Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

HB 03326 (CONTINUED)

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. HB 00676 (CONTINUED)

Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

HB 05346 (CONTINUED)

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Makes changes in the definitions of "digital asset", "digital asset administration", "exchange", "fiat currency", and "transfer". Defines "prepaid card". Provides that the provisions do not apply to the exchange, transfer, or storage of a digital asset or to digital asset administration to the extent that specified law governs the activity as a contract of a sale of a commodity for future delivery or a swap. Provides that the provisions do not apply to a credit union with member share accounts insured by an insurer approved by the credit union's primary financial regulatory agency. Provides that the Department of Financial and Professional Regulation may by rule or order clarify whether an activity is governed by specified provisions. Provides that notwithstanding any other provision, the Department, by rule or order, may conditionally or unconditionally exempt any person, digital asset, or transaction, or any class or classes of persons, digital assets, or transactions, from any provision or any rule thereunder, to the extent that the exemption is necessary or appropriate in the public interest and is consistent with the protection of residents. Provides that the Digital Assets Regulation Fund is created as a special fund in the State Treasury (rather than the Fund is only created). Removes provisions concerning the TOMA Consumer Protection Fund.

HB 03714 (CONTINUED)

Amends the Language Assistance Services Act. Provides for the use and availability of qualified medical interpreters (rather than interpreters) in health facilities. Defines "qualified medical interpreters". Provides that employees of a health facility have the right to use a qualified medical interpreter for their own communication with a limited English proficient patient if a conversation between the limited English proficient patient and the employee would be jeopardized by the use of a volunteer interpreter. Requires the facility to annually transmit to the Department of Public Health a copy of the updated policy regarding language assistance services and to include a description of the facility's process to ensure adequate and speedy communication between staff and patients with language or communication barriers. Provides that facilities must prepare and maintain a list of contact information for American Sign Language (ASL) interpreter providers or individuals who have been identified as being proficient in sign language, as well as a list of the languages of the population of the geographical area served by the facility. Removes language allowing facilities to consider providing its nonbilingual staff with standardized picture and phrase sheets for use in routine communications with patients who have language or communication barriers. Makes other changes.

Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

from Ch. 68, par. 2-102

815 ILCS 505/2BBBB new

Amends the Illinois Human Rights Act. Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or zip code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment. Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support the inclusion of diverse candidates in making employment decisions. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person or entity that relies either partially or fully on predictive data analytics to determine a consumer's creditworthiness may not allow the use of information about the consumer that assigns specific risk factors to the consumer's race or zip code resulting in rejection of credit or other adverse credit-related action to a consumer. Provides that a person or entity that uses predictive data analytics to determine the creditworthiness of more than 50 consumers in a calendar year who are State residents shall devise procedures to ensure that it does not consider information that assigns specific risk factors to a consumer's race or zip code when rejecting or taking other adverse action on a consumer's application for credit. Provides that a person or entity that violates the provisions commits an unlawful practice within the meaning of the Act.

House Committee Amendment No. 1

Makes changes in the definition of "predictive data analytics". Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's biographical information, such as race or zip code, (rather than may not consider the applicant's race or zip code) to reject an applicant in specified contexts.

House Floor Amendment No. 3

Provides that the definition of "predictive data analytics" means the use of automated machine learning algorithms for the purpose of statistically predicting outcomes (rather than statistically analyzing a person's behavior). Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support an inclusive and diverse workforce (rather than support the inclusion of diverse candidates in making employment decisions). Makes other changes.

Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

HB 01375 (CONTINUED)

Amends the Courses of Study Article of the School Code. Instead of requiring consumer education to be taught and studied, provides that beginning with pupils entering the 9th grade in the 2024-2025 school year, pupils in the public schools in grade 11 or 12 shall be taught and be required to complete a stand-alone, one-semester or equivalent course covering personal finance, which shall include, but is not limited to, instruction covering behavioral economics; banking and bill payment; investing; types of credit; managing credit; including credit scores; paying for college; insurance; taxes; budgeting; consumer skills; retirement planning, including tax-advantaged retirement plans; home ownership and financing; and personal transportation, including car ownership and leasing. Provides that the State Board of Education shall devise or approve the personal finance education standards for the course. Provides that the school board shall oversee implementation of the personal finance course for each high school student prior to graduation. Specifies the oversight duties of the school board. In provisions regarding required high school courses, provides that the personal finance education course may be counted toward the fulfillment of other graduation requirements. Makes other changes.

