaten, or take any action: (i) to permanently replace an employee who participates in a lawful strike; (ii) to discriminate against an employee who is working or has unconditionally offered to return to work for the employer because the employee supported or participated in such a lawful strike; or (iii) to lock out, suspend, or otherwise withhold employment from an employee in order to influence the position of such employee or the representative of such employee in collective bargaining prior to a lawful strike. Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be cited as the U.S. Military Highways Designations Act (rather than the United States Marine Corps Semper Fidelis Memorial Highway Act). Designates the portion of Interstate 80 in Illinois from mile marker 26 to 51 (rather than the entirety of Interstate 80 in Illinois) as the U.S. Marine Corps Highway "Semper Fidelis" (rather than the United States Marine Corps Semper Fidelis Memorial Highway) to honor and mark the 250th anniversary of the United States Marine Corps. Provides that appropriate plaques may be erected by the Department of Transportation along Interstate 80 and in rest areas along this route (rather than only in rest areas).

Amends the Rescue Squad Districts Act, which is becoming the Emergency Services District Act on January 1, 2024. Increases the amount of the levy that a district may initially levy upon formation of the district from .20% to .40%. Provides that districts organized before January 1, 2024 may, by ordinance or resolution, increase the tax rate authorized by their organizational proposition by up to .20% (but no more than a .40% tax rate in the aggregate, including the amount levied under the organization proposition). Provides that the aggregate amount of all district tax levies may not exceed .80% (with no more than .40% authorized by the organizational referendum and .40% authorized by an ambulance service tax referendum). Provides that the board of trustees of a district may fix, charge, and collect fees not exceeding the reasonable cost of the service for ambulance services rendered by the district within or outside of the district (rather than fix, charge, and collect fees against persons who are not residents of the district and against businesses and other entities that are not located within the district). Removes a provision setting fee amounts at a rate not to exceed \$250 per hour and not to exceed \$70 per hour per ambulance worker responding to a call for assistance. Provides that the fee that may be charged to reimburse the district for extraordinary expenses of materials used in rendering ambulance services may be up to the reasonable cost of the materials. Effective immediately.

House Committee Amendment No. 1

Provides that a rescue squad district organized before January 1, 2024 may increase, by referendum (rather than by ordinance or resolution), the tax rate authorized by its organizational proposition by up to an additional .20%.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Updates the text of the underlying bill. In provisions about charges for ambulance service, restores language requiring a fee charged to be computed at a rate not to exceed \$250 per hour and not to exceed \$70 per hour per ambulance worker responding to a call for assistance, but limits the provisions to apply to an individual patient and not to a third-party payer. Provides that a third-party payer shall pay the reasonable cost of the services rendered by the district. Defines "third-party payer". Provides that an additional fee may be charged to reimburse the district for documented extraordinary expenses (rather than for extraordinary expenses of materials used) in rendering ambulance services up to the reasonable cost of the materials, personnel, and operating costs. Limits some of the changes to apply only to counties outside of Cook County, DuPage County, Kane County, Lake County, McHenry County, and Will County. Effective immediately.

415 ILCS 5/9.20 new

Amends the Environmental Protection Act. Requires the Environmental Protection Agency to establish a Fleet Electrification Incentive Program to provide fleet owners and operators in the State grants to promote the use of eligible electric vehicles. Provides that the Program shall offer qualifying purchasers a grant up to specified base amounts toward the purchase of eligible electric vehicles based on the Class of vehicle. Requires the Agency to award grants under the Program on a competitive basis according to the availability of funding. Provides that to be eligible to receive a grant under the Program a purchaser must satisfy all of the required criteria. Provides that the Agency shall give weight to an application based upon the potential impact of the geographic location and route of the purchaser's fleet on pollution affecting an equity investment eligible community. Requires the Agency to ensure that resale of a vehicle serving a public school or located within an equity investment eligible community shall result in the vehicle servicing a similarly situated community. Provides that grants under the Program may be combined with other public incentives but the total of governmental incentives shall not exceed a maximum of 80% of the purchase price of the vehicle. Requires the Agency to set aside 20% of the appropriated funds under the Program for grants to the purchaser of electric school buses. Provides that all awards granted are subject to appropriation by the General Assembly. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes a provision that the Environmental Protection Agency shall offer increased grant incentives of an additional 15% of the base amount for the purchase of eligible electric vehicles that will be located within an equity investment eligible community. Provides that the Agency shall use a points-based evaluation and shall award additional points to an application from an eligible purchaser whose eligible electric vehicles are to be domiciled in an equity investment eligible community (rather than give weight to an application based on the potential impact of the location and route of the purchaser's fleet on pollution affecting an equity investment eligible community). Adds a definition of "eligible purchaser" using language from the introduced bill describing purchasers who are eligible to receive a grant under the Program. Makes conforming changes. Makes other changes.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