House Floor Amendment No. 2

Provides that the personal finance course requirement begins with pupils entering the 9th grade in the 2027-2028 (rather than 2024-2025) school year. Provides that the State Board of Education (instead of the school board) shall develop implementation guidelines and timelines to assist schools in implementing the personal finance course and determine what may be counted as a graduation requirement for this course.

Senate Committee Amendment No. 1

105 ILCS 5/27-22

from Ch. 122, par. 27-22

Replaces everything after the enacting clause. Amends the School Code. Provides that pupils in the public schools in grades 9 through 12 shall be taught and be required to study courses which include instruction in the area of financial literacy and consumer education in alignment with the Illinois Social Science Learning Standards for Economics and Financial Literacy or other relevant career and technical education learning standards, as appropriate (rather than courses which include instruction in the area of consumer education). Sets forth specified requirements for the instruction. Provides that that the State Board of Education shall determine, subject to appropriation, how to prepare and make available instructional resources and professional learning opportunities for educators that may be used for the purpose of meeting the requirements (rather than devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction).

HB 03940 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

Rep. Maura Hirschauer-Marcus C. Evans, Jr.-Sue Scherer-Lakesia Collins, Jaime M. Andrade, Jr., Aaron M. Ortiz, Jawaharial Williams, Camille Y. Lilly and Lilian Jiménez

105 ILCS 5/24-8.2 new

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that the minimum hourly rate for each school year thereafter shall equal the minimum salary rate for the previous school year increased by a percentage equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the previous school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Representative Sue Scherer
HB 02784 (CONTINUED)

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Provides that the Task Force shall submit its final report, including model language that may be used as legislation, to the General Assembly and the State Board of Education on or before November 15, 2024 and, upon the filing of its final report, the Task Force is dissolved. Repeals the Act on July 1, 2025. Effective immediately.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

735 ILCS 5/2-702

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

HB 03323 (CONTINUED)

Amends the Juvenile Court Act of 1987. Deletes provision that if, during the course of an electronically recorded custodial interrogation of a minor who, at the time of the commission of the offense was under the age of 18 years, the minor makes a statement that creates a reasonable suspicion to believe the minor has committed an act that if committed by an adult would be an offense other than an offense required to be recorded, the interrogators may, without the minor's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Deletes provision that any oral, written, or sign language statement of a minor made as a result of an interrogation under this provision shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, unless the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Amends the Code of Criminal Procedure of 1963. Provides that evidence of a defendant's creative or artistic expression, whether original or derivative, may not be received into evidence against that defendant in a criminal proceeding unless the evidence is determined by the court to be relevant and admissible, after an offer of proof by the proponent of the evidence outside the hearing of the jury, or the hearing as the court may require, and an on-the-record statement by the court of the findings of fact essential to its determination. Provides that in order to overcome the presumption of inadmissibility of evidence of defendant's creative or artistic expression, the proffering party must affirmatively prove by clear and convincing evidence: (1) literal, rather than figurative or fictional, meaning and, where the work is derivative, that the defendant intended to adopt the literal meaning of the work as the defendant's own thought or statement; (2) a strong factual nexus indicating that the creative or artistic expression refers to the specific facts of the crime alleged; (3) relevance to an issue of fact that is disputed; and (4) distinct probative value not provided by other admissible evidence. Provides that if the court admits creative or artistic expression as criminal evidence, the court has a duty to apply careful redactions, provide limiting instructions, and consider the least prejudicial means of presenting the creative or artistic expression to the fact finder.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Amends the Unified Code of Corrections. Provides that a prisoner who is serving a sentence for first degree murder, other than serving a term of natural life imprisonment, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment (rather than serve the entire sentence imposed by the court). Provides that the Director of Corrections or the Director of Juvenile Justice may award earned sentence credits if the credits do not reduce the sentence by a specified amount (rather than award up to 180 days of earned sentence credit for prisoners serving a sentence or incarcerating of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer). Provides that the Department of Corrections or the Department of Juvenile Justice shall award sentence credit accumulated prior to the effective date of the amendatory Act in an amount specified to an inmate serving a sentence for an offense committed on or after June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit based upon specified documentation.