HB 04209 (CONTINUED)

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

New Act

Creates the Uniform Cohabitants' Economic Remedies Act. Allows an individual who is or was a cohabitant to commence an action on a contractual or equitable claim that arises out of contributions to the relationship, including allowing an action to be commenced on behalf of or against a deceased cohabitant. Provides that a claim for breach of a cohabitants' agreement accrues on breach and may be commenced, within 5 or 10 years after it first accrues, during cohabitation or after termination of cohabitation. Includes instances when a cohabitants' agreement may be unenforceable or voidable. Allows a cohabitant to commence an equitable action against the other cohabitant concerning entitlement to property based on the contributions to the relationship, and such an action accrues on termination of cohabitation. Sets forth applicability, governing law, effect of a court order or judgment on a third party, principles of law and equity, uniformity of application and construction, relation to electronic signatures, and transitional provisions. Defines terms.

House Floor Amendment No. 2

Provides that a claim brought under this Act is subject to any applicable affirmative defense, including, but not limited to, the statute of frauds. Provides that an equitable claim based on contributions to the relationship accrues on termination of cohabitation and is subject to equitable defenses, and may be commenced, subject to the 5-year general statute of limitation in the Code of Civil Procedure, during cohabitation or after termination of cohabitation. Provides that a court order or judgment granting relief under the Act may not impair the right or interest of a cohabitant's spouse or surviving spouse to the cohabitant's property and is subordinate to any domestic support obligation arising from a marriage of a cohabitant to another person. Provides that this Act applies to a cohabitants' agreement made on or after the effective date of the Act and to an equitable claim under the Act that accrues on or after the effective date of the Act.

Amends various Acts to change "juvenile prostitution" to "commercial sexual exploitation of a child", "prostitute" to "person engaged in the sex trade", and "juvenile prostitute" to "sexually exploited child". Amends the Statute on Statutes. Provides that the changes of names of the offenses and persons convicted of those offenses do not affect the validity of dispositions entered under the previous names. Amends the Criminal Identification Act. Provides that law enforcement agencies shall automatically expunge the law enforcement records relating to a person's Class 4 felony conviction for prostitution if that conviction is eligible for expungement. Provides that in the absence of a court order or upon the order of a court, the clerk of the circuit court shall automatically expunge the court records and case files relating to a person's Class 4 felony conviction for prostitution if that conviction is eligible for expungement. (Sen. Meg Loughran Cappel)

225 ILCS 10/4.1 from Ch. 23, par. 2214.1

Provides that a child care facility, non-licensed service provider, day care center, group day care home, or day care home may authorize the Department of Children and Family Services or a third-party vendor to complete the investigation. Provides that a conditional employee may work in a child care facility if the conditional employee is supervised by a licensed employee.

Senate Committee Amendment No. 2

Provides that, if a child care facility, non-licensed service provider, day care center, group day care home, or day care home authorizes the Department of Children and Family Services or a third-party vendor (rather than the Department of Children and Family Services) to collect fingerprints for an investigation, the Director of Children and Family Services shall request and receive information and assistance from any federal, State, or local governmental agency as part of the authorized investigation.

(Sen. Adriane Johnson)

720 ILCS 5/48-10

Amends provisions of the Criminal Code of 2012 making it an offense to keep a dangerous animal, with specified exceptions. In the definition of "dangerous animal", includes a serval, caracal, kangaroo, and wallaby and any hybrid, intergrade, or cross of a listed dangerous animal.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Makes a technical correction. Defines "federally licensed facility". Permits a person to have a right of property in, keep, harbor, care for, act as custodian of or maintain in his or her possession any dangerous animal or primate in or by a: (1) federally licensed facility, (2) veterinary hospital, or (3) permitted hound running area and only for possession of coyotes. Provides that the exemptions listed in the dangerous animals statute do not exempt persons from having to be in compliance with the Wildlife Code or the Endangered Species Act, including, but not limited to, prohibitions on possession of any dangerous animal. Provides that it is an affirmative defense for a prosecution under the dangerous animals statute if a person had lawful possession of a feline crossbreed between a serval cat and a domesticated cat and the possessor of the animal proves that the possessor possessed the animal before the effective date of the amendatory Act. Provides that nothing in dangerous animals statute shall be construed to apply to a motion picture, television, or digital media production company employing or contracting with a dealer or exhibitor licensed under the federal Animal Welfare Act or with a carrier, intermediate handler, or unlicensed exhibitor registered under that Act for the transportation, purchase, exhibition, or use of animals in its motion picture, television or digital media production.

House Floor Amendment No. 2

Adds reference to:

225 ILCS 115/18

Amends the Veterinary Medicine and Surgery Practice Act of 2004. Provides that a veterinarian who, on his own initiative or other than at the request of the owner, gives emergency treatment to a sick or injured animal, including a dangerous animal as defined in the dangerous animals provisions of the Criminal Code of 2012, shall not be liable for damages in the absence of gross negligence. In the amendatory changes to the Criminal Code of 2012, provides that upon the conviction of a person for keeping, harboring, caring for, acting as custodian of, or maintaining in his or her possession any dangerous animal, the animal with regard to which the conviction was obtained shall be confiscated and placed in a licensed (rather than an approved) facility, with the owner responsible for all costs connected with the seizure and confiscation of the animal.

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

5 ILCS 100/5-45.55 new

215 ILCS 5/370c.3 new

Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 100/5-45.55 new

Adds reference to:

215 ILCS 125/5-3

from Ch. 111 1/2, par. 1411.2

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. Effective immediately.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

New Act

Creates the Local School District Mandate Note Act. Provides that, every bill that imposes or could impose a mandate on local school districts, upon the request of any member, shall have prepared for it, before second reading in the house of introduction, a brief explanatory statement or note that shall include a reliable estimate of the anticipated fiscal and operational impact of those mandates on local school districts. Provides that the sponsor of each bill for which a request has been made shall present a copy of the bill with the request for a local school district mandate note to the State Board of Education. Provides that the State Board of Education shall prepare and submit the note to the sponsor of the bill within 5 calendar days, except as specified. Sets forth provisions concerning the requisites and contents of the note; comments or opinions included in the note; and the appearance of State officials and employees in support or opposition of measure.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, after a request for a Local School District Mandate Note has been made and before the State Board of Education submits the note to the sponsor of the bill, local school districts may, through a website maintained by the State Board of Education, submit explanatory statements that may include a reliable estimate of the anticipated fiscal, operational, and other impacts of the proposed mandate on the local school district. Provides that the State Board of Education shall develop and maintain a website to accept submissions from local school districts. Provides that the note submitted to the sponsor of the bill shall only include the submissions from local school districts. Provides that nothing in the provision shall impose any responsibility on the State Board of Education except to develop and maintain a website, accept submissions from local school districts, and submit a note to the sponsor of the bill containing the submissions from local school districts.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Creates the School District Mandate Task Force Act. Provides that the School District Mandate Task Force is created for the purpose of conducting a Statewide study to determine the information and data sets needed to establish a system that provides a timely and reliable estimate of the anticipated fiscal, operational, and other impacts that a bill filed in the General Assembly imposes or may impose through mandates on a local school district. Sets forth provisions concerning membership, compensation, administrative support, and meetings. Provides that the Task Force shall submit its final report, including model language that may be used as legislation, to the General Assembly and the State Board of Education on or before November 15, 2024 and, upon the filing of its final report, the Task Force is dissolved. Repeals the Act on July 1, 2025. Effective immediately.