Amends the Juvenile Court Act of 1987. Changes all references in the General Provisions Article and the Abused, Neglected or Dependent Minors Article of the Act from "reasonable efforts" to "active efforts" in cases that involve reunification by the Department of Children and Family Services. Defines "active efforts" as efforts that are affirmative, active, thorough, timely and intended to maintain or reunite a child with the child's family and represent a higher standard of conduct than reasonable efforts. In the court review provisions, provides that if the court makes findings that the Department of Children and Family Services has failed to make active efforts to provide services as provided in the service plan, the court's order shall specify each party that failure applies to and the applicable time period. Amends the Adoption Act. Provides that a person shall not be considered an unfit person for the sole reason that the Department of Children and Family Services or its assign has been found to have not made active efforts as defined in the Juvenile Court Act of 1987 during any period during the pendency of the case at hand. Provides that a parent shall not be found unfit for failure to make reasonable efforts or reasonable progress for any 9-month period during which a court, hearing a case under the Abused, Neglected or Dependent Minors Article of the Juvenile Court Act of 1987, found that the Department failed to make active efforts, as defined in the Juvenile Court Act of 1987 with respect to that parent. Provides that this provision applies to findings of failure to make active efforts made on or after the effective date of the amendatory Act.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

HB 00782 (CONTINUED)

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

New Act

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Requires the Department of Healthcare and Family Services to provide individuals who are noncitizens or are legally admitted permanent residents the same medical assistance coverage for family planning and family planning-related services and supplies that is provided to eligible persons who are United States citizens, if they meet all other eligibility qualifications under the family planning benefits program established in accordance with the State's Family Planning State Plan Amendment as approved by the federal Centers for Medicare and Medicaid Services. Requires the Department to ensure parity of male contraceptive services provided under the family planning benefits program with a carve-out from the prospective payment system rate that allows encounter rate clinics, federally qualified health centers, and rural health centers to bill under the fee-for-service payment methodology based on the most current practitioner fee schedule for the vasectomy procedure (55250) with patient consultation services and any post-operative visits covered at the usual prospective payment system rate. Requires the Department to adopt reproductive justice-aligned measures of contraceptive access and quality as part of the Department's core set of health care quality measures for medical assistance and to annually report and post on its website the success of such measures beginning in calendar year 2024. Provides that if national measures of contraceptive access and quality are adopted by the U.S. Department of Health and Human Services, the Department may consider aligning State quality measures for contraceptive access and quality with such national recommendations. Provides that the Department, in conjunction with a statewide association representing Medicaid managed care health plans that are contracted with the Department and the organizers of a statewide contraceptive access initiative, shall develop a process to collect the patient centered contraceptive counseling measure endorsed by the National Quality Forum and shall annually report and post on its website the outcomes. Effective immediately.

Provides that any person 18 years of age or older who knowingly transmits an intimate image by computer or other electronic means to the computer or electronic communication device of another person 18 years of age or older when such other person has not consented to the use of the other person's computer or electronic communication device for the receipt of such material or has expressly forbidden the receipt of such material shall be considered a trespass and shall be liable to the recipient of the intimate image for actual damages or \$500, whichever is greater. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits an intimate image, including an on-demand, subscription or advertising-supported service, (iii) a health care provider that transmits an intimate image for a legitimate medical purpose, or (iv) any transmission of commercial email. Provides that venue for an action under the Act may lie in the jurisdiction where the intimate image is transmitted from or where the intimate image is received or possessed by the plaintiff.