(Sen. Laura Ellman)

415 ILCS 5/7.5 from Ch. 111 1/2, par. 1007.5

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

110 ILCS 205/9.44 new

Amends the Board of Higher Education Act. Provides that, subject to appropriation, the Board of Higher Education shall create a student teaching stipend program to alleviate the financial burden of student teaching and to encourage students to pursue teaching careers to alleviate this State's teacher shortage. Provides that to participate in the stipend program, an eligible student must be placed as a student teacher no later than June 1, 2025 or no later than June 1 each year thereafter. Provides that an educator preparation program shall notify the Board of all eligible students who qualify for the stipend program by July 1, 2025 and no later than July 1 each year thereafter and all eligible students shall be participants in the stipend program. Provides that no later than August 1, 2025 and no later than August 1 each year thereafter, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible student a stipend of up to \$10,000 per semester for up to 2 consecutive semesters, plus additional funds to pay the direct costs of operating the stipend program. Provides that the educator preparation program shall distribute stipend funds using the standard methods for allocating State-based financial aid or as wages for employment to each eligible student in monthly installments. Sets forth additional provisions concerning the distribution of funds. Provides for rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Removes provisions specifying notification deadlines. Provides that, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible cooperating teacher a stipend of up to \$2,000 per semester for up to 2 consecutive semesters per academic year, plus additional funds to pay the direct costs of operating the stipend program. Sets forth provisions concerning the distribution of funds to eligible cooperating teachers. Provides that an educator preparation program may not prohibit an eligible student or an eligible cooperating teacher from participating in the stipend program or receiving a stipend from the stipend program. Sets forth provisions concerning cooperating teacher training.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1 with the following changes. Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that "salary" includes stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Authorizes a person to establish optional credit for periods of service as a student teacher under a specified provision of the Board of Higher Education Act. In provisions requiring an additional employer contribution for certain salary increases greater than 6%, provides that the System shall exclude any stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Makes changes concerning how funds are to be distributed under the student teaching stipend program. Provides that the Board of Higher Education shall disburse funds to the State Board of Education, who shall disburse funds to each school district or early childhood education provider employing an eligible cooperating teacher (instead of having the Board of Higher Education disburse funds to educator preparation programs employing an eligible cooperating teacher). Makes related changes. Makes changes concerning when the report shall be completed. Provides that the Board of Higher Education shall provide guidance and technical assistance to educator preparation programs on the administration of the stipend program. Effective immediately.

Provides that, beginning in 2026, the Department of Healthcare and Family Services shall provide the State Treasurer with information on Medicaid recipients with one or more dependent children born after December 31, 2025 for the purpose of identifying the amount of seed funds to be deposited for each beneficiary. In provisions concerning supplementary deposits, provides that the State Treasurer may make supplementary deposits to each eligible child who is enrolled in Medicaid or whose parent or legal guardian is enrolled in Medicaid in the amount of \$50 or a greater amount if designated by the State Treasurer by rule. Makes conforming changes.

New Act

735 ILCS 5/9-106.4 new

765 ILCS 720/Act rep.

Creates the Landlord Retaliation Act. Declares that it is against the public policy of the State for a landlord to take retaliatory action against a tenant. Prohibits a landlord from knowingly terminating a tenancy, increasing rent, decreasing services, bringing or threatening to bring a lawsuit against a tenant for possessing or refusing to renew a lease or tenancy because the tenant has in good faith has taken certain actions, including but not limited to (i) complaining of code violations applicable to the premises to the relevant governmental agency responsible for enforcement of a building, housing, health, or similar code; (ii) complaining of a building, housing, health, or similar code violation, or an illegal landlord practice to a community organization or the news media; or (iii) complaining or requesting the landlord to make repairs to the premises as required by a building code, health ordinance, other regulation, or the residential rental agreement. Creates remedies for violation by a landlord including damages, punitive damages, or recovering possession of the premises. Creates an affirmative defense under the Code of Civil Procedure in eviction actions if a landlord violates the Landlord Retaliation Act. Repeals the Retaliatory Eviction Act. Makes other changes.