House Floor Amendment No. 1

Authorizes the court to enjoin and restrain the defendant from committing such further acts. "Obscene material" means material, including, but not limited to, images depicting a person engaging in an act of sexual intercourse, sodomy, oral copulation, sexual penetration, or masturbation, or depicting the exposed genitals or anus of any person, taken as a whole, that to the average person, applying contemporary statewide standards, appeals to the prurient interest, that, taken as a whole, depicts or describes sexual conduct in a patently offensive way, and that, taken as a whole, lacks serious literary, artistic, political, or scientific value. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits material, including an on-demand, subscription, or advertising-supported service, (iii) a health care provider that transmits material for a legitimate medical purpose, or (iv) any transmission of commercial email. 110 ILCS 947/65.100

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. HB 01286 (CONTINUED)

Amends the Equitable Restrooms Act. Provides that, notwithstanding any other provision of law, any multiple-occupancy restroom may be identified as an all-gender multiple-occupancy restroom and designated for use by any person of any gender. Requires that an all-gender multiple-occupancy restroom must include specified signage, stall dividers, and partitions for urinals. Provides that any multiple-occupancy restroom may be converted into an all-gender multiple-occupancy restroom. Provides that, if a facility commences construction, or commences alterations exceeding 50% of the facility, and implements an all-gender multiple-occupancy restroom, the all-gender multiple-occupancy restroom must satisfy or include specified requirements. Requires certain newly constructed or previously existing restrooms to be designated as all-gender multiple-occupancy restrooms. Provides that when plumbing fixtures in a facility must meet female-to-male ratio requirements, each individual fixture in an all-gender multiple-occupancy restroom may be counted toward the required number of either female or male toilet stalls. Provides that if a fixture is counted toward the minimum required fixtures for females, that same fixture shall not also be counted toward the minimum required fixtures for males, and if a fixture is counted toward the minimum required fixtures for males, that same fixture shall not also be counted toward the minimum required fixtures for females. Provides that during any inspection of a facility by a health officer, health inspector, or building inspector, the health officer, health inspector, or building inspector may inspect the facility to determine whether it complies with the provisions. Requires the Department of Public Health to adopt rules to implement the provisions. Defines "multiple-occupancy restroom". Contains other provisions. Makes other changes. Effective immediately.

In provisions of the Children with Disabilities Article concerning a child who attends a non-public school or special education facility, a public out-of-state school, or a special education facility owned and operated by a county government unit, provides that the Illinois Purchased Care Review Board shall allow a nonprofit entity to use the same profit margin calculation that the Board allows in the for-profit tuition and room and board calculations and may not make any distinction in reimbursement level for nonpublic special education facilities based upon their federal income tax filing classification. In provisions of the Chicago School District Article concerning criminal history records checks, provides that a nonpublic special education facility with multiple campuses within this State and providing services under the Children with Disabilities Article shall maintain a separate, current record at a central administrative location, for inspection by representatives of the school district and the State Board of Education, for each staff member, whether employed full-time or part-time, who provides direct services or who is directly involved in the development and implementation of instructional services. Requires a nonpublic special education facility to send a monthly employee roster file electronically to the school district and the State Board of Education that details whether the facility's employees have completed and passed the criminal history records check process. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2024 and that provides coverage for prescription drugs shall provide coverage for vaginal estrogen, and that coverage for vaginal estrogen shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.

House Floor Amendment No. 2

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 (rather than January 1, 2024) and that provides coverage for prescription drugs shall include coverage for one or more therapeutic equivalent versions of vaginal estrogen in its formulary.

Senate Committee Amendment No. 1

Provides that if (rather than if an individual's attending provider recommends) a particular vaginal estrogen product or its therapeutic equivalent version approved by the United States Food and Drug Administration is determined to be medically necessary (rather than based on the provider's determination), the issuer must cover that service or item pursuant to the cost-sharing requirement in specified provisions (rather than without cost sharing). Provides that a policy subject to the provisions shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement that exceeds any deductible, coinsurance, copayment, or any other cost-sharing requirement imposed on any prescription drug authorized for the treatment of erectile dysfunction covered by the policy (rather than on the coverage provided). Removes language providing that a policy is not required to include all therapeutic equivalent versions of vaginal estrogen in its formulary so long as at least one is included and covered without cost sharing and in accordance with the provisions.