Senate Committee Amendment No. 1

Deletes reference to:

735 ILCS 5/9-106.4 new

Replaces everything after the enacting clause with the engrossed bill and these changes. Deletes changes to the Code of Civil Procedure. Provides that the tenant may file an action seeking a recovery of an amount equal to and not more than 2 months' rent or 2 times the damages sustained by the tenant, whichever is greater, and reasonable attorney's fees. Deletes punitive damages as a remedy for the tenant for a violation of this Act. Provides that an action is not retaliatory if the landlord can prove (i) a legitimate, non-retaliatory basis for the action; or (ii) the landlord began the action before the tenant engaged in the protected activity. Provides that the rebuttable presumption does not arise if the protected tenant activity was initiated after the alleged act of retaliation.

30 ILCS 500/45-105

Amends the Illinois Procurement Code. Requires that each construction agency shall submit a report to the Governor and the General Assembly by December 1 (rather than September 1) of each year that identifies the Illinois businesses procured by the construction agency, the primary location of the construction project, the percentage of the construction agency's utilization of Illinois businesses on the project as a whole, and the actions that the construction agency has undertaken to increase the use of Illinois businesses. Provides that, in procuring construction, construction-related services, construction-related professional services, and construction support services (rather than construction and construction-related professional services) for projects with a total value that exceeds the small purchase maximum established by the Code, construction agencies shall provide a bid preference to a responsive and responsible bidder that is an Illinois business. Makes other changes.

House Committee Amendment No. 2

Removes references in the introduced bill to construction-related services, construction-related professional services, and construction support services.

Provides that the KIND Act creates the statutory vision and authority for the Department of Children and Family Services to execute a kin-first approach to service delivery and directs the juvenile courts to provide necessary oversight of the Department's obligations to maintain family connections and promote equitable opportunities for youth and families to thrive with relational permanence. Amends the Children and Family Services Act. Contains provisions concerning Department rules on relative and licensed foster care; grants to subsidized guardians of hard-to-place children; a requirement on the Department to make diligent efforts to place a child with a relative; documentation of the Department's reasons for failing to secure a relative placement; foster care maintenance payments for relatives who qualify for certification as a relative caregiver home under the Child Care Act of 1969; subsidized guardianship support services for children and their guardians; certification and background checks on persons seeking relative caregiver approval; annual reports regarding relative and certified relative caregiver placements; performance audits; and other matters. Amends the Child Care Act of 1969. Requires the Department to adopt standards for certified relative caregiver family homes that are different from licensing standards used for non-relative foster family homes. House Floor Amendment No. 5

Further amends the Children and Family Services Act. In the definition of "fictive kin", removes language providing that a fictive kin means a person with close ties with the child or the child's family prior to the child's placement with the person. Further amends the Child Care Act of 1969. In provisions concerning standards for certified relative caregiver homes, provides that the Department of Children and Family Services or a licensed child welfare agency (rather than a licensed child welfare agency) shall complete the home safety and needs assessment and assess the ability of the prospective certified relative caregiver to care for the physical, emotional, medical, and educational needs of the specific child or children being placed by the Department. (Sen. Ram Villivalam)

415 ILCS 5/19.11

Amends the Environmental Protection Act. Allows a public water distribution entity to use contact information in its possession that it obtained before an unplanned disruption event in a public water supply in order to inform its customers of the unplanned disruption event, regardless of whether consent is expressly given to use the information for that purpose. Defines "unplanned disruption event in a public water supply".

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes the definition of "unplanned disruption event in a public water supply." Allows a public water distribution entity to use contact information in its possession obtained before or after (rather than only before) a planned or unplanned disruption event (rather than only an unplanned disruption event) in a public water supply in order to inform its customers of the disruption event. Includes in the definition of "disruption event" planned or unplanned (rather than only unplanned) work on or damage to a water main.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that a "disruption event" includes any planned or unplanned work on or damage to a fire hydrant. Changes the term "health care facility list" to "disruption notification list". Requires a public water distribution entity to also notify all affected fire departments and all affected dispatch centers on the public water supply's disruption notification list not less than 14 days before any known, planned, or anticipated disruption event. Requires a public water distribution entity to notify all affected fire departments and dispatch centers on the disruption notification list that are affected by any unplanned disruption event within 2 hours. Requires a fire department and a dispatch center to designate an email address to receive electronic notifications from the public water distribution entity concerning planned or unplanned disruption events.

In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, or parent handbook provided by the school district, charter school, or nonpublic school. In provisions concerning an employment history review, provides that a job applicant shall provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a substitute employee licensed by the State Board of Education and seeking employment in more than one school district, the employment history review shall be conducted by the regional office of education or intermediate service center in which the school districts are located. Provides for when this review is required and how the review remains valid, and provides for immunity for regional offices of education and intermediate service centers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

Amends the Human Remains Protection Act. Provides that if remains that are over 100 years old are identified as veteran's remains, the Department of Natural Resources shall permit a veterans' organization to place a marker to designate that grave, if not already designated, as the grave of a veteran. Provides that if the grave is damaged or destroyed, the veterans' organization may fix, add, install, or refurbish the grave or replace a broken or damaged headstone. Before the veterans' organization may repair, refurbish, place a marker, or otherwise repair a broken headstone on the grave, the veterans' organization must make a good faith effort to contact the next of kin of the person whose grave has been identified and receive no response from the next of kin within a reasonable period of time as determined by the Department, by rule. Provides that the Department shall, by rule, determine what relationship to a person whose grave has been identified as a veteran's grave must be contacted by the veterans' organization.

Replaces everything after the enacting clause. Amends the Cemetery Protection Act. Defines "veteran" and "veterans' organization". Provides that if a veterans' organization has identified human remains of a veteran that are more than 100 years old and wishes to have a marker placed to designate the grave as that of a veteran, a cemetery authority may allow such memorialization without permission of the decedent's heirs. Provides that all costs for memorialization including the marker, its installation, and any removal of or repair to a previous marker that is damaged shall be entirely borne by the veterans' organization. Prohibits human remains from being disturbed in this process. Requires permission from the cemetery authority and compliance with the rules and regulations and any collective bargaining agreement of the involved cemetery. Requires the veterans' organization to first make a good faith effort to contact the decedent's next of kin, and if there is no response within 120 days, the process may proceed. Provides that if any heir of a decedent later objects to memorialization, the sole remedy is the removal of the involved marker at the expense of the involved veterans' organization unless the veterans' organization no longer exists or is without funds, in which case removal shall be at the expense of the heir. Prohibits any monetary damages or any other equitable relief or penalties against the cemetery authority, cemetery, or veterans' association.

(Sen. Dave Syverson)

210 ILCS 9/75

Amends the Assisted Living and Shared Housing Act. Provides that a person shall not be accepted for residency if that person requires level 3 or level 4 sterile wound care unless care is self-administered or administered by a licensed health care professional. Removes the prohibition on accepting a person for residency if that person requires insertion, sterile irrigation, and replacement of catheter, except for routine maintenance of urinary catheters, unless the catheter care is self-administered or administered by a license health care professional.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Restores language which specifies that a person shall not be accepted for residency if the person requires sterile wound care (rather than level 3 or level 4 sterile wound care) unless care is self-administered or administered by a licensed health care professional.

Fiscal Note (Dept. of Public Health)

The Illinois Department of Public Health estimates an increase in costs of \$432,960 due to a need to survey additional complaints resulting from allowing residents with catheter care needs to be admitted to assisted living facilities.

Racial Impact Note (Dept. of Public Health)

Per 25 ILCS 83/110-5, The Illinois Department of Public Health does not expect HB5000 to have a disparate impact on racial and ethnic minorities.

225 ILCS 510/12 from Ch. 111, par. 962

225 ILCS 510/14.3

Amends the Nurse Practice Act. Provides that when a health care facility is found liable for an injury to a patient or resident because of a negligent act performed by a nurse or certified nurse aide employed, assigned, or referred by the nurse agency, the health care facility has a right to be compensated by the nurse agency for any and all expenses, fines, or damages (rather than any and all expenses) incurred related to any liability for the nurse agency's negligence, including negligent hiring (rather than the nurse agency's negligent hiring). Requires a contract entered into between the nurse agency and health care facility to contain a provision specifying that the health care facility has a right to be compensated by the nurse agency for any and all expenses, fines, or damages incurred related to any liability for a negligent act performed by a nurse or certified nurse aide employed, assigned, or referred by the nurse agency. Makes a grammatical change.