House Committee Amendment No. 1

Further amends the Adult Protective Services Act. In a provision granting specified persons access to records related to reports of abuse or neglect or the suspicious deaths of persons protected under the Act, provides that a probate court with jurisdiction over the guardianship of an alleged victim shall have access to such records, upon request, for an in camera inspection (rather than a court or a guardian ad litem, upon its or his or her finding that access to such records may be necessary for the determination of an issue before the court). Removes language granting a guardian ad litem access to such records in cases regarding self-neglect and instead grants access to a guardian ad litem, unless such guardian ad litem is the abuser or alleged abuser.

305 ILCS 5/5-18.5
305 ILCS 5/5-18.10

Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aids as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aids. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps; breast pump supplies; breastfeeding supplies; or feeding aids a beneficiary is entitled to receive under the program. Makes other changes. Effective January 1, 2026.

House Committee Amendment No. 1

Deletes reference to:

305 ILCS 5/5-18.10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

HB 05142 (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

Representative Nabeela Syed
HB 02123 (CONTINUED)

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. Provides that the dissemination of or a threat to disseminate a private sexual image is not a matter of public concern solely because the image is accompanied by a political message. Allows the court to award equitable relief, such as a temporary restraining order, preliminary injunction, or permanent injunction ordering the defendant to cease the display or disclosure of the image, to a prevailing plaintiff in an action brought under the Act.

New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth legislative findings. Provides that the Director of Healthcare and Family Services or Director of Central Management Services shall (rather than may) notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

House Floor Amendment No. 2

Makes a change in the definition of "price gouging".

Senate Committee Amendment No. 1

Provides that if the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the provisions, then the Attorney General may (rather than shall) send a notice to the manufacturer or the wholesale drug distributor requesting a statement. Provides that a landlord, lessor, sublessor, or grantor may charge a fee or fees to reimburse costs associated with conducting a background check and credit check if the cumulative fee or fees for such checks are no more than the actual cost of the background check and credit check or \$20, whichever is less. Allows this fee or fees if the potential tenant provides a copy of a background check or credit check conducted within the past 30 days. Prohibits a landlord from imposing a move-in fee that is in excess of the reasonable cost to the landlord of obtaining or providing the product or service for which the fee is imposed. Unless provided by law elsewhere, a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes as defined by Nursing Home Care Act or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees for the late payment of rent in certain situations. Any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy.

Amends the Criminal Code of 2012. Provides that the Public Act may be referred to as the Safe Firearm Storage Act. Provides that it is unlawful for any person to store or leave a firearm outside of that person's immediate possession or control (rather than within premises under his or her control if the person knows or has reason to believe that a minor under the age of 14 years who does not have a Firearm Owners Identification Card is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor, and the minor causes death or great bodily harm with the firearm) unless the firearm is secured in a manner that renders it inaccessible to anyone but the owner or another lawfully authorized user: (1) by a device or mechanism, other than the firearm safety, designed to render a firearm temporarily inoperable; or (2) locked box or container. Deletes provisions that the law does not apply: (1) if a minor under 14 years of age gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor under the age of 14 because of an unlawful entry of the premises by the minor or another person. 105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Defines "event facility".

House Floor Amendment No. 1

105 ILCS 5/27-22 from Ch. 122, par. 27-22

Amends the Courses of Study Article of the School Code. Instead of requiring consumer education to be taught and studied, provides that beginning with pupils entering the 9th grade in the 2024-2025 school year, pupils in the public schools in grade 11 or 12 shall be taught and be required to complete a stand-alone, one-semester or equivalent course covering personal finance, which shall include, but is not limited to, instruction covering behavioral economics; banking and bill payment; investing; types of credit; managing credit; including credit scores; paying for college; insurance; taxes; budgeting; consumer skills; retirement planning, including tax-advantaged retirement plans; home ownership and financing; and personal transportation, including car ownership and leasing. Sets forth specified requirements for the instruction. Provides that that the State Board of Education shall determine, subject to appropriation, how to prepare and make available instructional resources and professional learning opportunities for educators that may be used for the purpose of meeting the requirements (rather than devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction).