House Floor Amendment No. 2

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

HB 05142 (CONTINUED)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. 20 ILCS 1605/27 from Ch. 120, par. 1177

Replaces everything after the enacting clause with the introduced bill with the following changes: Further amends the Illinois Lottery Law. Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that the Department shall make an effort to more directly inform players of the odds of winning prizes by publishing the information for all games on the Department's public website. Provides that written play instructions shall be made available on the Department's public website or by the Department by request (rather than made available to all players through sales agents licensed to sell game tickets or shares). Makes a change in a provision that makes any organization in which specified individuals are to participate in the management or sales of lottery tickets or shares ineligible for any license under the Act. Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Provides that the Department may pay any prize (rather than prizes up to \$25,000) from funds held by the Department in an account separate and apart from all public moneys of the State. Removes provisions allowing moneys in the account to be deposited by the Department into the Public Treasurers' Investment Pool or used to pay amounts to deferred prize winners. Allows the Department (rather than the State Treasurer with the consent of the Director of the Lottery) to contract with any person or corporation to perform such financial functions, activities, or services in connection with operation of the lottery. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. In provisions concerning preaudits by the State Comptroller, removes a limitation that the provisions apply to payments for prizes of \$25,000 or less. Makes other changes.

625 ILCS 5/11-612

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Allows the presumption to be rebutted if specified conditions are met. Grants rulemaking authority to the Department. Defines terms. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Makes conforming changes.

Removes provisions regarding maintenance of automated traffic control systems. Provides that the Illinois State Police (rather than the Department of Transportation) shall employ automated traffic control system operators. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

Provides that a network plan shall, at least annually, audit (instead of audit periodically) at least 25% of its provider directories for accuracy, make any corrections necessary, and retain documentation of the audit. Provides that the network plan shall submit the audit to the Department of Insurance (instead of to the Director of Insurance upon request). Provides that the Department shall make the audit publicly available. Provides that a network plan shall include in the print format provider directory (i) a detailed description of the process to dispute charges for out-of-network providers or facilities that were incorrectly listed as in-network prior to the provision of care and (ii) a telephone number and email address to dispute those charges. Removes language concerning the applicability of the provisions to drugs provided under a contract between the Department and a managed care organization. Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 5395, as amended by House Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Healthcare & Family Services)

Expected expenditures for the Illinois Department of Healthcare and Family Services, based on the provisions in HB 5395, are estimated at approximately \$30 million per year, beginning January 1, 2026 (the anticipated effective date of the provisions regarding prior approval for inpatient treatment). This estimate assumes a static number of inpatient mental health admissions and does not account for any fluctuations in admissions that may result from changes in provider behavior or from the implementation of other, less-intensive interventions.

HB 05431 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the County Department of Corrections Law, the Health Care Violence Prevention Act, and the County Jail Act to replace use of "prisoner" with "committed person". In the County Department of Corrections Law, the Unified Code of Corrections, and the County Jail Law, requires the Department of Public Health to provide the flyers that must be provided to pregnant committed persons, and provides that, when a person with a uterus is committed to a county jail or State correctional facility, the person shall take a pregnancy test. In the County Department of Corrections Law and the Unified Code of Corrections: (i) provides that reports a sheriff, the Department of Corrections, and the Department of Juvenile Justice must submit under the provisions must be provided to the Jail and Detention Standards Unit of the Department of Corrections (removing the requirement to submit the report to the General Assembly and the Office of the Governor in the County Department of Corrections Law); (ii) modifies the reporting requirements; (iii) and provides that other qualified medical professionals (in addition to a physician, advanced practice registered nurse, or physician assistant) may determine that the postpartum period is longer than 6 weeks. In the County Department of Corrections Law, defines "participant" as an individual placed into an electronic monitoring program and makes conforming changes. Makes other changes.

House Floor Amendment No. 3

In provisions relating to informational materials that must be provided to pregnant committed persons, provides that the information must also include the procedure for obtaining information about guardianship or adoption resources, if so desired. Provides that, when a person with a uterus is committed to a facility, the person shall within 14 days be given a medical screening and offered a pregnancy test (rather than the person shall take a pregnancy test).

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.
